Participation by an ineligible player in any match during the regular season results in forfeiture of all points achieved by the ineligible player and the final results are adjusted accordingly. If such forfeit(s) would have caused the school's failure to qualify for the tournament or if an ineligible player participates in a tournament game said school will be disqualified from the tournament immediately and their last opponent will advance in their place, if applicable and feasible; schools eliminated prior to the last opponent will not re-enter tournament competition.

Disqualification Authority: The Sectional and State Directors have the authority to disqualify a coach/player for conduct unbecoming a student-athlete/coach, but not limited to, the use of profanity, disorderly conduct, and/or flagrant physical or verbal misconduct. RE: Recommended Precautions Against The Transmission of Blood-Borne Pathogens

All member schools must provide all coaches with the contents of the NJSIAA Infectious Disease Policy. The Infectious Disease Policy provides that:

If an individual gets someone else's blood on his/her skin, protective gloves should be worn to wipe the blood off with a disposable towel using soap and water.

Note: If any blood gets on an opponent's uniform during competition or a teammate's uniform during practice, it is not necessary to clean the uniform at that point unless the opponent or teammate has an open cut or unskinned area, or the blood is on a part of the uniform which might come in contact with mucous membranes. If the student-athlete does have an open cut or unskinned area or believes the blood might come in contact with mucous membranes, then the uniform should be wiped with soap and water.

ALCOHOLIC BEVERAGES/ILLEGAL SUBSTANCES

Players and coaches involved with alcoholic beverages and/or illegal substances before, during or after the game, at the game site or on school property, including chartered busses, shall be suspended from NJSIAA tournament play for one year and be denied any championship rights.

Additional Tournament Information:

1. The girls who qualify for the Individual Tournament of Champions will bowl 3 games. **All individual bowlers**

will move to the next assigned pair to the right after each game in this round within a cluster of 6 lanes.

2. At the conclusion of the third game, the top 18 bowlers in the individual championship will advance to an additional round of 3 games which will begin at approximately 2:00 p.m. The top 18 bowlers will be based entirely on the 3 games bowled at 12:30 p.m., with no carryover from the Sectional. Bowlers will move a pair of lanes to the right after each game in this round. Ties for the 18th position will be broken by a two frame roll-off (9th and 10th frame). If a tie still exists after the two frame roll-off, a one frame roll-off(s) will be conducted until the tie is broken.

3. At the conclusion of the three games bowled at approximately 2:00 p.m., the top 5 bowlers will begin a step-ladder final based on the 6 game total bowled earlier in the day. The step-ladder will begin at approximately 3:00 p.m.. All ties for the top five seeded positions will be broken by a complete game roll-off. However, if the 4th and 5th seeded positions are tied, the seed will be awarded to the bowler with the higher 2:00 p.m. series.

4. **Schools will be assigned by the Sectional Tournament Director to a Group within the Section based solely on enrollment. The classifications for bowling will be determined by the actual number of teams entered in the sectional tournament, with the top 25% and any fraction assigned to Group 4, the next 25% and any fraction assigned to Group 3, the next 25% and any fraction assigned to Group 2, and the last 25% assigned to Group 1. The enrollment figures will be taken from the 2011-2012 NJSIAA Group Classifications. PLEASE NOTE THAT SCHOOLS ARE STILL ASSIGNED TO SECTIONS BASED ON THE COUNTY THAT THE SCHOOL IS LOCATED. If two or more schools tie for a Sectional Group Championship, co-champions will be awarded, however, only two schools will advance to the Tournament of Champions. A Baker team game will be conducted to determine the two teams that advance and the school with the highest pin total will be assigned to a lane as the Sectional Group Champion with the second highest pin total assigned as the runner-up. NO MORE THAN TWO SCHOOLS FROM A GROUP WITHIN A SECTION WILL ADVANCE TO THE TOURNAMENT OF CHAMPIONS.**

5. The Group Champions and Runners-up in each Section will compete for State Group Championships and an Overall State Championship at the Team Tournament of Champions. Teams will rotate with a different school within a cluster of six lanes within their respective group in the team Tournament of Champions. If two or more schools tie for a State Group Championship, co-championships will be awarded, however, a single traditional team game will be conducted over ten lanes to determine the school that advances to the Overall State Championship round.

6. The Overall State Champion will be determined by a Baker Competition between the State Group Champions. The Group Champions will be seeded by pin total. The Baker teams will consist of 5 bowlers with Seed 1 vs. Seed 4 and Seed 2 vs. Seed 3 competing in a best 3 of 5 games.
