Dear Fellow Track & Field Fans,

It is indeed an honor for M-F Athletic to again be a sponsor of the NJSIAA Track & Field Championships.

The pride and excitement of the athletes and coaches who are participating is reflected in the support of the parents and fans who are being treated to some of the best high school track & field competition in the country.

The efforts of the administrators, officials and volunteers who organize and supervise the competition are greatly appreciated. They go mostly unnoticed because of their professionalism and efforts to create a showcase and insure fair competition for interscholastic athletics.

Some of the athletes you see competing here will become national, collegiate and possibly even Olympic champions. In fact, New Jersey has been represented at every summer Olympics at least since 1920.

And, since 1960 M-F has been involved in the sport of track & field both as a supplier and supporter through our many educational programs. Our collective enthusiasm and love of the sport is what makes us all members of the track & field fraternity.

Enjoy the meet!

Sincerely,

Jim Grogan

January 1, 2020

Dear Friends,

On behalf of the entire State of New Jersey, I am pleased to extend greetings to all those in attendance for the New Jersey State Athletic Association Winter 2020 Championships.

Since its inception, the NJSIAA has been dedicated to athletic and academic excellence, health and safety, and cooperation and fairness. The organization’s commitment to this service continues to have a truly constructive impact on New Jersey’s youth. Participating in high school sports is a great chance for students to learn many skills that will translate positively in their future development. Involvement builds character, encourages teamwork, and teaches leadership skills to student athletes.

Everyone here today should be proud of all the hard work and dedication they have put in to make it to the championships. As Governor, I encourage you to continue to strive to do your best, and always know how proud your friends, family, and fellow New Jerseyans are of your accomplishments.

Best wishes for an enjoyable event, and successful seasons to come.

My very best,

Philip D. Murphy
Governor
The NJSIAA, a private, voluntary Association is committed to serving all types of student-athletes, its member schools and related professional organizations by the administration of education-based interscholastic athletics, which support academic achievement, good citizenship, and fair and equitable opportunities.

We believe that member schools, along with their leagues and conferences, share these convictions:

- A safe and healthy playing environment is essential to our mission.
- Participation in interscholastic athletics enhances the educational experience of all students.
- Interscholastic athletics is a privilege.
- Excellence in both academics and athletics is pursued by all.
- Interscholastic participation develops good citizenship and healthy lifestyles, fosters involvement of a diverse population and promotes positive school/community relations.
- Rules promote fair play and minimizes risks.
- Cooperation among members advances their individual and collective well-being.
- Training of administrators and coaches promotes the educational mission of the Interscholastic Experiences.
- Properly trained official/judges enhances interscholastic competition.
- The NJSIAA is the recognized state authority on interscholastic athletic programs.
- Support Unified Sports to offer opportunities for student with and without disabilities to train and compete alongside their peers in NJSIAA sanctioned activities.

The NJSIAA is composed of 434 member high schools. It provides more than 282,000 student-athletes opportunities to participate in nearly 3,000 games, workshops, clinics and other NJSIAA-sponsored activities within a given year. The NJSIAA offers more championships for its student-athletes than any other state in the nation:

**For Boys:** Cross-Country, Football, Soccer, Basketball, Bowling, Fencing, Ice Hockey, Swimming, Diving, Indoor Track Relay Championships, Indoor Track Individual Championships, Wrestling, Baseball, Golf, Lacrosse, Outdoor Track Championships, Tennis, and Volleyball.

**For Girls:** Cross-Country, Field Hockey, Gymnastics, Soccer, Tennis, Volleyball, Basketball, Bowling, Fencing, Swimming, Diving, Indoor Track Relay Championships, Indoor Track Individual Championships, Wrestling, Golf, Lacrosse, Softball, and Outdoor Track Championships.

Competitive athletics is nothing more than playing according to a set of rules. Sports are the greatest example on earth of the practical application of the Golden Rule. Your support and encouragement of our high school sports program are earnestly invited.

2. There will be two high jump pits, which means boys and girls will be jumping at the same time.

3. There will be two pole vault pits, which means boys and girls will be vaulting at the same time.

**If the total entries in the 3200m for two different groups are eighteen (18) or less, the two groups will be combined into one section and separated at the finish for scoring purposes.
