

In order to keep our organization as professional as possible as well as giving as many people chance to be involved, the NJWCA has come up with the following guidelines for officer selection that will be included in the rules and regs starting 2013-2014.:

District Representatives: Will be nominated and voted on every two years starting in the (2013 -2014) season. This can be voted on at either the pre-season region meeting or the at the District tournament. For the 2013-2014 this will take place at the pre-season region meeting.

(Because of the new procedure, this year we will select the District Rep for the next two years, 2013-15 at the Pre-season Region meeting. In the next election for this position (2015-16), the voting will happen at the District seeding meeting.)

- Coaches will be nominated and then voted on by the district coaches.
- One vote per team
- Only Coaches that have paid dues and are in good standing may vote.

Region Presidents, Vice- Presidents and Secretary/Treasurer: Will be nominated and voted on every 2 years at the Region tournament. Starting the (2014-2015) season.

- Coaches will be nominated and then voted on by coaches
- One vote per team
- Only Coaches that have paid dues and are in good standing may vote.

NJWCA Officers – President, Vice- President, Treasurer, Secretary: Will be nominated and voted on by Region Presidents at the Spring Region Presidents meeting starting the (2015-2016) season.

- Region presidents will nominate and vote.
- One vote per region

An office can be held more than two years if that person is nominated and voted on that given year or if no one else is nominated. If an officer steps down during his tenure a replacement will be sought. There will still be a vote every two years despite not serving a full 2 years.
