When conditions prevent a game from being played at the site of the higher seeded team, the higher seeded team should designate an alternate site upon approval of the Sectional Representative. Notify Sectional Representatives about cancellations.

Sites will not be declared unsuitable merely because recommended minimum fence distances are not available or field conditions are less than perfect unless Leagues or Conferences have ruled such sites unsuitable for League or Conference play. Fields should be lined in accordance with National Federation Rules.

Page 3

State Public Semifinals and Non-Public Sectional Finals will be played at predetermined designated sites. The State Championship Finals will be played at Toms River High School North, Toms River High School South, and Toms River High School East, Toms River, New Jersey.

Up to but not including the State Finals, whenever a game is played at a designated and/or predetermined site for which there are groundskeeping or rental charges, the schools shall share the cost of same although every attempt will be made to secure a site for which there will be no rental or minimal rental charges.

**SECURITY**

Each school must provide at least one (1) staff member, not associated with the coaching staff, to be present at each tournament game to assist on-site management in maintaining control of spectators. The site Supervisor should be identified prior to each game.

**POSTPONEMENT**

Responsibility for postponing a game shall rest with the person in charge of the playing site, and it shall be his/her responsibility to notify both schools and the tournament representative at least three (3) hours prior to game time, **whenever possible**. The competing schools' representatives shall share responsibility for assuring that adequate on-site preparations have been made. After the second consecutive postponement of a preliminary game, the Sectional Representative may designate an alternate site as a Home Field of the higher-seeded team. **If schools can not agree on a starting time, the game will start at 4:00 pm.**

**UMPIRES**

Two (2) NJSIAA registered baseball umpires will officiate all games; however, the Sectional Representative shall assign three (3) umpires for the Public Sectional Finals. In all games prior to Public and Non-public Sectional Finals the Sectional Representative may assign the umpires or direct each school to assign or have assigned one (1) umpire.

When the Sectional Representative assigns umpires they must assign umpires which service these competing schools during the regular season, providing both schools are serviced by the same Chapter. **When three umpires are to be assigned and the schools are not serviced by the same Chapter, umpires from an alternate Chapter must be used.** The NJSIAA Baseball Assignor will assign three (3) umpires to the State Semifinals, Non-public Sectional Finals, and the State Finals.

An umpire may be hired for only one (1) preliminary game involving the same school; however, a previously used umpire may be assigned to the Sectional Finals or the State Semi or Final Games.

The person responsible for assignment should be informed as to preferred and unacceptable umpires of each of the competing schools. **This includes the exchange of this information between schools when each school is directed to assign one umpire.**

Unless mutually agreed upon by the umpires, a coin toss will determine the plate umpire and the base umpire. **SCHOOLS ASSIGNING UMPIRES WILL NOT DETERMINE WHICH POSITION UMPIRES WILL OFFICIATE.**

Up to and including the **Public Sectional Finals and prior to the Non-Public Sectional Finals, when the home field of one of the schools is used, the school on whose field the game is played shall pay the umpires to offset the visiting school's transportation costs.**"

At all predetermined, designated sites, including the Non-public Sectional Finals and Public State Semifinals, each school shall share the cost of three (3) umpires. The NJSIAA will pay all umpires and field maintenance for the State Finals.

Recommended fee per umpire:

Preliminaries	Area agreed fees	State Semifinals (3)	\$75.00
Sectional Finals	Area agreed fees	State Finals (3)	\$80.00

\*Or area agreed fees

**RULES**

The 2009 National Federation Baseball Rules and NJSIAA modifications, including **pitching limitations**, and courtesy runner will govern all tournament games.

DISQUALIFICATION

Participation by an ineligible player in any game during the regular season results in forfeiture of said game. If such forfeit(s) would have caused the school's failure to qualify for the tournament or if an ineligible player participates in a tournament game, said SCHOOL will be disqualified from the tournament immediately and their last opponent will advance in their place. Schools eliminated prior to the last opponent will not re-enter tournament competition.

WITHDRAWAL

Any member school and/or student-athlete withdrawing from competition after having officially entered an NJSIAA tournament in any sport will be disqualified from all remaining NJSIAA tournament competition in that sport in that season and barred from participating in NJSIAA tournament competition in that sport during the next school year unless truly extraordinary circumstances were present. (Rule 2, Section 17, NJSIAA Handbook)

BASEBALLS

Only baseballs meeting National Federation specifications may be used in the tournament. The Wilson A1010 baseballs will be the official ball for the State Finals.

Up to and including the Public Sectional Finals and prior to the Non-Public Sectional Finals, when the game is played at the home field of one of the teams, the school on whose field the game is played shall provide the baseballs. At all predetermined designated sites, the home team as determined under Game Procedure #2, will provide the baseballs. The visiting team, however, will provide the home team with the same number of baseballs. All baseballs for the State Finals will be provided by the NJSIAA.

