

2012 NJSIAA / SHOP RITE BOYS AND GIRLS BASKETBALL TOURNAMENT REGULATIONS

DATES – Feb. 27 - March 20

(COACHES MUST HAVE A COPY OF THESE INSTRUCTIONS AVAILABLE AT EACH GAME)

GENERAL INFORMATION

The 94th annual Boys Basketball Tournament and the 42nd annual Girls Basketball Tournament of The New Jersey State Interscholastic Athletic Association will begin on Monday, February 27, 2012 and will continue through Monday or Tuesday, March 19 or 20, 2012.

Since this schedule has been noticed to the membership, the Basketball Committee must have complete freedom on the above dates from all schools entered in the tournament. There can be no exceptions made for end-of-season Conference or County playoffs or tournaments, school plays, dances, or any other school function. It is also possible that, depending on the availability of gymnasiums, and other factors, tournament games will be scheduled for afternoons.

NEW PROCEDURE FOR ENTRY

All varsity schedules and rosters **MUST** be entered by the start of the season, and scores reported to www.njschoolsports.com as soon as possible after each contest. The Seeding Committee will use these results to seed the tournament. Your team records will be drawn from this website **THE DAY AFTER THE CUTOFF DATE**.

Teams may be seeded into the tournament having less than a .500 record as determined by the seeding committee. Teams not wishing to enter the basketball tournament must notify NJSIAA by February 4, 2012 using the **TOURNAMENT REFUSAL FORM**. All teams are in the tournament if selected by the seeding committee unless a Tournament Refusal Form is received by February 4, 2012. Coaches are reminded to check this record throughout the season and particularly on Saturday, February 4th to insure that it is accurate. If you do not know your school code, or you encounter problems, please contact support@njschoolsports.com or the NJSIAA.

TO QUALIFY

Teams must be competing on a varsity interscholastic basis and must have:

1. at least a **50% WINNING RECORD**, regardless of the strength of their schedule in all games up to and including Saturday, February 4, 2012. Whenever ties are broken, the win or loss must be included on the entry form.
2. Seventy percent (70%) of games played before the cutoff date (Feb. 4th) must be against New Jersey Schools.
3. Any player with two (2) or more disqualifications in the current season, prior to the start of the NJSIAA tournament, will **be unable to compete in said tournament**.
4. Any varsity team accumulating three (3) or more player or coach disqualifications for flagrant unsportsmanlike conduct prior to the start of the NJSIAA will not be permitted to participate in same. Seeded teams will forfeit their right to compete if a disqualification limit is reached prior to the start of the tournament for the team.

To promote fairness in competition and the health and safety of student athletes, no NJSIAA member school will be eligible to participate in any NJSIAA Championship Tournament if it has violated the Specific Sports Regulations for the sport including, but not limited to, the start of practice, the start and ending of the sport season and the maximum contests permitted during the regular season. The application of this eligibility standard is non-appealable.

SPECIFIC SPORTS REGULATIONS (found in the *New Jersey State Interscholastic Athletic Association Handbook 2011-2012 Constitution, Bylaws, and Rules & Regulations*)

Thereafter, until the start of the State Tournament, schools are limited to the maximum number of games as provided for in Section 7. This does not include games or scrimmages during the State Tournament. (While a school is competing in the State Tournament, it may schedule one (1) scrimmage during any week in which it has only one (1) or two (2) games, and two (2) scrimmages during any week in which there are no games. These scrimmages will not count in the total number of allowable scrimmages.

Section 7. Games per week. Not more than a total of three (3) basketball games may be played per week beginning with the week of the Start of the Regular Schedule (Rule 2, Section 8), to the start of the State Tournament (this includes interschool scrimmages, regular games, postponed games, and tournament games), but games may not be played on three (3) consecutive days. CL 1 Teams using options (1) or (2) may exceed the 26 game total provided their regular schedule is limited to either of the options, i.e., 20 in (1) or 22 in (2). Option 3 must be used by teams not playing in any tournaments or playing in more than two tournaments. Option 3 may be used by teams who are eliminated in the end of year tournaments, i.e., County – Conference – League – and wish to schedule games to get to a twenty-six maximum total.

DATES AND SITES

Each member school has submitted the times on the designated dates when their gymnasium will be used for a tournament game and this commitment on the part of the school will be considered binding by the NJSIAA. The Sectional Assignor will schedule all games up to and including the Sectional SemiFinals. Schools must be prepared in the event both the boys' and girls' teams are entered in the tournament to play their games at different sites on the same designated date because of their respective placement in seeding up to, but not including, the Semifinal games.

