THERE IS TO BE NO BLOW-UP/AIR COMPRESSOR RUN THROUGH DEVICE FOR ANY TEAM. CHEERLEADERS MAY FORM A RUN-THROUGH LINE. THIS IS A NEUTRAL FIELD. NO HOME FIELD PRE-GAME/POST-GAME RITUALS ALLOWED.

8. Overtime Procedure for Tournament Play

The NJSIAA has adopted a 25-YARD LINE PROCEDURE to determine a winner in regular season games at the varsity level, which end regulation play in a tie. This 25-YARD LINE PROCEDURE will utilize the National Federation OVERTIME PROCEDURE with the following modifications:

- (a) At the end of regulation playing time, the referee, in the presence of the field captains, shall toss a coin which the visiting team shall call. All other regulations as detailed in the 2017 National Federation Football rules then prevail.
- (b) To start the overtime, the offensive team shall put the ball in play, 1st and 10, from the 25-yard line of their opponents unless a penalty shall cause the ball to be placed elsewhere.
- (c) It is possible for a team to earn or be awarded a first down during a team's possession; thus giving them an additional four (4) downs during their possession to move the ball ten (10) yards for a new series or to score. Since it is possible to earn a first down, THE LINE TO GAIN EQUIPMENT MUST BE USED DURING THE 25-YARD LINE PROCEDURE.

- (d) The defense may score during the OVERTIME PROCEDURE. The ball remains alive if there is a change of possession. Any foul which occurs after a change of team possession is automatically refused. If there is a change of possession and the team in possession fouls and subsequently scores, the score is cancelled and A's series has ended. If neither team scores after a change of possession, A's series has ended if B scores, they are the winners and the game is over. If a foul occurs before the change of possession, it will be treated as any foul is treated in the regular game. If there is an inadvertent whistle after a change of possession, the team with the ball will have the option of accepting the play or to replay the down. This will also be the end of A's series.
- (e) Each team will be permitted only one (1) time-out during each OVERTIME PROCEDURE. Any unused time-outs from the regulation game or a previous overtime procedure WILL NOT BE PERMITTED.
- (f) Except as specifically provided above, the 2017 National Rules and Regulations, as adopted by the NJSIAA, shall prevail. There is no need to use the scoreboard time during the 25-YARD LINE OVERTIME PROCEDURE.
- (g) During the Football Playoffs, the maximum three(3) series overtime limit will not be in force. The overtime series will continue until a winner is determined using the 2-point try in the third and additional periods if necessary.

9. Suspended Football Game Regulations

Games interrupted/suspended due to reasons beyond anyone's control, e.g., electrical storms, torrential rains, and the like. All games to be continued will be at the site of the interrupted game unless otherwise agreed upon by competing schools.

- (a) If both schools agree, the game will be a completed game or the game will be continued from the point of interruption, but no later than Tuesday of the following week.
- (b) The NJSIAA will resolve the issue if the two teams don't agree as follows:
 - 1) If the point difference is twenty-two (22) points or more, the game shall be a completed game regardless of the point of interruption.
 - 2) If the interrupted game has completed three (3) quarters, the game will be a completed game.
 - 3) If the game is interrupted after the completion of the first half and the point difference is fifteen (15) or more points, the game shall be a completed game.
 - 4) All other games, except as provided in #5, will be continued from the point of interruption no later than Tuesday of the following week. If the schools cannot agree on the date, the game will be continued on the Monday following the game at 3:00 p.m.
 - 5) Whenever it is not considered prudent to complete an interrupted game, the Executive Director will have the authority to rule on the status of the game.
- (c) Rutgers University Athletic Facilities are equipped with the Thor Guard Lightning Prediction System. In the event that the system activates, proper evacuation policies and procedures will be implemented. NJSIAA agrees to follow said policies and

procedures and adhere to them as directed by the on-site administrator from Rutgers University.

10. Any neutral sites (venues) who cancel will result in the higher seeded team being the host team provided the venues can't provide the facility in adequate time. Any game scheduled for Friday would become a Saturday game at the home site. Saturday's game would become Sunday and Sunday's game would become Monday with a 1 p.m. time. Any mutual agreement will be honored.
11. Sideline Management and Control
Head Coaches and Assistant Coaches should not be on the field of play, for coaching purposes. Assistant Coaches, spectators, team attendants, medical personnel, and others who congregate between the sideline and the limit line, marked two (2) yards outside the sideline, create a definite hazard to players, officials, themselves and others around them. The 2-yard area outside the sideline must be kept clear, except for three coaches allowed within the team box. Game officials have been instructed to strictly enforce these regulations.
