

2023-24 NJSIAA GIRLS LACROSSE TOURNAMENT

NJSIAA reserves the right to adjust, change or cancel dates, times, and locations for all NJSIAA State tournaments. Any student-athlete who transfers after the competition start date will not be eligible for this tournament (Bylaws, Article V, Section 4.K. 5).

Schools entering the tournament will not be granted a change of date/time due to any conflicts with school trips, proms, banquets, SATs, unless agreed upon by both schools. The NJSIAA will make every effort to accommodate schools that have a conflict with their graduation.

Schools that are disqualified from state tournament competition after the tournament has been seeded but prior to the bracket being final, then the bracket will be reseeded and the next ranked school who entered the tournament will be included. If a school is disqualified from state tournament competition after the tournament has been seeded and after the bracket is final, then the bracket will not be reseeded, and no additional school will be included. If a school is disqualified from state tournament competition during the state tournament, then the school will be removed from the tournament immediately and their last opponent will advance in their place.

Schools participating in any NJSIAA tournament are responsible for the actions and behaviors of their spectators. Schools are required to provide adequate staff security to ensure there is proper oversight of their spectators. In addition, schools are financially responsible for any damages to the property or premises caused by their student-athletes, staff, or spectators (spectators include, but are not limited to, cheerleaders, marching band participants, students, and other fans).

NJSIAA requires Certified Athletic Trainers at all its tournament events. The ATC must document all injuries on an injury report form. This form must be available to the NJSIAA upon request.

Member schools not willing or able to comply with these tournament regulations and any relevant procedures found in the Operating Procedures Handbook should not enter the tournament. Member schools are encouraged to review these tournament regulations with the school administration. Coaches must have a copy of these regulations as well as a copy of the Rule Modifications (if any) for this tournament available at all contests. Copies of these documents are available on the NJSIAA website.

Tournament Seeding

1. The qualifying schools in each group and each section will be seeded using the LaxNumbers power ranking system and the girls' lacrosse seeding committee.
2. The girls' lacrosse seeding committee will use the following to assist with seeding.
 - a. Head-to-Head results will receive consideration only when a lower-ranked team has defeated the team ranked immediately above (higher).
 - b. Any split of head-to-head matches will be dropped from the discussion.
 - c. Movement in the seed may occur one step at a time on the basis of the Head-to-Head criterion. If 6th in rank has defeated 5th in rank/seed, then they switch positions; if 6th in rank defeats both #5 and #4 then a double jump.
3. The media may post brackets following the completion of the seeding meeting, however, seedings and brackets do not become official until 12:00pm on the day after seeding.

Tournament Rules & Information

1. All current NFHS and USA girls' lacrosse rules along with any NJSIAA girls' lacrosse rule modifications will govern all tournament games.
2. Game times for all rounds hosted by the higher-seeded school will be designated by the higher seeded school. The recommended start time for school days is 4:00pm. For non-school days, times will be established by the higher seeded school.
3. All game times are pending the official's availability. Athletic Directors must communicate consistently through all rounds of the tournament regarding start times.
4. The NJSIAA may determine the start times if there is any disagreement with start times between schools.
5. Game times for all state semifinal and state group championship games will be established by the NJSIAA.
6. Public rounds one (1), two (2), and three (3) and non-public rounds one (1) and two (2), are play-by dates and maybe played earlier than the dates indicated if both schools agree. If schools cannot agree, the game must be played on the play-by date. Regular season/tournament games scheduled for these dates must be rescheduled.
7. Schools may play on Sunday only if both schools agree.
8. Sites will not be declared unsuitable merely because field conditions are less than perfect unless Leagues or Conferences have ruled such sites unsuitable for regular-season games.
9. The public sectional finals and the non-public semifinals are "play on" dates. Host schools must get approval from the NJSIAA to play these games on a different day.
10. If any circumstance causes postponement, the game must be played on the next day. If the next day is a Sunday, the game may be played if both schools are permitted to play on Sundays, otherwise, the game must be played on Monday. Non-NJSIAA tournament games must be moved.
11. Responsibility for postponing a game shall rest with the host school. It is recommended that the host school should notify their opponent before the departure of the visiting school's busses at the latest.
12. The NJSIAA and all assignors must be notified of any postponement in a timely fashion.
13. After a second consecutive postponement of a game because of field conditions, the NJSIAA may designate an alternate site as the home field for the higher-seeded team which may include the opponent's field of the lower-seeded team.
14. All schools hosting games during the first three (3) rounds must provide a scorer and a timer for each game. An adult would be preferred but at a minimum a person that knows the sport of girls lacrosse. If an adult is not used, the host team's coaching staff must provide oversight of the timer and scorer.
15. A coin toss will determine the choice of goal or possession.
16. The higher seeded team will wear the light color jersey.
17. Games may not be played on 3 consecutive days unless approved by the NJSIAA because of extreme circumstances.
18. The winning school must notify njschoolsports.com immediately after each game.

The visiting school must provide at least one (1) staff member, not associated with the coaching staff, to be present at each tournament game to assist on-site management in maintaining control of visiting spectators.
20. Any member school withdrawing from competition after having officially entered the tournament may be barred from participating in the NJSIAA tournament the next school year unless truly extraordinary circumstances were present.
21. Participation by an ineligible player participates in a tournament game, said SCHOOL will be disqualified from the tournament immediately and their last opponent will advance in their place.
