Soccer (Specific Sports Regulations)

Section 1 Rules National Federation Soccer Rules shall govern all NJSIAA games.

Section 7 Games Per Week Not more than a total of three (3) soccer games may be played per week beginning with the week of the start of the regular schedule (this includes interschool scrimmages, regular games, postponed games, and tournament games), but games may not be played on three (3) consecutive days. This section does not apply to State Tournament scheduling. You may play one four-game week.

Section 8 Halves Per Day A soccer player shall play in no more than three (3) halves during the same calendar day, with a maximum of nine (9) halves per week. If a school elects to play one four (4) game week, an individual may not exceed twelve (12) halves in that four-game week. This would include any combination of freshman, sophomore, junior varsity and varsity competition. NOTE: Overtime periods are a continuation of the second half.

Section 9 Maximum Games A member school has the option of playing one of the following maximum game schedules:

Section 10 Championship Eligibility A student competing on an interscholastic soccer team must play as a member of his/her high school team in at least 50% of the school's total games to be eligible for the NJSIAA Championship Tournament.

CL: This means a student must be eligible to play in at least 50% of the school's games up to and including cut-off date while he/she was properly enrolled and eligible at said school according to NJSIAA regulations. Extraordinary circumstances (i.e. injuries or participation on US National teams) will be reviewed on a case by case basis for the purposes of this clarification.

Additional Tournament information

1. Sites

- A. When conditions prevent a game from being played at the site of the higher seeded team, the tournament director may choose an alternate site in cooperation with the competing schools. In the Preliminaries, if a neutral site is preferred by the higher seeded team, that site shall be mutually agreed upon by their opponent, or, in case of disagreement, the tournament director shall make the final decision.
- B. IT IS REQUIRED THAT THE PLAYING FIELD HAS THE REQUIRED RESTRAINING MEANS (25 ft.). Where field configuration may prohibit full adherence (25 ft.) the written NJSIAA letter permitting field usage must be attached to the scorebook.
- C. Sites, including football fields, will not be declared unsuitable because the recommended minimum field dimensions or other conditions are not satisfied unless Leagues or Conferences or home management have ruled such sites unsuitable for regular season play. However, it is required that fields have all the required markings.
- D. Responsibility for postponing a game shall rest with the person in charge of the playing site, and it shall be his/her responsibility to notify both schools, the officials, and the tournament representative at least three (3) hours prior

to game time. THE COMPETING SCHOOLS' REPRESENTATIVES SHALL SHARE THE RESPONSIBILITY FOR ASSURING THAT ADEQUATE ON-SITE PREPARATIONS HAVE BEEN MADE. Every attempt will be made to secure sites for which there will only be minimal charges.

2. PREDETERMINED SITES/SITE DIRECTOR

- A. The NJSIAA assignor and Regional assignors will take care of assigning 3 officials and 1 timer at all predetermined sites.
- B. If either of the competing schools informs the Site Director that police security is necessary, the Site Director will assign same from the area in which the game is played, and the schools will share the cost.
- C. Each competing school must assign two administrators or designees, who will be responsible for supervising all games, home and away. Supervisory personnel for games played at predetermined sites must report to the Site Director upon their arrival at the site. Supervisors for the State Finals must report to the site supervisor at least one-half hour before the scheduled start of the game.
- D. Each competing school is responsible for the medical care of team members before, during and after each competition. Please Note: When games are scheduled at pre-determined sites, it will be the responsibility of all schools participating to provide athletic trainer services for their respective teams. The NJSIAA should be notified immediately if a competing school is unable to comply with this requirement.
- E. Schools are responsible for "crowd control" of their supporters (student and spectators) and the Site Director must be provided with full cooperation from the competing schools' administrators.

3. OFFICIALS

- A. NJSIAA Regional Assignors in consultation with the NJSIAA Tournament Director, shall assign NJSIAA registered soccer officials for all games in all rounds. In addition, three (3) Officials will be assigned by the NJSIAA assignors for the Sectional Semi-Finals and Sectional Finals. For the State Semifinals and Finals four (officials) and 1 (one) timer will be assigned by the NJSIAA.
- B. When the home field of one of the teams is used, the school on whose field the game is played shall pay all game officials, and the visiting school shall pay their own transportation costs. When a designated field is used, each school will pay for one and one half (1.5) game officials (One linesman and ½ of the referee fee). The NJSIAA will compensate officials for the State Semi-Finals and Finals.
- C. Schools must submit Page 9 (Officials Tournament List) to the NJSIAA, indicating qualified officials, officials affiliated with your school and "unacceptable" officials by October 21, 2017.
- D. Each school must provide an adult scorer-timer; one to serve as the official scorer-timer, decided by a coin toss, and the other to serve as an assistant scorer-timer for all games up to and including the Sectional Finals. IF EITHER SCHOOL FAILS TO PROVIDE A SCORER-TIMER, OR IF CONDITIONS PRECLUDE TIME BEING KEPT ON THE SIDELINES, THE OFFICIAL TIME AND SCORE SHALL BE KEPT ON THE FIELD BY THE OFFICIALS: IN THIS CASE THE STADIUM CLOCK SHOULD ONLY SHOW SCORE OF GAME. For the State Semifinals, and Finals, the Tournament Director will assign a NJSIAA-registered, active official, who will serve as an alternate official as well as the official timer. The NJSIAA will compensate the scorer-timer for the Semi-Final and Championship games. If a visible clock is used, an adult timer must operate the clock, throughout tournament play.

4. GAMES & TIMES

- A. The starting time for all games up to and including the SECTIONAL FINALS shall be determined by the home team between 2pm and 8pm. If the home field has no lights, 2:00pm is the latest start time permitted. NON school day game times may be played earlier that times identified by mutual agreement and notification is made to the regional assignor for availability and officials. If the field is not available because of another NJSIAA State Tournament game, and teams cannot agree on a later starting time, the NJSIAA should be contacted for a decision.

- B. Games must be played on the specified date, unless both schools agree to play on an earlier date. If rain causes postponement, the stated rain date must be used. If the field of the higher seeded school is not playable, that school may elect to use an alternate field, or postpone to the following day. On the day following the stated rain date, if the field of the higher seeded school is not playable, they may select an alternate site, or the game will be played at the lower seeded school, or an alternate site selected by that school.

A game terminated before the completion of (1) one half will be rescheduled from the start. A game terminated during the second (2nd) half when the score is tied, shall also be rescheduled from the start. However, all cautions issued in the terminated game will be in effect for rescheduled terminated game. State tournament games suspended because of conditions which make it impossible to continue play, should be played to completion from the point of interruption. If the losing team at the point of interruption does not want to return to complete the game, the game will be considered to be complete.
- E. Each school must provide two (2) ball-persons for all games. Ball-person must be of high school age. Finals at Kean University: (3) ball persons per team may be needed.

 - Each coach will select any five (5) players, whether or not a player participated in the initial five (5) kicks, to take another set of five (5) kicks in the same team order in a sudden victory situation, wherein if one team scores and the other team does not score, the game is ended without more kicks being taken.

Example 3 (tie)

Team A ties Team B (Group IV), Team A record 11-1-1, Team B record 10-2-1

Example 4 (tie)

Team A ties Team B (Group IV), Team A record 11-1-1, Team B record 10-1-2

Team A would earn a total of 22.25 points for the Team B tie. (3 points for the tie, 4 group points, 15.25 residual points)

Example 5 (loss)

Non-Public (III) Team A defeated Public Team B, Team B record 11-2, Team A record 12-1
