If such forfeit(s) would have caused the school's failure to qualify for the tournament or if an ineligible player participates in a tournament game, said school will be disqualified from the tournament immediately and their last opponent will advance in their place; schools eliminated prior to the last opponent will not re-enter tournament competition.

PROTESTS

Protests based upon an official's judgment, or misinterpretation or misapplication of the playing rules will not be honored as per NJSIAA Bylaws, Article VII, Section 1.

ALCOHOLIC BEVERAGES/ILLEGAL SUBSTANCES

Players and coaches involved with alcoholic beverages and/or illegal substances before, during or after the game, at the game site or on school property, including chartered busses, shall be suspended from NJSIAA tournament play for one (1) year and be denied any championship rights.

This action was taken in support of the fact that such actions concerning alcoholic beverages and illegal substances are in violation of New Jersey State statutes and will be strictly enforced.

ATHLETIC EMERGENCY PROCEDURE

Each school participating in the tournament will provide for the care and treatment of their athletes within the school's policy as in effect during the regular season. The athletic emergency procedure of the host school will be in effect during the tournament which should include the establishment of a line of communication for emergent situations.

When games are scheduled at pre-determined sites, the Site Director may require that his/her medical personnel be in attendance. Competing schools will share the cost of providing this coverage.

Some sources of assistance that may be utilized when physicians are not available are certified athletic trainers, emergency medical technicians usually on emergency vehicles, ambulance vehicle with trained personnel, rescue vehicle with trained first-aid personnel and, in some areas, National Guard or Army Reserve Medical personnel assigned to ambulance duty. Schools may also have other school personnel qualified in first-aid, who may be available for duty during activities.

- a. Recommended procedures that may be followed in successful emergency care are:
 1. Immediate, on the spot first-aid by and individual with adequate training.
 2. Communication System. An available, non-pay telephone with an outside line to contact a physician or ambulance service. Arrangements should be made in advance to insure availability
 3. Emergency care facility. Arrangements should be made, in advance, with staff personnel of local hospital or clinic to notify, in case of emergency, that emergency service is necessary.
 4. Notification. The facility to which the injured player is being transported should be immediately informed of the injured player's status. Necessary personnel and equipment should be available in the facility or physicians, on call, could be notified of the emergency.
 5. Transportation. Ambulance, emergency vehicle, first-aid vehicle or rescue vehicle, with appropriate equipment and personnel may be parked at the field or game site. If this procedure is not feasible, prior arrangements should be made to have equipment on call when an emergency develops. Again, an available, non-pay telephone with an outside line should be immediately available.
 6. Communities without physicians, medical clinics, or hospital service should complete arrangements with medical personnel and hospital facilities in the nearest community where such services are available.
- b. The plan of action specified above should be carefully covered, in advance, with responsibilities of all concerned – trainer, coach, vehicle personnel, school administrators, local police, deputies, or constables – defined. When an emergency does occur, everyone involved can function as an informed, effective team.
- c. Local plans of action to meet emergency situations will vary depending on availability of medical personnel and facilities, the location of the playing field or site and communications. In all cases, the emergency situation plan is best developed through cooperative action of local school personnel, participating professional medical staff and allied groups.

ATTENTION: Principals, Athletic Directors, All Coaches and Officials

RE: Recommended Precautions Against The Transmission of Blood-Borne Pathogens

All member schools must provide all coaches with the contents of the NJSIAA Infectious Disease Policy.

The Infectious Disease Policy provides that:

If an individual gets someone else's blood on his/her skin, protective gloves should be worn to wipe the blood off with a disposable towel using soap and water .

Note: If any blood gets on an opponent's uniform during competition or a teammate's uniform during practice, it is not necessary to clean the uniform at that point unless the opponent or teammate has an open cut or unskinned area, or the blood is on a part of the uniform which might come in contact with mucous membranes. If the student-athlete does have an open cut or unskinned area or believes the blood might come in contact with mucous membranes, then the uniform should be wiped with soap and water.

