ADVANCEMENT/TIE-BREAKING PROCEDURE/AWARDS

TEAMS

If two (2) or more teams are tied for the Sectional Championships or Runners-up, a sudden death tie-breaker play-off will take place to determine the Sectional Champion or qualifier. In a playoff, the low four (4) players in the completed round must be used. Ties for four (4) on the team shall be decided at the discretion of the coach. If a tie is not broken on the first hole, the tied teams remaining will move on to the second hole, and so on until the Team Champion, Runner-up or qualifiers are determined.

Any member of the team may compete on the day of the State Group or T of C (Substitute rule).

Individuals - Sudden Death Playoff for First Place

The five (5) individuals with the lowest scores in the Sectional play, including those tied for fifth (5th) place, will advance to the State Group Championships. Match of cards will use Hole #1 for 2nd, 3rd and 4th places.

Group and Tournament of Champions

1. Team – “Sudden Death” for 1st place. All ties exclusive of 1st place will be determined by match of cards using the 1st hole on the course on an aggregate basis.
2. Individual - “Sudden Death” playoff for all ties for 1st place. No playoffs for any other position. ALL TIES will be determined by a match of cards using the first hole on the course.

ENTRY FEE

\$85.00 per team; **\$20.00** per individual entry. No entries will be accepted unless a check in the proper amount, made payable to NJSIAA, accompanies the entry. SCHOOL'S NAME MUST APPEAR ON CHECK. Entries will be limited to a maximum of one (1) team [five (5) players] OR a maximum of two (2) individuals per member school. **Mail fees and entry forms to your GROUP DIRECTOR.**

NOTE: **Do NOT send entries via certified mail.** Certified Mail delays receipt of your entry up to two weeks. To receive verification of receipt of entry, enclose a stamped, self-addressed envelope or postcard which the Director can return to you.

RULES

United States Golf Association (Summer Rules) will govern all play; except as modified by local and tournament rules; competition will be Medal Play. In the interest of time, continuous putting will be in force in the State Championships and at the discretion of the Director in the State Groups. The penalty for slow play will be enforced. LOST balls or out-of-bounds balls will be enforced as per USGA rules. Unfamiliarity with the rules will not be basis for appeal in case of disqualification. **On co-ed teams, boys and girls will tee off from the same tee.** It is recommended that member schools use Summer Rules during the regular season.

Clubs: The USGA has listed on their website all non-conforming driving clubs which the NJSIAA will honor in competition. Their website is www.usga.org

Directors have the option of playing "Winter Rules" when such conditions are present. Site Directors may set local rules.

INDIVIDUAL COMPETITORS NOT ON TEAMS (Boys)

Schools entering individuals and not presently competing on an interscholastic basis are advised to read carefully the Procedures - "Coaches" Appointed to Accompany Teams or Individuals to NJSIAA Championships in the NJSIAA Handbook. Tournament Directors will disqualify any contestant who is accompanied by someone in a coaching capacity who is not properly certified and appointed by the Board of Education. A properly appointed coach will thereafter be subject to the Rules and Regulations, Rule 2, Section 11 - Out-of-Season Practice. If a substitute coach is used, written authority from the school's Principal must be presented which documents the substitute's competency.

TEE-OFF TIMES

All information relative to State Group tee-off times and foursomes will be mailed to participating schools on or before the Wednesday before their State Groups by the Group Director; the same will be forwarded for the State Championships by the NJSIAA. Schools should not contact the State Group Directors unless they have not received this information by the afternoon of Friday before the State Groups.

Due to the large number of schools participating, requests for particular time slots cannot be honored. Starting times will be strictly enforced; coaches must have their teams at the starting tee on time; players will be assigned in foursomes, teeing off at eight (8) minute intervals; and teams or individuals, failing to report at the designated starting time may be disqualified.

COACH'S INSTRUCTIONS FOR STATE GROUP AND STATE CHAMPIONSHIPS

1. No caddies, no electric carts, and no pull carts are to be used. Where possible, an electric cart will be available only for the Tournament Director to supervise play. PROTESTS

Protests based upon an official's judgment, or misinterpretation, or misapplication of the playing rules will not be honored as per NJSIAA Bylaws, Article VII, Section 1.

ATHLETIC EMERGENCY PROCEDURE

1. Each school participating in the championship will provide for the care and treatment of their athletes within the school's policy as in effect during the regular season. The athletic emergency procedure of the host school will be in effect during the championship which will include the establishment of a line of communication for emergent situations.
2. Some sources of assistance that may be utilized when physicians are not available are certified athletic trainers, emergency medical technicians usually on emergency vehicles, ambulance vehicle with trained personnel, rescue vehicle with trained first-aid personnel and, in some areas, National Guard or Army Reserve Medical personnel assigned to ambulance duty. Schools may also have other school personnel qualified in first-aid, who may be available for duty during activities.
 - a. Recommended procedures that may be followed in successful emergency care are:
 1. Immediate, on the spot first-aid by and individual with adequate training.
 2. Communication System. An available, non-pay telephone with an outside line to contact a physician or ambulance service. Arrangements should be made in advance to insure availability
 3. Emergency care facility. Arrangements should be made, in advance, with staff personnel of local hospital or clinic to notify, in case of emergency, that emergency service is necessary.
 4. Notification. The facility to which the injured player is being transported should be immediately informed of the injured player's status. Necessary personnel and equipment should be available in the facility or physicians, on call, could be notified of the emergency.
 5. Transportation. Ambulance, emergency vehicle, first-aid vehicle or rescue vehicle, with appropriate equipment and personnel may be parked at the field or game site. If this procedure is not feasible, prior arrangements should be made to have equipment on call

- when an emergency develops. Again, an available, non-pay telephone with an outside line should be immediately available.
6. Communities without physicians, medical clinics, or hospital service should complete arrangements with medical personnel and hospital facilities in the nearest community where such services are available.
 - b. The plan of action specified above should be carefully covered, in advance, with responsibilities of all concerned – trainer, coach, vehicle personnel, school administrators, local police, deputies, or constables – defined. When an emergency does occur, everyone involved can function as an informed, effective team.
 - c. Local plans of action to meet emergency situations will vary depending on availability of medical personnel and facilities, the location of the playing field or site and communications. In all cases, the emergency situation plan is best developed through cooperative action of local school personnel, participating professional medical staff and allied groups.

ATTENTION: Principals, Athletic Directors, All Coaches and Officials

RE: **Recommended Precautions Against The Transmission of Blood-Borne Pathogens**

All member schools must provide all coaches with the contents of the NJSIAA Infectious Disease Policy.

The Infectious Disease Policy provides that:

If an individual gets someone else's blood on his/her skin, protective gloves should be worn to wipe the blood off with a disposable towel using soap and water.

Note: If any blood gets on an opponent's uniform during competition or a teammate's uniform during practice, it is not necessary to clean the uniform at that point unless the opponent or teammate has an open cut or unskinned area, or the blood is on a part of the uniform which might come in contact with mucous membranes. If the student-athlete does have an open cut or unskinned area or believes the blood might come in contact with mucous membranes, then the uniform should be wiped with soap and water.

ALCOHOLIC BEVERAGES/ILLEGAL SUBSTANCES

Players and coaches involved with alcoholic beverages and/or illegal substances before, during or after the game, at the game site or on school property, including chartered busses, shall be suspended from NJSIAA tournament play for one year and be denied any championship rights.

This action was taken in support of the fact that such actions concerning alcoholic beverages and illegal substances are in violation of New Jersey State statutes and will be strictly enforced.
