

2010 NJSIAA/BOLLINGER BOYS AND GIRLS FENCING CHAMPIONSHIPS

Coaches must have a copy of these instructions available at the District and State Championships

To Qualify

Teams

Any school sponsoring an interscholastic team will be permitted to enter Districts, provided the provisions of Rule 2, Section 18 of the NJSIAA Constitution and Bylaws are met.

Individuals

Individuals from schools which do not compete on an interscholastic basis are eligible to enter provided they can document their fencing experience. All individual fencers must report to the designated site on Saturday, January 30, 2010 for a qualifying competition. See *Qualifying Process for Independent Fencers* for more information.

Only two Board-approved coaches for each team (i.e. Boys/Girls) will be credentialed.

Advisory

*Schools not presently competing on an interscholastic basis, but entering individuals, are advised to read carefully the Procedures – “Coaches” Appointed to Accompany Teams or Individuals to NJSIAA Championships in the NJSIAA Handbook. Tournament Directors will disqualify any contestant who is accompanied by someone in a coaching capacity who is not properly certified and appointed by the Board of Education. A properly appointed coach will thereafter be subject to the Rules and Regulations. Rule 2, Section 11—Out-of-Season Practice. If a substitute coach is used, written authority from the school’s Principal **must** be presented.*

All varsity schedules MUST be entered by the start of the season, and scores reported to www.njschoolsports.com as soon as possible after each contest.

If you do not know your school code, or encounter problems, please contact support@njschoolsports.com or the NJSIAA.

All teams may participate in interscholastic contests until the final championship in their respective sports. Individual competition shall terminate with the end of said competition.

Disqualification

Participation by an ineligible participant in any meet during the regular season results in forfeiture of those points achieved by the individual participant. If an ineligible participant participates in a tournament, said participant will be disqualified from the tournament immediately and the next finisher will advance in his/her place; schools eliminated prior to the last opponent will not re-enter tournament competition.

Tournament Regulations

1. A school which arrives after the close of check-in will be disqualified from the competition immediately, unless the Tournament Director has been notified. Fencing will begin within thirty (30) minutes of the close of check-in.

It is the responsibility of the team coach to obtain or borrow said equipment. All equipment must be clearly labeled with the school’s name. If the student-athlete does have an open cut or unskinned area or believes the blood might come in contact with mucous membranes, then the uniform should be wiped with soap and water.