The following procedure will be used for the scheduling of all tournament games:

- a. In all games scheduled including the Sectional Finals, the home gymnasium of the higher-seeded school will normally be the site of the tournament contest. However, the NJSIAA reserves the right to change the site when the home facility is deemed inappropriate for the anticipated crowd. An application by a member school for acceptance into the State Basketball Tournament shall include a commitment for the use of that school's gymnasium (if deemed suitable by the NJSIAA Executive Director for tournament games) on the dates indicated on the NJSIAA "Gym Availability Form/Dates for Home Games" Form. (Submitted by January 6, 2012)
- b. In those instances where a gymnasium is considered to be unsuitable for a tournament game, the higher-seeded school must have secured a substitute site so noted on the "Gym Availability Form/Dates for Home Games" Form, or, if for any reason approval is not granted to use the substitute site requested, the game shall then be played at the home gymnasium of the opposing school.
- c. Predetermined designated sites as determined by the Executive Director will be used for all games beginning with the Semi Final contests and the decision in the selection of these sites shall not be subject to appeal. Previous play by either team does not eliminate a given site. In the event a site cannot be found, the Semi Final will be played at the home site of the higher seeded team.

BASKETBALL SEEDING PROCEDURE FOR STATE SEMIFINAL GAMES

The following criteria will be used to determine the home site for State Semifinal games when a neutral, pre-determined site is not available.

1. The team with the higher seed in the sectional tournament will be designated as the home team.
2. The following tie-breaking procedures will be used when schools have the same seed in the Sectional Tournament:
 - a. Winning percentage
 - b. Record vs each other
 - c. Record vs common opponent(s)
 - d. Strength of schedule based on wins only:
 - 4 pts - Group IV
 - 3 pts - Group III
 - 2 pts - Group II
 - 1 pts - Group I

NOTE: Non-Public, Independent, Private and Out-of-State School must be classified according to their pupil population in the 10th, 11th and 12th grades and placed in the Group consistent with the Public School Classification in their respective Section. It is the responsibility of the entering schools to determine classification of their opponents; all blanks or improper designations in Group column will be declared Group I. When these opponents fall between the ranges for the Groups, they will be placed in that Group which reflects the lesser disparity from the highest to the lowest pupil population.

- e. Toss a coin
- f. If a team entry is not appropriately faxed and mailed, that team will be seeded according to their record, however they will forfeit the ability to host a game even if they are the higher seeded team.

POSTPONEMENTS

Up to and including the Sectional Finals, the host school will handle all details for postponement; however, all schools must assist in keeping the media informed. The Central Office will handle all details relative to postponements for the State Semifinals, State Final games and the Tournament of Champions (all sessions). **If a postponement becomes necessary, schools must be prepared to play games on consecutive days.**

PRACTICE SESSIONS

The NJSIAA prohibits schools competing in the tournament at a predetermined designated site, from any practice session(s) at said gymnasium after official notification of the game has been sent to those competing schools, or a notice of the game appears in any newspaper. **SCHOOLS THAT DO NOT ABIDE WITH THIS REGULATION MAY BE WITHDRAWN FROM THE TOURNAMENT.**

RULES

The 2011/12 National Federation Basketball Rules will govern all tournament games. (State Association adoptions withstanding).

OFFICIALS

The following will be the procedure for the assignment of officials to the 2012 Boys and Girls Basketball Tournament games:

- a. All schools will be given an opportunity to submit to the NJSIAA Central Office a limited list of officials whom they would prefer **NOT** to have assigned to their games. Those schools who did not submit a Preferred Officials Form by September 15th, will not be permitted to list non-preferred officials.
- b. All assignments will be handled by the NJSIAA Sectional Assignors up to and including the Sectional Semifinal games. Phone calls indicating official's assignments will be made.
- c. The Executive Director or his designee will assign officials to the Sectional Finals, State Semifinals, State Finals, and the Tournament of Champions games. The Executive Director desires to satisfy all schools in the selection of officials, but where there is a difference of opinion between the Executive Director and a member school, the Executive Director reserves the right to name the officials. All officials for State Semifinal, State Final, and the Tournament of Champions games will normally be selected from areas other than those in which the competing schools are located, *i.e.*, Union County resident official would not officiate a game involving a Union County school (except as required under Title VI of the NJ Administrative Code).

