TO QUALIFY

Teams
Any school sponsoring an interscholastic team will be permitted to enter Districts, provided the provisions of Rule 2, Section 18 of the NJSIAA Constitution and Bylaws are met.

Individuals
Independent fencers from schools which do not compete on an interscholastic basis are eligible to enter provided they can document their fencing experience. All individual fencers must report to the designated site on Saturday, January 25, 2020, for a qualifying competition. See Qualifying Process of Independent Fencers for more information.

Coaches - Only one (1) Board-approved coach for each squad will be credentialed.

Advisory
Schools not presently competing on an interscholastic basis, but entering individuals, are advised to read carefully the Procedures – “Coaches” Appointed to Accompany Teams or Individuals to NJSIAA Championships in the NJSIAA Handbook. Tournament Directors will disqualify any contestant who is accompanied by someone in a coaching capacity who is not properly certified and appointed by the Board of Education. A properly appointed coach will thereafter be subject to the Rules and Regulation -- Rule 2, Section 11 – Out-of-Season Practice. If a substitute coach is used, written authority from the school’s Principal must be presented.

GENERAL NJSIAA RULES

Rules - The USA Fencing Rules, with NJSIAA modifications, shall govern all NJSIAA meets and tournaments.

Start of Practice - Monday after Thanksgiving (Tryout Period – Monday, Tuesday and Wednesday before Thanksgiving)

Start of the Regular Competitive Season - Thursday before the third Saturday of December (12.19.19)

End of Season (Rule 2, Section 10) - All teams may participate in interscholastic contests until the final championship in their respective sports. Individual competition shall terminate with the end of said competition.

Disqualification - Participation by an ineligible participant in any meet during the regular season results in forfeiture of those points achieved by the individual participant. If an ineligible participant participates in a tournament, said participant will be disqualified from the tournament immediately and the next finisher will advance in his/her place; schools eliminated prior to the last opponent will not re-enter tournament competition.

NJSIAA FENCING TOURNAMENT REGULATIONS

1. A school which arrives after the close of check-in will be disqualified from the competition immediately, unless the Tournament Director has been notified. Fencing will begin within thirty (30) minutes of the close of check-in.
2. All bouts will be fenced with electrical equipment. Each men’s team and each women’s team must bring a complete set of working electrical scoring equipment, including a 50’ extension multiple tap extension cord, weights, shims, and a stopwatch for each foil and epee squad. It is the responsibility of the team coach to obtain or borrow said equipment. All equipment must be clearly labeled with the school’s name. Any school failing to provide functioning scoring equipment may be disqualified at the Tournament Director’s discretion if the circumstances present a delay in conducting the tournament in a smooth and efficient manner.
3. The failure of a foil or epee squad to be able to provide the appropriate weight, shims, and stopwatch will result in a squad yellow card. Any subsequent issuing of a yellow card to an individual fencer will result in a red card against that fencer.
4. Each fencer must have at least two (2) working electrical weapons and two (2) working body cords with him/her at each bout.
5. Fencers should only fence in their pools (e.g. “A” strip, “B” strip, or “C” strip). No credit will be given for bouts fenced on the wrong strip. Fencing on the wrong strip will result in a 0-0 defeat for the offending fencer. Any subsequent violation will result in that squad’s elimination from the tournament, and the subsequent loss of any win-loss records for both the squad and its individual members. The bout order will be fenced C-C, B-B, A-A.

6. Any number of substitutes may be used. Substitutions must be reported directly on the strip. The substitute shall remain in the reported position until such change has been made. Substitutes and fencers may not change levels (i.e. strips) once they have competed on a given strip, but may re-enter on the same strip. In the event of a fencer withdrawing because of a certified injury, the line-up may be changed by moving fencers to the next higher strip. This can only be done between relays.

7. All team and individuals entering a tournament must be accompanied by their coaches or certified faculty members from their schools who are directly responsible for them. Coaches must check-in their fencers and be present for the entire competition.

8. Team qualifiers to the NJSIAA “Sweet 16” Team Tournament will be the top four (4) overall team finishers from each of the District Qualifying Tournaments. Squad qualifiers to the NJSIAA Squad State Tournament will be the top four (4) squads in each weapon from each of the District Qualifying Tournaments. Individual qualifiers to the NJSIAA State Individual Tournament will be the top four (4) individuals in each of the weapons’ individual qualifying rounds which will consist of a round-robin pool of the top five (5) “A” strip fencers, the top three (3) “B” strip fencers, and the top “C” strip fencer in each weapon.

9. The NJSIAA will impose a late fee if an entry form is received after the published due date or is sent to the wrong address.

10. In the NJSIAA “Sweet 16” Team Tournament, all twenty-seven (27) bouts will be fenced.

11. Only one (1) Board-certified coach for each squad will be credentialed.

**IF YOU CANNOT COMPLY – DO NOT ENTER**

**Timing**

1. Each bout will be USA Fencing regulation time.
2. If time expires with a tie score, the tie will be broken according to the USA Fencing priority rule.
   a. Priority will be assigned randomly
   b. There will be one (1) additional minute of fencing time
   c. If no touch is scored during the one (1) minute fencing time, the fencer with the assigned priority will be declared the winner; the score will remain unchanged.

**Scoring**

The final standings of the regular competition will be computed on a basis of totaling the win-loss records for the tournament, including pool and direct-elimination bouts. **ALL DISTRICTS WILL USE THE SAME COMPUTER SCORING PROGRAM. FENCING TIME – for New Jersey High School Fencing.**

**Tie-Breakers**

1. Individual Competition
   a. Ties for first place will be resolved by a “barrage,” a fence-off (1 barrage only)
   b. Ties for other places will be broken on the basis of indicators, following the USA Fencing Rules
      i. Total touches scored minus touches received
      ii. Greatest number of touches scored
      iii. In the case of a complete tie, the placement would be determined by the winner of the head-to-head in the pool bout.

2. Team Competition
   a. Ties will be broken on the basis of indicators following USA Fencing Rules
      i. Total touches scored minus touches received.
      ii. Greatest number of touches scored

3. If there is an exact tie for the fourth (4th) individual qualifying position in the Districts (i.e. equal victories, indicators, and touches scored), a barrage will be fenced.
Awards for District and State Championships

1. Squad Awards
   a. First place – a squad trophy and three (3) gold medals to the District and State Squad Champions
   b. Second Place – three (3) silver medals in the District and State Championship
   c. Third Place – three (3) bronze medals in the District and State Championship

2. Team Awards: First Place – a team trophy for the overall team champion of each gender in the District and State championship and eleven (11) gold medals for the State Championship team and each District Championship team.

3. Individual Awards
   a. A gold medal to the District and State Champion in each weapon
   b. A silver medal to the second place finisher in the District and State Individual Championships in each weapon.
   c. A bronze medal to the third place finisher in the District and State Individual Championships in each weapon.

Withdrawal
Any school or contestant who fails to appear for the State Championship after having qualified in the District championships will be subject to any penalties as enforced by the NJSIAA and barred from participation in the Fencing Championships, at all levels (i.e. the District and State Championships) the following year unless extraordinary circumstances caused such unforeseen withdrawal. A fencer and/or his team who opts to participate in national, regional, or non-NJSIAA competition in conflict with the NJSIAA championships, including postponements, is subject to this penalty.

Officiating
No person who is directly or indirectly associated with a school should act as an official in the same bout in which a participant from the school is competing.

SCHOOLS NOT WILLING OR ABLE TO COMPLY WITH NJSIAA TOURNAMENT REGULATIONS SHOULD NOT ENTER THE TOURNAMENT.