2. Prior to the overtime there shall be a 5 minute intermission
3. During the intermission the officials shall meet with the Captains for a coin toss
4. The visiting team captain calls the coin toss and the winner chooses direction or possession to begin the Tie-breaker. 5. Teams shall consist of 6 field players and a goalkeeper. A team may choose to play with less than 6 field players, but must have a goal keeper .
6. A player disqualified during the regulation game may not play in the Tie-breaker
7. A player still serving a suspension at the end of the regulation period may not play in the Tie-breaker until the suspension period is completed.
8. Once the overtime has started, any disqualification or suspension shall result in the team playing short and shall carry over from one overtime period to the next.
9. Time out shall be permitted if a team has not previously used their time-outs during the regulation game.
10. On penalty corners the defending team is permitted to have only (4) four players behind the goal line (a goalkeeper and 3 field players).
11. If a tie still exists after the first 10-minute overtime period, there shall be a 3-minute intermission during which players may confer with their coaches.
12. If a tie still exists after the second 10-minute overtime period, there shall be a 3-minute intermission during which players may confer with their coaches. A penalty stroke competition shall then be used to break the tie.

Penalty Stroke Tie-breaker

The Officials shall determine which goal will be used for the Penalty Strokes.

1. The coaches shall have a maximum of (2) two minutes to submit a lineup for penalty strokes. Each coach shall submit a list of **(5) five** players in the order they are to take their strokes.
2. Any player listed on the roster is eligible as long as they were not disqualified during the regulation game or the reduced player overtime. A suspended player in the second overtime who has not completed the suspension may participate in the Penalty Stroke procedure.
3. During the 3-minute intermission the officials shall meet with the Captains to conduct a coin toss.
4. The Home team calls the toss. The winner chooses to attack or defend in the first set of penalty strokes. A set consists of 10 strokes being taken (5 by each team).
5. For subsequent sets of penalty strokes required to break the tie, the **choice** to attack or defend shall be alternated between the teams.
6. The official shall address the goal keeper first and the stroker second.
7. Both teams shall take 5 penalty strokes alternately against the opponent's goalkeeper in the order they are listed.
8. The team scoring the highest number of goals shall be the winner. Once the stroke procedure is decisive, the game shall be complete and no more strokes need be taken.
9. **If the tie is still not broken, the first series of sudden victory penalty strokes shall be taken by the same players unless the coach wishes to substitute a player(s). The order may be changed.**
10. **The first team to score more goals than its opponent after an equal number of strokes shall be declared the winner.**

11. **If the sudden victory procedure continues after the second set of penalty strokes, the same players (unless substituted) shall be the stokers in the third set. The order may be changed. If a fourth set is required, the same (5) five players on each list shall be the stokers (unless substituted). Again the order may be changed.**
12. The sudden victory procedure shall continue in series of five penalty strokes taken alternately by each team (using the same players, unless substituted) until the tie is broken. The first team scoring more goals than its opponent shall be declared the winner.
13. Substitution of the goalkeeper may take place at any time during the reduced player overtime as provided for in the substitution procedures. Substitution of the goalkeeper during the penalty stroke procedure may take place at the conclusion of any set of five strokes by each team.
14. **Substitution of stokers during the sudden victory penalty strokes may take place at the conclusion of any set of five strokes by each team.**

Question: Do the coaches have to submit their list of 5 stokers and the order they want them to stroke prior to each set of 5 strokes? **Answer is YES. Prior to each series a list of 5 players in preferred order shall be given to the officials.**

Question: Once the list is given to the officials and that series of strokes has begun, can a coach sub a stoker? **NO**

Question: If at the end of the first complete set of penalty strokes, the tie has not been broken, is the next set of penalty strokes, sudden victory? **Answer is Yes, sudden victory sets will continue until the tie is broken.**

If an overtime game goes into penalty strokes, a total of one goal is awarded the winner of the set, rather than the total number of goals scored in the set.

IN THE FINAL GAME OF THE “**TOURNAMENT OF CHAMPIONS**” ONLY, IF THE REGULATION GAME ENDS IN A TIE, ONE TEN (10) MINUTE “SUDDEN VICTORY” OVERTIME PERIOD SHALL BE PLAYED. IF A TIE STILL EXISTS, AN ADDITIONAL TEN (10) MINUTE “SUDDEN VICTORY” OVERTIME PERIOD SHALL BE PLAYED. IF A TIE STILL EXISTS, A CO-CHAMPIONSHIP WILL BE DECLARED.
