2012 NJSIAA/BOLLINGER BOYS AND GIRLS FENCING CHAMPIONSHIPS

Coaches must have a copy of these instructions available at all District and State Championships

To Qualify

Teams

Any school sponsoring an interscholastic team will be permitted to enter Districts, provided the provisions of Rule 2, Section 18 of the NJSIAA Constitution and Bylaws are met.

Individuals

Independent fencers from schools which do not compete on an interscholastic basis are eligible to enter provided they can document their fencing experience. All individual fencers must report to the designated site on Sunday, February 5, 2012, for a qualifying competition. See *Qualifying Process of Independent Fencers* for more information.

Coaches

Only one (1) Board-approved coach for each squad (i.e. boys or girls) will be credentialed.

Advisory

*Schools not presently competing on an interscholastic basis, but entering individuals, are advised to read carefully the Procedures – “Coaches” Appointed to Accompany Teams or Individuals to NJSIAA Championships in the NJSIAA Handbook. Tournament Directors will disqualify any contestant who is accompanied by someone in a coaching capacity who is not properly certified and appointed by the Board of Education. A properly appointed coach will thereafter be subject to the Rules and Regulation -- Rule 2, Section 11 – Out-of-Season Practice. If a substitute coach is used, written authority from the school’s Principal **must** be presented.*

General NJSIAA Rules

Rules

The United States Fencing Association (USFA) Rules, with NJSIAA modifications, shall govern all NJSIAA meets and tournaments.

Start of Practice

Monday after Thanksgiving

Start of the Regular Competitive Season

Friday before the third Saturday of December

End of Season (from Rule 2, Section 10)

All teams may participate in interscholastic contests until the final championship in their respective sports. Individual competition shall terminate with the end of said competition.

Disqualification

Participation by an ineligible participant in any meet during the regular season results in forfeiture of those points achieved by the individual participant. If an ineligible participant participates in a tournament, said participant will be disqualified from the tournament immediately and the next finisher will advance in his/her place; schools eliminated prior to the last opponent will not re-enter tournament competition.

NJSIAA Fencing Tournament Regulations

1. A school which arrives after the close of check-in will be disqualified from the competition immediately, unless the Tournament Director has been notified. Fencing will begin within thirty (30) minutes of the close of check-in.
2. All bouts will be fenced with electrical equipment. Each boys team and each girls team **must bring** a complete set of working electrical scoring equipment, including weights, shims, and a stopwatch for each foil and epee squad. It is the responsibility of the team

coach to obtain or borrow said equipment. All equipment must be clearly labeled with the school's name. Any school failing to provide functioning scoring equipment may be disqualified at the Tournament Director's discretion if the circumstances present a delay in conducting the tournament in a smooth and efficient manner.

3. The failure of a foil or epee squad to be able to provide the appropriate weight, shims, and stopwatch will result in a squad yellow card. For the duration of the tournament, any subsequent issuing of a yellow card to an individual fencer will result in a red card against that fencer.
4. Each fencer must have at least two (2) working electrical weapons and two (2) working body cords with him/her at each bout.
5. Fencers should only fence in their pools (e.g. "A" strip, "B" strip, or "C" strip). No credit will be given for bouts fenced on the wrong strip. Fencing on the wrong strip will result in a 0-0 defeat for the offending fencer. Any subsequent violation will result in that squad's elimination from the tournament, and the subsequent loss of any win-loss records for both the squad and its individual members. The bout order will be fenced C-C, B-B, A-A.
6. Any number of substitutes may be used. Substitutions will be permitted at all levels. Substitutions **must** be reported directly on the strip. The substitute shall remain in the reported position until such change has been made. Substitutes and fencers may not change levels (i.e. strips) once they have competed on a given strip, but may re-enter. In the event of a fencer withdrawing because of a certified injury, the line-up may be changed by moving fencers to the next higher strip. This can only be done between relays,
7. All team and individuals entering a tournament must be accompanied by their coaches or certified faculty members from their schools who are directly responsible for them. **Coaches must check-in their fencers and be present for the entire competition.**
8. Team qualifiers to the NJSIAA "Sweet 16" Team Tournament will be the top four (4) overall team finishers from each of the District Qualifying Tournaments. Squad qualifiers to the NJSIAA Squad State Tournament will be the top four (4) squads in each weapon from each of the District Qualifying Tournaments. Individual qualifiers to the NJSIAA State Individual Tournament will be the top five (5) individuals in each of the weapons' individual qualifying rounds which will consist of a round-robin pool of the top five (5) "A" strip fencers, the top three (3) "B" strip fencers, and the top "C" strip fencer in each weapon.
9. The NJSIAA will impose a late fee if an entry form is received after the published due date or is sent to the wrong address.
10. In the NJSIAA "Sweet 16" Team Tournament, all twenty-seven (27) bouts will be fenced.
11. **Only one (1) Board-certified coach for each squad (i.e. boys or girls) will be credentialed.**

