RE: NJSIAA / Bollinger High School Hall of Fame

Enclosed please find a copy of the application for the NJSIAA / Bollinger New Jersey High School Hall of Fame.

Please take the opportunity to nominate outstanding interscholastic athletic contributors from your school to this state-wide Hall of Fame.

On numerous occasions, NJSIAA receives questions from a community or an organization regarding the fact that a special individual has not been inducted into this Hall of Fame. In just about every case, the individual has never been nominated by their respective school.

This is an outstanding opportunity to recognize, on a state-wide basis, an individual from your school community who has truly been a leader and a contributor to your school's interscholastic athletic program.

As always, if you have any questions, please do not hesitate to call. Many thanks for your continued support of NJSIAA programs and activities.
