Welcome/Greetings

Mr. White, NJSIAA Executive Director thanked the committee for their work throughout year.

Points of Emphasis:

1) Ed Colonia shared the number of student-athletes who competed throughout the season.
2) Carl Rickershauser reviewed the status of the officiating throughout the winter season.
3) Bob Byrnes will remind the clerks to slow down the calls for the events.
4) Kyle Austin—from Toms River-updated the committee on the status of the bubble
   a) New lights
   b) Bathroom facilities
   c) Paved Parking lot
   d) Purchase of a new pole vault cover
   e) Upgrading the sound system
   f) Repaint lines
   g) Touch up bare spots on the track

5) Robert Kellert of Mile Split NJ discussed the issue we had with mile conversion times. He feels that has been worked out. Also, a proposal by Robert to add passwords to the entry procedure—language to be developed and share with the track community.

NEW FOR 2020 !!!!

Committee discussed and approved the following items:

a) Advancement to the Indoor Meet of Champions will follow the Spring Model
   Top Three Place Winners from each event from each group and 12 wildcards from All groups.

b) Meet of Champions---Two Day Event
   Saturday will be an all-day field event day for Boys and Girls.
   Events will consist of the following: High Jump, Pole vault, Shot Put and the addition of Two Invitational Events—Long Jump and Triple Jump.
   Sunday will be all the track events for the boys and girls.

c) High Jump/Pole Vault Opening Height— Based on the qualification from the Sectional Meets, the Midpoint will be determined and then the opening height will be one height below that Midpoint. Example: Midpoint PV. 13’0” Opening height 12’6”
d) The committee approved that snaking will be used in the seeding of the dash and the hurdle trials.

e) With the new MOC format for 2020, the committee approved the following:
   1) Announce the seeded heat runners and field event finalist
   2) Award podium and ceremony will be attempted with the coach’s cooperation
   3) A time schedule will be produced for the scheduling of events for the MOC.
