Enclosed please find a copy of the application for the Legends of Volleyball Award

On numerous occasions, NJSIAA receives questions from a school or an organization regarding the fact that a special individual has not been considered for induction into the Legends of Volleyball. In just about every case, the individual has never been nominated by their respective school or organization.

This is an outstanding opportunity to recognize, on a state-wide basis, an individual from your school community or organization who has truly been a leader and a contributor to the Girls Volleyball programs in the New Jersey.
