

History of the Scholar Athlete Luncheon

In 1994, marking its 75th Anniversary Year, the New Jersey State Interscholastic Athletic Association inaugurated the Annual Scholar Athlete Luncheon. 2016 marks our twenty third year. Over that time span, we have honored over 7,050 scholar/athletes and presented over \$1,682,000 in scholarships.

It is our honor to welcome this year's scholar/athletes. We join their parents/guardians, schools and communities in congratulating them. To those scholar/athletes honored today, a job well done - continued success. Thank you all for joining us.
