SITES

Sites for the first and second round games will be at the higher seeded school's arena and they must obtain ice time for these games played prior to the State Group quarterfinals. Should the higher seeded team be unable to engage an arena, the visiting team will become the home team and assume all corresponding responsibilities. Sites for all games starting with State Group quarterfinals will be arranged by the NJSIAA.

STARTING TIME - Games may not start later than 8:00 PM unless approved by the NJSIAA.

WARM UP TIME – Ten (10) minutes on time clock for all state tournament games. The home team must notify the visiting team, at least one day in advance, when they are allowed on the ice prior to the start of the game.

OFFICIALS

All officials for all games will be assigned by the NJSIAA and registered with the Association. For games prior to the State Group quarterfinals, each official will receive the area agreed upon fee and will be paid by the host school. Two Goal Judges @ \$45.00 will be assigned starting with the State Group Semifinals in addition to two (2) Penalty Box Officials @ \$45.00. Fees for the State Group quarterfinals (\$85.00), the State Group semifinals (\$90.00), and the State Championship game (\$95.00) will be paid by NJSIAA.

RULES: All NJSIAA tournament games will be conducted under the 2010/2011 National Federation Ice Hockey Rules with NJSIAA modifications. The ten (10) goal rule will be in effect for all games; *i.e.* National Federation Ice Hockey Rules, Rule 6. Section 37: Note: During the regular season and the NJSIAA tournament, a game will be terminated after two (2) periods or during the third (3rd) period when a team leads the opposing team by ten (10) or more goals (page 47).

TIE-BREAKER

In case of a tie score at the end of the third (3rd) period, the tie-breaker, as outlined in the National Federation Ice Hockey Rules, Rule 6, Section 38, will be in effect. The penalty shot procedure of Rule 4, Section 7 will be in effect as applicable. For all games up to and including the State Group Championship game, if no score is made in those **fifteen (15) minutes sudden death**, the team to advance will be decided by the following penalty shot procedure:

- a. Each coach will present a list of ten (10) players to the official and the attempts will be taken in the order listed. The team making the first attempt will be decided by a coin toss.
- b. The first five (5) players listed for each team will alternate attempts and that team scoring the most goals will advance. If the score remains tied:
- c. The last five (5) players listed for each team will attempt sudden-death penalty shots on a paired basis. This procedure will continue until the tie is broken. If necessary, the original list of ten (10) players will again begin taking penalty shots until the tie is broken.

NOTE: In case of a tie score at the end of the third (3rd) period of the final state tournament game, one (1) fifteen (15) minute sudden-death overtime period will be played. If a tie score remains at the end of the overtime period, the teams will be declared Co-Champions.

DISQUALIFICATION (Ineligible Player)

Participation by an ineligible player in any game during the regular season results in forfeiture of that game. If such forfeit(s) would have caused the school's failure to qualify for the tournament (Championship) or if an ineligible player participates in a tournament game, said school will be disqualified from the tournament (Championship) immediately and their last opponent will advance in their place; schools eliminated prior to the last opponent will not re-enter tournament (Championship) competition.

PROTESTS: Protests based upon an official's judgment, or misinterpretation, or misapplication of the playing rules will not be honored as per NJSIAA Bylaws, Article VII, Section 1.

ATHLETIC EMERGENCY PROCEDURE

Each school participating in the tournament will provide for the care and treatment of their athletes within the school's policy as in effect during the regular season. When games are scheduled at predetermined sites, schools should not assume that the home school trainer will be available, and should therefore, prepare for the care of their athletes. NJSIAA may assign athletic trainers for state final events to assist with emergency situations.

The athletic emergency procedure of the host school will be in effect during the tournament which should include the establishment of a line of communication for emergent situations.

ATTENTION: Principals, Athletic Directors, All Coaches and Officials

RE: Recommended Precautions Against The Transmission of Blood-Borne Pathogens

All member schools must provide all coaches with the contents of the NJSIAA Infectious Disease Policy.

The Infectious Disease Policy provides that:

If an individual gets someone else's blood on his/her skin, protective gloves should be worn to wipe the blood off with a disposable towel using soap and water.

Note: If any blood gets on an opponent's uniform during competition or a teammate's uniform during practice, it is not necessary to clean the uniform at that point unless the opponent or teammate has an open cut or unskinned area, or the blood is on a part of the uniform which might come in contact with mucous membranes. If the student-athlete does have an open cut or unskinned area or believes the blood might come in contact with mucous membranes, then the uniform should be wiped with soap and water.

ALCOHOLIC BEVERAGES/ILLEGAL SUBSTANCES

Players and coaches involved with alcoholic beverages and/or illegal substances before, during or after the game, at the game site or on school property, including chartered busses, shall be suspended from NJSIAA tournament play for one year and be denied any championship rights.

This action was taken in support of the fact that such actions concerning alcoholic beverages and illegal substances are in violation of New Jersey State statutes and will be strictly enforced.

Bands/Banners/Noisemakers/Camcorders

The Committee approved the inclusion of the following in the tournament regulations:

1. Videotaping - Rules and Regulations - Rule 2 Section 15 Video Taping and Filming. Electronic Communication equipment, including but not limited to computer, film, television and video tape, may not be used for coaching purposes during the game or between periods. This equipment must be hand held (no tripods) at seat location - failure to comply will result in equipment being removed from the premises.
2. Because of the indoor crowded conditions, no bands or instruments will be admitted and all mechanical noise-making devices shall be excluded from the arenas. PLEASE NOTIFY YOUR STUDENT BODY OF THIS REGULATION. Bands are permitted for any games played at the Prudential Center.
3. Under no conditions will signs, banners, or posters be permitted to be hung in any manner in the arenas during the course of the NJSIAA Tournament games except those of a permanent, wholesome nature. Game Site Managers will be instructed to rigidly enforce this regulation.

SALES/SOLICITATIONS

Only NJSIAA promotional items will be sold at NJSIAA sponsored events. For the 2010/2011 seasons, TEAM IP is the designated vendor.

Solicitations, sale of publications or products, or similar activities are NOT permitted without prior authorization from the NJSIAA.

The New Jersey State Interscholastic Athletic Association is the sponsoring association for all levels of State Tournament/Championships. The NJSIAA reserves all rights in regard to the management of these Tournaments/Championships and the sale of any item and any audio-visual reproductions. Any sale or distribution of clothing, souvenirs or any other items is strictly forbidden without the permission of the NJSIAA.

TRANSPORTATION/SUPERVISION

1. PARTICIPATING SCHOOLS ARE RESPONSIBLE FOR SUPERVISING ALL GAMES. The Supreme Court of New Jersey has ruled that a member school is responsible for the conduct of their spectators. Each school must provide at least five (5) crowd control supervisors who must report to the site manager prior to the game and who will be paid by the participating schools. These crowd control supervisors will be granted free admission to the site.
2. EACH SCHOOL WILL PAY THEIR TRANSPORTATION EXPENSES FOR ALL GAMES.

WITHDRAWING FROM TOURNAMENT

Any member school and/or student-athlete withdrawing from competition after having officially entered an NJSIAA tournament in any sport will be disqualified from all remaining NJSIAA tournament competition in that sport in that season and barred from participating in NJSIAA tournament competition in that sport during the next school year unless truly extraordinary circumstances were present. (Rules and Regulations, Rule 2, Section 17)