COACHES BENCH CONDUCT

Any overt act by a coach, player, or squad member during the tournament will be met by the Executive Committee with prompt and severe disciplinary action. All officials assigned to tournament games, as well as the respective game site managers, have been directed to immediately notify this office of such violation.

"By state association adoption, the head coach may be off the bench in front of his or her seat within the confines of the designated coaches' box to give instructions to his or her players and/or substitutes.

HANDSHAKE (FOR ALL TOURNAMENT GAMES)

1. NJSIAA HAS DETERMINED THAT THE SPORTSMANSHIP HANDSHAKE MUST TAKE PLACE PRIOR TO PRE-GAME PLAYER INTRODUCTIONS FOR ALL ROUNDS OF THE TOURNAMENT. THERE IS NO EXCEPTIONS.

2. When awards are presented, **all team members and coaches** will remain on the court, in the bench area, until the award presentations have concluded.
3. Following the awards ceremony, teams will return to their respective locker rooms immediately

UNIFORMS

In order to avoid confusion, each participating school should have two (2) sets of jerseys. One (1) set should be white, and the other a darker color. Both sets should be taken to each game.

The higher-seeded schools will be the home team for all games up to and including Sectional Finals. At predetermined sites (Public State Semifinals and Public and Non-Public Group Finals) where there is no higher seed team due to the mixing of brackets, NJSIAA tournament director will determine the home teams and those teams will wear the white home uniforms. For the T of C games, uniform colors will be determined by the seeding committee's selections.

TEE SHIRTS WORN DURING WARM-UP, MUST BE SCHOOL ISSUE. HEADBANDS, IF WORN, MUST BE WHITE OR SOLID COLOR SIMILAR TO THE UNIFORM TORSO.

TYPE OF BALL

The molded type of leather or composition covered basketball tanned in approved orange shade or natural tan shall be used for all tournament games and will be provided by the Site Manager. **Wilson "Wave" Ball will be used in the Boys and Girls Tournament, commencing with the Group Finals.**

OPERATING EXPENSES

In all games played including Sectional final contests, the HIGHER-SEEDED SCHOOL SHALL, IN ADDITION TO PROVIDING THE GAME SITE FACILITY, UNDERWRITE THE COST OF ANY RENTAL FEE AND CUSTODIAL SERVICES NORMALLY PROVIDED FOR THEIR HOME GAMES. **OFFICIALS WILL BE ASSIGNED FOR ALL TOURNAMENT GAMES. The first round games (Pub. Feb 28 & March 1; Non-Pub. March 1 & 2) will be the responsibility of the higher seeded team. Officials will be assigned, however the home school will provide tickets, gate personnel, police services, security, etc. The home team will keep all profits after expenses have been paid. Additional instructions will be sent to the host school athletic director.**

For subsequent games, all officials, ticket sellers, gate personnel, announcers, site managers, police services, and the like will be underwritten by the NJSIAA and shall be properly listed on a Game Operations Report Form. School security is the responsibility of both competing schools as per regulation for entering the tournament. **Site Managers will be instructed not to pay for school employees acting as security for their students**, as listed on the Security/Crowd Control Responsibility of Competing Schools form.

ELIGIBILITY

No school will be allowed to compete in the Tournament unless a roster of eligible players has been submitted to the Executive Director, listing NO MORE THAN SIXTEEN (16) MEMBERS OF THE SQUAD. Rosters are submitted using the form on the NJSIAA website.

Please check the eligibility of all the members of your basketball squad carefully, as to age, scholastic, and other requirements. Teams and individuals must be eligible under all rules of the NJSIAA. Please consult the HANDBOOK in this matter of eligibility.

The Executive Committee reserves the right to reject the entry of any player or team that may be considered ineligible.

IMPORTANT - IT IS RECOMMENDED THAT THE MEMBERS OF YOUR SQUAD BE EXAMINED BY A PHYSICIAN BEFORE THE FIRST TOURNAMENT GAME.

DISQUALIFICATION

Participation by an ineligible player in any game during the regular season results in forfeiture of same game. If such forfeit(s) would have caused the school's failure to qualify for the tournament or if an ineligible player participates in a tournament game, said school will be disqualified from the tournament immediately and their last opponent will advance in their place. Schools eliminated prior to the last opponent will not re-enter tournament competition.

Teams not eligible at the cut-off will not be permitted to enter the tournament if a school is disqualified after the seeding becomes official at noon on the day following the seeding. Adjustments to brackets will not be made; A bye will be inserted in the vacant position.

