PROUDLY SUPPORT HIGH SCHOOL HOCKEY
Dear Friends:

We are pleased to extend greetings and best wishes to the athletes, coaches, students, families and supporters gathered for the New Jersey State Interscholastic Athletic Association Winter 2016 Championships.

Involvement in high school sports enhances strength, focus and coordination while building teamwork, character and leadership skills. These lessons will serve student-athletes well throughout their lives, improving performance at school, at home and in the workplace.

All of today’s participants should take great pride in the many accomplishments and hard work that has earned them the opportunity to participate in these championships. We wish all of them the best of luck as they take part in their games.

Best wishes.

Sincerely,

Chris Christie
Governor

Kim Guadagno
Lt. Governor
Mission Statement

The NJSIAA, a private, voluntary Association serves its student-athletes, members schools and related professional organizations by the administration of education-based interscholastic athletics, which support academic achievement, good citizenship and fair and equitable opportunities.

We believe that member schools, along with their leagues and conferences, share these convictions:

- A safe and healthy playing environment is essential to our mission.
- Participation in interscholastic athletics enhances the educational experience of all students.
- Interscholastic athletics is a privilege.
- Excellence in both academics and athletics is pursued by all.
- Interscholastic participation develops good citizenship and healthy lifestyles, fosters involvement of a diverse population and promotes positive school/community relations.
- Rules promote fair play and minimizes risks.
- Cooperation among members advances their individual and collective well-being.
- Training of administrators and coaches promotes the educational mission of the interscholastic experiences.
- Properly trained official/judges enhances interscholastic competition.
- The NJSIAA is the recognized state authority on interscholastic athletic programs.

The NJSIAA is composed of 435 member high schools. It provides more than 265,000 student-athletes opportunities to participate in nearly 3,000 games, workshops, clinics and other NJSIAA-sponsored activities within a given year. The NJSIAA offers more championships for its student-athletes than any other state in the nation:

**For Boys:** Cross-Country, Football, Soccer, Basketball, Bowling, Fencing, Ice Hockey, Swimming, Diving, Indoor Track Relay Championships, Indoor Track Individual Championships, Wrestling, Baseball, Golf, Lacrosse, Outdoor Track Championships, Tennis, and Volleyball.

**For Girls:** Cross-Country, Field Hockey, Gymnastics, Soccer, Tennis, Volleyball, Basketball, Bowling, Fencing, Swimming, Diving, Indoor Track Relay Championships, Indoor Track Individual Championships, Golf, Lacrosse, Softball, and Outdoor Track Championships.

Competitive athletics is nothing more than playing according to a set of rules. Sports are the greatest example on earth of the practical application of the Golden Rule. Your support and encouragement of our high school sports program are earnestly invited.
