1. Attendance:
   - Tony Maselli, Stan Friedman, Jim Forst, Doris Forst, Allison Munch, Carl Richko, Wesley Smith, David Haney, Mike Mitchell, Elliot Lovi, Gary Wasserman, Colin Hart, Dave Kretzmer, Greibin Agramoate.

2. Review of 2018 Post Season Minutes:
   - Approved 13-0

3. Review of the regular season (Positive / Negative):
   - Weather was bad
   - All else was good

4. Review of the post-season (Positive / Negative) (Sectionals, Semifinals, Team finals, TOC):
   - Changing the date of matches
     - The committee would like to adopt the following procedure based on the fact that we are in a severe shortage of officials. For the first two rounds of the tournament, because they are play on dates, if you are scheduled to play on a Monday and it gets rained out and the rain date is Wednesday, you may play on that Tuesday, but the official must be paid if they can’t show up because of a previously scheduled match for that Tuesday. This will have to be approved by the NJSIAA
     - UPDATED - This was denied by the NJSIAA
   - Wildcards need to be scrutinized better.
     - We will make sure we are just not filling the brackets with players that don’t belong.
   - AP Testing has become an issue.
     - We will put some rules in the regs on how teams can deal with AP testing.

5. Review of dates for next season:
   - Dates were reviewed and reset to corresponding dates. Only change was combining the due dates of the ind. and team tournaments to same date.

6. Review of current regulations and proposed regulations for next season:
   - Explain out substitution rule better.
     - Doris Forst will rewrite, and it will be put in the regs.

7. New Business:
   - Start dates for 2021
     - We will have to petition to keep the first practice date the same. It is to hard to get the challenge matches in as it is.
   - 5 court rule for the tournament
     - The 5-court rule will no longer be in play; however, schools will have to pay the officials extra for courts that are less than 5. 3 courts are the minimum.
8. Old Business:
   - Doris Forst introduced a proposal to increase the fee of the officials for the state tournament. Current levels are $75/ per match for preliminary state rounds and $80 for the sectional final. Proposed change would be $85/ per match for preliminary state rounds and $90 for the sectional final. Reasoning that was included in the proposal was mostly because there are so few tennis officials throughout the state and to cover the state tournament, the officials have to travel many miles. This proposal was discussed by the NJSIAA after the meeting and because the budgets are set for next year for both the NJSIAA and the schools, it will have to wait to be proposed for the following year.
     - This was reviewed by the NJSIAA last year and denied. Proposal will be discussed again…….
     - UPDATED - NJSIAA discussed and decided on a $5 raise to align them with the other sports.

9. Correspondence:
   - #1 – Dates for 2020
     - This was addressed in under #7 above.

10. Good of the order:
    - Behavior of the athletes must continue to be monitored by the coaches. It seems to be getting worse. When officials are assigned, they need to address the behavior with the coaches as well.
