NOTES

From 1973- 1981, Meet of Champions "Team Titles" were awarded.
In 1975, the boys Indoor Group Meets moved to Jadwin Gym. Previously they were held in the Newark Armory.
From 1976 on, Shot Put and High Jump relays were added to the running events at the relay championships.
In 1988, Non-Public Schools were placed within Public School Groups.
In 1991, Team Scoring was changed from the 6-4-3-2-1 (1st through 5th respectively).
In 1992, Jadwin Gym's track was converted from a 220 yard track to a 200 meter track. It is the policy of the NJSIAA Track Committee not to convert records. Both the "yards" and the "meters" records will be listed.
In 1992, NJSIAA introduced a new scoring system for relays with six places.
In 2007 the Meets were moved to the Toms River Bennett Center.
Due to the COVID-19 pandemic, championships were not held in 2021.

The New Jersey State Interscholastic Athletic Association strives to make each sport's Championship History and Record Book an accurate and comprehensive resource. If you have information you believe should be included in these records (additions, deletions or corrections), it may be submitted by e-mail to Dena Maggio at dmaggio@njsiaa.org. Please provide supporting data/documentation with your submission. Appropriate documentation shall include, but is not limited to, the following: copies of scorebooks or game/season statistical summaries, copies of yearbooks, and copies of newspaper clippings. All information must be complete for consideration. Submissions completed by a coach or school administrator are preferred. Before any mark is added to the record book, it must be independently verified by the NJSIAA staff. If the information cannot be independently verified, it will not be included.

Championship History is updated on a seasonal basis when possible.