PROTESTS

PROTESTS BASED UPON AN OFFICIAL'S JUDGEMENT, OR MISINTERPRETATION OR MISAPPLICATION OF THE PLAYING RULES WILL NOT BE HONORED AS PER NJSIAA BYLAWS, ARTICLE VII, SECTION 1.

ATHLETIC EMERGENCY PROCEDURE

Each school participating in the tournament will provide for the care and treatment of their athletes within the school's policy as in effect during the regular season. When games are scheduled at predetermined sites, schools should not assume that the home school trainer will be available, and should therefore, prepare for the care of their athletes. NJSIAA may assign athletic trainers for state final events to assist with emergency situations.

ATTENTION: Principals, Athletic Directors, All Coaches and Officials

RE: Recommended Precautions Against The Transmission of Blood-Borne Pathogens

All member schools must provide all coaches with the contents of the NJSIAA Infectious Disease Policy.

The Infectious Disease Policy provides that:

If an individual gets someone else's blood on his/her skin, protective gloves should be worn to wipe the blood off with a disposable towel using soap and water.

Note: If any blood gets on an opponent's uniform during competition or a teammate's uniform during practice, it is not necessary to clean the uniform at that point unless the opponent or teammate has an open cut or unskinned area, or the blood is on a part of the uniform which might come in contact with mucous membranes. If the student-athlete does have an open cut or unskinned area or believes the blood might come in contact with mucous membranes, then the uniform should be wiped with soap and water.

ALCOHOLIC BEVERAGES/ILLEGAL SUBSTANCES

Players and coaches involved with alcoholic beverages and/or illegal substances before, during or after the game, at the game site or on school property, including chartered busses, shall be suspended from NJSIAA tournament play for one year and be denied any championship rights.

This action was taken in support of the fact that such actions concerning alcoholic beverages and illegal substances are in violation of New Jersey State statutes and will be strictly enforced.

SALES/SOLICITATIONS

Only NJSIAA promotional items will be sold at NJSIAA sponsored events. For the 2011/12 season, Team IP is the designated vendor.

Solicitations, sale of publications/products, or similar activities are NOT permitted without prior authorization from NJSIAA.

The Executive Committee reserves the right at any time to withdraw the right to compete in the preliminaries, or finals, if an individual or team is guilty of misconduct or unsporting conduct while the guest of the NJSIAA.

Schools **will not be permitted** to enter the tournament, even though the teams qualify if the SECURITY/CROWD CONTROL RESPONSIBILITY OF COMPETING SCHOOLS FORM IS NOT SIGNED AND FILED IN THE CENTRAL OFFICE BY THE DATE INDICATED ON THE FORM.

All schools entered in the annual basketball tournament will be completely responsible for the conduct of their coaching staffs, players, cheerleaders (maximum of eighteen {18} plus one {1} mascot), students, and spectators. SIGNS, BANNERS, BALLOONS AND POSTERS

Under no conditions will signs, banners, balloons, or posters be permitted to be hung in any manner in gymnasiums or arenas during the course of the basketball tournament. Hand-held signs and thunder sticks interfere with others viewing the game, and are therefore prohibited. Game Site Managers will be instructed to rigidly enforce this regulation.

STUDENT AND ADULT TICKETS

Student tickets for all Preliminary and Sectional Final round games will normally be sold at the site of each game, unless otherwise directed by the Executive Director. **When the game is played in the home gymnasium of one of the competing schools, upon request, the site manager must make available to the visiting school the allotment of tickets requested, not to exceed forty (40) percent of the seating capacity of said gymnasium. If this procedure is followed, the visiting school must return all the unsold tickets and the cash or check for the tickets sold to the site manager by such time as stipulated by him/her prior to the game to assure the facility will not be oversold and that monies will be available to pay the employees involved in the operation.**

Student tickets for the State Semifinals (see bold print above), State Finals, and the Tournament of Champions (quarterfinals and semifinals) may not be sold at the game site, but only in advance at the competing schools. Each member school has previously submitted (at the completion of last year's tournament) to the NJSIAA Central Office the names of qualified officials in their area to be considered for tournament assignments. These officials will not necessarily be assigned your contest.

There may be official's names submitted for consideration whom you DO NOT wish to have assigned to your games; therefore, we request that you list below no more than three (3) officials you DO NOT wish assigned.

NOTE: LISTING MORE THAN THREE (3) OFFICIALS WILL VOID THE ENTIRE LIST AND THE LIST WILL BE RETURNED TO THE SCHOOLS. RETURNED LIST CANNOT BE RESUBMITTED.
