Name of CSIET/NJSIAA Accepted Foreign Exchange Program _____

If sponsorship is by any other organization, the executive officer of the organization must verify sponsorship on the organizations letterhead. For all other foreign students not residing in the United States with their parents, the Transfer Form must be processed.

If students are enrolled in your school for credit under an accepted (CSIET/NJSIAA) foreign exchange program, the NJSIAA will waive the transfer rule and they will be eligible for interscholastic athletics provided they are **not** graduates of another school which is the equivalent of our 12 year program and all other NJSIAA eligibility requirements are verified as being met.

Section III – Foreign Student

If the student is **not** sponsored by a CSIET/NJSIAA accepted program, please give a detailed explanation of why, how and under what conditions the student is residing in your school district and seeks eligibility as a foreign transfer student. A Transfer Form must be processed. Information relative to student's athletic experience in school or non-school programs starting with the first entrance into the ninth grade must be documented on the Transfer Form by the foreign high school Principal, when the Principal is unable to provide such information it must be provided by the family with whom the student resides. Athletic participation will be evaluated in "non-school" play for "varsity" status. (Attach information if more space is needed.)
