Bona fide change of residence is defined as moving with a parent/guardian from one public secondary school district to another public secondary school district

Varsity Participation is defined as playing in one play of an interscholastic varsity level regular season contest. This participation refers to the previous year prior to the transfer.

30 day sit our period begins with the first regular season interscholastic scheduled contest.

If a transfer occurs during the season of the sport in question, and it requires a 30 day sit out, the clock starts from the first day of attendance in the “new” school. Please note the regulation(s) about transfers, even with a bona fide change of residence, after certain cutoff dates per fall, winter and spring seasons.
