NOTES

In 1960 the state was divided into 2 divisions. Group 4 and Parochial A forming the “A” Division. Groups 3-2-1 and Parochial B and C forming the “B” Division.

In 1987 the swimming championships were divided into two tournaments-Individual and Team, the format being used today.

1990 was the first year of Sectional Championships.

In 1999, Public teams were assigned to 3 sections: North, Central & South. Non-publics were not placed in sections.

In 2004, Publics were divided into 4 sections.

In 2015 the tournament became a 5-division affair; Public A, B and C and Non-Public A and B.

Due to the COVID-19 pandemic, Sectional and State Championships were not held in 2020.

In 2024, Non-Publics were to be divided into two sections (North and South), each competing for a sectional title. Non-Publics North and South would go on to compete for a single Non-Public State Championship title.

The New Jersey State Interscholastic Athletic Association strives to make each sport’s Championship History and Record Book an accurate and comprehensive resource. If you have information you believe should be included in these records (additions, deletions or corrections), it may be submitted by e-mail to Dena Maggio at dmaggio@njsiaa.org. Please provide supporting data/documentation with your submission. Appropriate documentation shall include, but is not limited to, the following: copies of scorebooks or game/season statistical summaries, copies of yearbooks, and copies of newspaper clippings. All information must be complete for consideration. Submissions completed by a coach or school administrator are preferred. Before any mark is added to the record book, it must be independently verified by the NJSIAA staff. If the information cannot be independently verified, it will not be included.

Championship History is updated on a seasonal basis when possible.