GAME Procedure

1. All games previous to the State Finals shall start at 4:00 p.m. unless otherwise agreed upon. State Finals will start at times designated by NJSIAA.
2. At predetermined Non-Public Sectional Final Sites, the higher seeded team will be considered the home team. A coin toss will determine the bench area.
3. At predetermined, designated sites (Public State Semifinals and State Finals), the winner of one (1) coin toss shall have the choice of home or visiting team and the dugout/bench area.
4. **Suspended game rule for all NJSIAA State Tournament Games will be in affect. Please consult the 2009 NJSIAA/STAR LEDGER BASEBALL CHAMPIONSHIPS PAGE OF THIS REGULATION.**
5. If rain delays the completion of a round, teams must adhere to the deadline of the succeeding round.
6. Dugout Procedure - A maximum of twenty (20) uniform players, four (4) uniformed coaches, three (3) not-in-uniform support personnel, and a trainer will be permitted and confined to the Dugout.
  - a. The host school will line out a bench area where there are no dugouts. A recommended bench area, if space allows, should be sixty (60) feet from the foul line. It should be a rectangular box no longer than forty (40) feet and no wider than six (6) feet.

Where space may be a restriction, a bench area must be provided similar to the above diagram

b. After twenty (20) uniform players, to be identified and designated on the line-up card, are presented to the umpire at the beginning of the game, no additions to the card will be permitted. This line-up form is attached and is to be used at all games.

7. The person in charge of the playing sites will determine its use up until forty (40) minutes before playing time.

GENERAL INFORMATION

1. Teams must play their games by the date designated as the final date for the completion of a round or on the date designated by the Sectional Representative or the Tournament Director. "IF ANY CIRCUMSTANCE CAUSES POSTPONEMENT, GAME MUST BE PLAYED ON SUCCESSIVE DAYS. If State Semifinal games are threatened by postponement, every attempt should be made to secure an alternate site on the same day." Up to State Finals, playing on Sunday has to be agreed upon by both schools. Playing the Finals on Sunday will be at the discretion of the NJSIAA.

2. THE WINNING SCHOOL'S COACH MUST NOTIFY HIS/HER SECTIONAL REPRESENTATIVE IMMEDIATELY AFTER EACH GAME, AND THE COMPETING SCHOOLS MUST NOTIFY LOCAL NEWSPAPERS TO KEEP MEDIA INFORMED AS TO THE TOURNAMENT PROGRESSION.

### PROTESTS

Protests based upon an umpire's judgment, or misinterpretation, or misapplication of the playing rules will not be honored as per NJSIAA Bylaws, Article VII, Section 1.

### ATHLETIC EMERGENCY PROCEDURE

1. Each school participating in the championship will provide for the care and treatment of their athletes within the school's policy as in effect during the regular season. The athletic emergency procedure of the host school will be in effect during the championship which will include the establishment of a line of communication for emergent situations.
2. Some sources of assistance that may be utilized when physicians are not available are certified athletic trainers, emergency medical technicians usually on emergency vehicles, ambulance vehicle with trained personnel, rescue vehicle with trained first-aid personnel and, in some areas, National Guard or Army Reserve Medical personnel assigned to ambulance duty. Schools may also have other school personnel qualified in first-aid, who may be available for duty during activities.
  - a. Recommended procedures that may be followed in successful emergency care are:
    1. Immediate, on the spot first-aid by and individual with adequate training.
    2. Communication System. An available, non-pay telephone with an outside line to contact a physician or ambulance service. Arrangements should be made in advance to insure availability
    3. Emergency care facility. Arrangements should be made, in advance, with staff personnel of local hospital or clinic to notify, in case of emergency, that emergency service is necessary.
    4. Notification. The facility to which the injured player is being transported should be immediately informed of the injured player's status. Necessary personnel and equipment should be available in the facility or physicians, on call, could be notified of the emergency.
    5. Transportation. Ambulance, emergency vehicle, first-aid vehicle or rescue vehicle, with appropriate equipment and personnel may be parked at the field or game site. If this procedure is not feasible, prior arrangements should be made to have equipment on call when an emergency develops. Again, an available, non-pay telephone with an outside line should be immediately available.
    6. Communities without physicians, medical clinics, or hospital service should complete arrangements with medical personnel and hospital facilities in the nearest community where such services are available.
  - b. The plan of action specified above should be carefully covered, in advance, with responsibilities of all concerned - trainer, coach, vehicle personnel, school administrators, local police, deputies, or constables - defined. When an emergency does occur, everyone involved can function as an informed, effective team.
  - c. Local plans of action to meet emergency situations will vary depending on availability of medical personnel and facilities, the location of the playing field or site and communications. In all cases, the emergency situation plan is best developed through cooperative action of local school personnel, participating professional medical staff and allied groups.

**ATTENTION:** Principals, Athletic Directors, All Coaches and Officials

**RE: Recommended Precautions Against The Transmission of Blood-Borne Pathogens**

All member schools must provide all coaches with the contents of the NJSIAA Infectious Disease Policy.

The Infectious Disease Policy provides that:

If an individual gets someone else's blood on his/her skin, protective gloves should be worn to wipe the blood off with a disposable towel using a disinfectant such as isopropyl alcohol (rubbing alcohol).

**Note:** If any blood gets on an opponent's uniform during competition or a teammate's uniform during practice, it is not necessary to clean the uniform at that point unless the opponent or teammate has an open cut or unskinned area, or the blood is on a part of the uniform which might come in contact with mucous membranes. If the student-athlete does have an open cut or unskinned area or believes the blood might come in contact with mucous membranes, then the uniform should be wiped with a disinfectant such as isopropyl alcohol (rubbing alcohol).
