Team Tournament Guidelines

1. All meets must be played on the designated dates. Any modification to the play dates must be agreed upon by both schools and approved by the NJSIAA. Failure to complete a tournament round by the deadline date, absent inclement weather or other unforeseen circumstances, may result in disqualification.
2. Schools will not be granted a change of date due to conflicts with school trips, dances, banquets, testing programs, proms, graduations, and the like.
3. All schools must be prepared to play on the first day of the tournament
4. Recommended starting time is 3:00 PM, however matches may start no later than 4:00 PM.
5. When inclement weather necessitates playing indoors on the rain date, the higher seeded team will designate the site and both schools will share the expenses of the indoor courts up to and including the sectional finals.
6. All courts utilized must be of regulation size and properly maintained for maximum safety. A minimum of five (5) courts must be available for tournament play. If the higher seeded team does not have five (5) courts available at one location, another site must be utilized unless mutually agreed upon by both schools and the match must begin no later than 3:00 pm.
7. Schools are responsible for their transportation costs to all competition and for all supervision in all matches.
8. Responsibility for postponement rests with the person in charge of the playing site. That person must notify both schools at least three (3) hours prior to match time. The Tournament Director will be responsible for postponement of all matches starting with the State Group Semifinals. Postponed meets must be played the following day unless notified otherwise by the Tournament Director.
9. Winning schools must enter the results at the njschoolsports.com website of each match, up to and including the sectional finals immediately following the completion of the match. Failure to comply with the score reporting requirement may result in the offending school being assessed a fine by the NJSIAA.
10. The United States Tennis Association (USTA) playing Rules of Tennis and the most current NJSIAA Rules and Regulations shall govern all tournament matches. Roving officials may over-rule calls.
11. Players must wear appropriate tennis attire. School issued uniforms are mandatory. Manufacturer's logos may not exceed two and one-half (2 ½"x 2 ½) inches. Tank-tops, cut-off shirts or cut-off pants or any article of clothing that is in poor taste or distracting to an opponent is not considered an appropriate uniform. All team players must wear identical shirts or dresses; all players must wear the same color shorts or skirts. A player not wearing an appropriate uniform, may not participate.
12. Tournament will consist of regular seven (7) player game; team winning three (3) of the five (5) matches will be determined the winner. Remaining matches may be terminated after a team has amassed three (3) points at the discretion of the Tournament Director.
13. Schools willfully breaking tournament rules will forfeit the match in which the violation occurred. In cases of violation of the line-up regulation, the Forfeiture of Matches Provision (#4 c) of the NJSIAA Tennis Regulations will be in effect.
14. The Tournament Director is empowered to enforce all NJSIAA Rules and Regulations and to disqualify any player for misconduct.
15. Any school entering the tournament and then withdrawing will be subject to penalties as enforced by the NJSIAA.
16. Teams must be accompanied by a coach that has been approved by the school district. In the event that a coach or coaches cannot attend, the school must send a chaperone approved by the school district. Coaches must supervise players at all times and must be in attendance for the entire match.
17. Coaches must have a copy of all challenge matches available at each match. Failure to provide the official challenge match form to the opposing coach will result in a one game penalty, plus loss of toss, at each position, implemented before the start of the match.
18. Each coach must be familiar with the most current NJSIAA Tennis Rules and Regulations before starting the season and entering the tournament.
19. Sets which reach a 6-6 score shall be decided by playing a 7-point tie-breaker. See rule below.

Tournament Equipment Requirements

1. The Wilson tennis ball is the official ball.
2. Throughout the tournament, each school must supply five (5) cans of USTA approved tennis balls for their initial meet. The winner will take the unused tennis balls to their next match. New balls shall be used for the third set.
3. Sectional winners must bring the unused tennis balls to the state semifinals.
4. The NJSIAA will provide the tennis balls for the state group and state championships.
5. Roll-dries should be brought to matches if weather may become a problem.
6. It is required that both teams bring score cards to all State Tournament matches.

Violation will require the home/offending team to start the match with a one game penalty at each position. Penalty must be implemented at the start of play at all positions.

7-Point Tiebreaker Rule:

Singles:

A serves first point from right court; **B** serves points 2 and 3 (left and right); **A** serves points 4 and 5 (left and right); **B** serves point 6 (left) and after they change ends, point 7 (right); **A** serves points 8 and 9 (left and right); **B** serves points 10 and 11 (left and right); and **A** serves point 12 (left). If points reach 6-all, players change ends and continue as before: **A** serves point 13 (right); **B** serves points 14 and 16 (left and right); etc., until one player establishes a margin of two points. (Changes of ends during a tiebreaker are to be made without any delay other than the 20 seconds allowed between points.) Players change ends for one game to start the next set, with Player **B** to serve first.

Doubles:

Doubles follow the same pattern, with partners preserving the sequence of their serving turns. (Assuming **A** & **B** vs **C** & **D**) Player **A** serves first point (right); **C** serves points 2 and 3 (left and right); **B** serves points 4 and 5 (left and right); **D** serves point 6 (left) and after the teams change ends, point 7 (right) ...**A** serves points 8 and 9 (left and right); **C** serves points 10 and 11 (left and right); and **B** serves point 12 (left) ...If points reach 6-all, teams change ends and continue as before: **B** serves point 13 (right); **D** serves points 14 and 16 (left and right); etc., until one team establishes a margin of two points. Teams change ends for one game to start the next set with team **C** & **D** to serve first.

The set shall be recorded as 7 games.

Withdrawal of Player(s)

Sometimes, when a match has already been decided, a coach elects to withdraw his/her player(s) and forfeit the remaining match or matches; this counts as a loss on the individual player's record.

This is within the rules of the game, although it is not fair, from an ethical point of view, to the opponent. It is more acceptable in tournament play when a team must play another round later that day.

Weather, darkness, travel time, sickness, injury, and mutual consent are examples of justifiable reasons for withdrawing players. To arbitrarily do so, is discourteous and should not be done.

Awards

Sectional Champions:

A team trophy and ten (10) individual medals will be given to the champion in each Group in each Section.

State Group Champions:

A team trophy and ten (10) individual medals will be given to the State Champion in each Group.

Tournament of Championships:

A team trophy and ten (10) individual medals will be given to the State Champion.

Sectional Finals

Sectional Finals will be played on or before Monday, May 20, 2019. If schools cannot agree on a date, the match must be played on the 20th. The Sectional Final is to be played at the site of the higher seed, provided, the site is suitable with 5 regulation tennis courts. The NJSIAA and/or Tournament Director will designate the site if the higher seeded courts are deemed unsuitable for the sectional finals. The Director of Athletics or designee must attend the Sectional Final for purposes of crowd control.

Circumstances may cause you to change your line-up. You must be able to show that the new line-up is based on challenge match results in both singles and doubles. This will require you to show challenge match scores not shown in your ladder. For example: 2nd singles player is not in line-up. 3rd singles moves to 2nd and 4th singles moves to 3rd. Your ladder does not show a challenge match between the players now at 1st and 2nd singles. A challenge match is needed and should be listed below. This would only occur if an individual is out of the line-up for 7 or more days, or if a season ending injury occurs. **THIS STATEMENT DOES NOT CHANGE ANY PART OF #4 "LINE-UPS" ON PAGES 1 & 2 OF THE RULES AND REGULATIONS.**