IF YOU CANNOT COMPLY – DO NOT ENTER

Timing

1. Each bout will be USFA regulation time.
2. If time expires with a tie score, the tie will be broken according to the USFA priority rule.
 - a. Priority will be assigned randomly
 - b. There will be one (1) additional minute of fencing time
 - c. If no touch is scored during the one (1) minute fencing time, the fencer with the assigned priority will be declared the winner; the score will remain unchanged.

Scoring

The final standings of the regular competition will be computed on a basis of totaling the win-loss records for the tournament, including pool and direct-elimination bouts.

Tie-Breakers

1. Individual Competition
 - a. Ties for first place will be resolved by a "barrage," a fence-off

2012 NJSIAA/BOLLINGER BOYS AND GIRLS FENCING CHAMPIONSHIPS

Page 3 of 18

- b. Ties for other places will be broken on the basis of indicators, following the USFA Rules
 - i. Total touches scored minus touches received
 - ii. Greatest number of touches scored
 2. Team Competition
 - a. Ties will be broken on the basis of indicators following USFA Rules
 - i. Total touches scored minus touches received.
 - ii. Greatest number of touches scored
 3. If there is an exact tie for the fifth individual qualifying position in the Districts (i.e. equal victories, indicators, and touches scored), a barrage will be fenced.

Awards for District and State Championships

1. Squad Awards
 - a. First place – a squad trophy and three (3) gold medals to the District and State Squad Champions
 - b. Second Place – three (3) silver medals in the District and State Championship
 - c. Third Place – three (3) bronze medals in the District and State Championship

Protests

Protests based upon an official's judgment, or misinterpretation, or misapplication of the playing rules will not be honored as per *NJSIAA Bylaws*, Article VII, Section 1.

Withdrawal

Any school or contestant who fails to appear for the State Championship after having qualified in the District championships will be subject to any penalties as enforced by the NJSIAA and barred from participation in the Fencing Championships, at all levels (i.e. the District and State Championships) the following year unless extraordinary circumstances caused such unforeseen withdrawal. A fencer and /or his team who opts to participate in national, regional, or non-NJSIAA competition in conflict with the NJSIAA championships, including postponements, is subject to this penalty.

Officiating

No person who is directly or indirectly associated with a school should act as an official in the same bout in which a participant from the school is competing.

Athletic Emergency procedures

A trainer will be in attendance and an ambulance on-call for all Championships.

1. Each school participating in a tournament will provide for the care and treatment of its athletes within the school's policy as in effect during the regular season. When games are scheduled at pre-determined sites, schools should not assume that the home school trainer will be available, and should therefore, prepare for the care of their athletes. NJSIAA may assign athletic trainers for state final events to assist with emergency situations.
2. The athletic emergency procedure of the host school will be in effect during the tournament which should include the establishment of a line of communication for emergent situations.

NJSIAA Infectious Disease Policy

The infectious Disease Policy provides that if an individual gets someone else's blood on his skin, protective gloves should be worn to wipe the blood off with a disposable towel using soap and water.

Note: If any blood gets on an opponent's uniform during competition or a teammate's uniform during practice, it is not necessary to clean the uniform at that point unless the opponent or teammate has an open cut or un-skinned area, or the blood is on a part of the uniform which might come in contact with mucous membranes. If the student-athlete does have an open cut or un-skinned area or believes the blood might come in contact with mucous membranes, then the uniform should be wiped with soap and water.

NJSIAA Alcoholic Beverages and Illegal Substances Policy

1. Players and coaches involved with alcoholic beverages and/or illegal substances before, during, or after the game, at the game site or on school property, including chartered buses, shall be suspended from NJSIAA tournament play for one year and be denied any championship rights.
2. This action was taken in support of the fact that such actions concerning alcoholic beverages and illegal substances are in violation of New Jersey State statutes. This Alcoholic Beverages and Illegal Substances Policy will be strictly enforced.
