INDEPENDENT AUDITORS' REPORT

To the Executive Committee New Jersey State Interscholastic Athletic Association Robbinsville, NJ 08691

We have audited the accompanying statements of financial position of New Jersey State Interscholastic Athletic Association (the "Association", a nonprofit organization), as of June 30, 2015 and 2014 and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Financial Statements June 30, 2015 and 2014

Note 1 - Organization

New Jersey State Interscholastic Athletic Association (the "Association'), an organization exempt from income tax under Section 501 (c)(3) of the Internal Revenue Code, was incorporated under the laws of the State of New Jersey. The Association is a voluntary organization made up of all approved public, private and parochial high schools in the State of New Jersey.

The Association's purpose is to foster and administer interscholastic sports among member schools. The Association promotes participation and sportsmanship to develop good citizens through interscholastic activities which provide equitable opportunities, positive recognition and learning experiences to students while maximizing the achievement of educational goals.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Concentrations of Credit Risk

Financial instruments that potentially subject the Association to concentrations of credit risk consist principally of cash and cash equivalents and accounts receivable. Cash and cash equivalents includes all cash balances and money market funds with original maturities of three months or less when acquired. The Association places its cash and cash equivalents with high credit quality financial institutions. At times, such balances may exceed federally insured limits.

Concentrations of credit risk with respect to accounts receivable are limited due to the number of supporters comprising the Association's support base and generally short payment terms. In addition, the Association routinely assesses the financial strength of its supporters and establishes an allowance for doubtful accounts based on a history of past write-offs and collections and current credit considerations.

At June 30, 2015, one customer accounted for 47% of the accounts receivable balance. The receivable was collected in full subsequent to year-end. There was no concentration at June 30, 2014.

Accounts Receivable

Accounts receivable are reported at their outstanding unpaid principal balances reduced by an allowance for doubtful accounts. The Association estimates doubtful accounts based on historical bad debts, factors related to specific individual's ability to pay, and current economic trends. Allowance for doubtful accounts at June 30, 2015 and 2014 was \$6,768 and \$7,099, respectively.

Notes to Financial Statements June 30, 2015 and 2014

Note 2 - Summary of Significant Accounting Policies (Continued)

Property and Equipment

Property and equipment are recorded at cost if purchased, fair value if donated. Depreciation is computed using the straight-line method over the estimated useful lives of the assets. Expenditures which substantially increase estimated useful lives are capitalized. Maintenance, repairs and minor renewals are expensed as incurred. When assets are retired or otherwise disposed of, their costs and related accumulated depreciation are removed from the accounts and any resulting gains or losses are included in change in net assets. The Association reviews long-lived assets for impairment using an undiscounted cash flow method whenever events or circumstances indicate the carrying value of an asset may not be recoverable. There were no impairment losses related to long-lived assets as of June 30, 2015 and 2014.

Promises to Give

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable values. Conditional promises to give are not included as support until the conditions are substantially met.

Contributions

Contributions are recorded as either temporarily or permanently restricted revenue if they are received with donor stipulations that limit the use of the donated asset. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions. Donor-restricted contributions whose restrictions expire during the same fiscal year are recognized as unrestricted revenue.

Contributed Services

The Association recognized contributions and related expenses of approximately \$272,082 and \$253,700 for donated products and print advertising services for the years ended June 30, 2015 and 2014, respectively. In addition, a substantial number of unpaid volunteers have made significant contributions of their time to develop the Association's programs and special events. The value of this contributed time is not reflected in the accompanying financial statements since it is not susceptible to objective measurement or valuation.

Revenue Recognition

Dues and officials revenue is assessed on an annual basis. Deferred revenue represents dues and officials revenue received in advance of the time period for which it applies. Activities revenue is recognized as each activity occurs.

Functional Expenses

Expenses are charged to program or general and administrative based on a combination of specific identification and allocation by management.

Note 2 - Summary of Significant Accounting Policies (Continued)

Income Taxes

The Association was incorporated as a not-for-profit organization under the laws of the State of New Jersey and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Therefore, there is no provision for income taxes.

The Association accounts for uncertainty in income taxes using a recognition threshold of more-likely-than-not to be sustained upon examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold is met. Management determined there were no tax uncertainties that met the recognition threshold in 2015.

The Association's exempt from federal income tax returns are no longer subject to examination by federal taxing authorities for the years before 2012.

Reclassification

Certain amounts in the year ended June 30, 2014 Statement of Activities were reclassified to conform to the presentation used in the year ended June 30, 2015.

Subsequent Events

The Association has evaluated subsequent events through October 6, 2015, which is the date the financial statements were available to be issued.

Note 3 - Property and Equipment

Property and equipment consists of the following:

	Range of Estimated Useful Lives	 2015	2014
Land		\$ 361,346 \$	361,346
Buildings and improvements	10-39 Years	2,624,764	2,624,764

Depreciation expense amounted to \$95,561 and \$97,263 for the years ended June 30, 2015 and 2014, respectively.

Notes to Financial Statements June 30, 2015 and 2014

Note 4 - Lease Commitments

The Association leases certain equipment under operating leases expiring through October 2018. Rent expense amounted to \$24,279 and \$22,025 for the years ended June 30, 2015 and 2014, respectively.

Minimum lease payments under noncancelable operating leases in each of the years subsequent to June 30, 2015 are as follows:

Year June 30,		Amount
2016	\$	22,788

Total net assets - unrestricted	\$ _	2,700,601	\$	2,496,604

Note 6 - Pension Plan

The Association maintains a defined contribution pension plan covering substantially all of its employees. Contributions, which are determined as a percentage of each covered employee's gross salary, amounted to \$113,213 and \$106,387 for the years ended June 30, 2015 and 2014, respectively. Other expenses related to the administration of the plan were \$1,640 and \$1,031 for the years ended June 30, 2015 and 2014, respectively.

Notes to Financial Statements June 30, 2015 and 2014

Note 7 - Litigation

The Association is involved in various claims and legal actions arising in the ordinary course of business. Management believes that the ultimate disposition of these matters will not have a material adverse effect on the Association's financial position or activities.

Note 8 - Business Risks

The Association is significantly affected by market factors, including demand for and price of tournament games tickets. These factors are influenced by a variety of external forces, including weather conditions, enacted legislation, heightened security concerns, and corporate sponsorships. Currently, regulation provides for fixed ticket prices for tournament games, which currently does not permit the Association to adjust ticket prices to respond to rising costs from changes in the market factors.
