NOTES

Starting in 1976, a “State Champion” would be crowned in each group (4 total).

Beginning in 1983, Non-Publics were split into their own two groups (Non-Public A and Non-Public B).

Due to the COVID-19 pandemic, State Championships were not held in 2020 or 2021.

2021-2022 was the last year for Tournament of Champions events.

The New Jersey State Interscholastic Athletic Association strives to make each sport’s Championship History and Record Book an accurate and comprehensive resource. If you have information you believe should be included in these records (additions, deletions or corrections), it may be submitted by e-mail to Dena Maggio at dmaggio@njsiaa.org. Please provide supporting data/documentation with your submission. Appropriate documentation shall include, but is not limited to, the following: copies of scorebooks or game/season statistical summaries, copies of yearbooks, and copies of newspaper clippings. All information must be complete for consideration. Submissions completed by a coach or school administrator are preferred. Before any mark is added to the record book, it must be independently verified by the NJSIAA staff. If the information cannot be independently verified, it will not be included.

Championship History is updated on a seasonal basis when possible.
