#### 1. RULE 9. Golf

**Section 1. Rules.** The Current United States Golf Association Rules shall govern all NJSIAA matches; except as modified by the NJSIAA tournament committee on the day of competition. All High School competition will be Medal Play. In the interest of time, continuous putting will be in force in the State Championships and at the discretion of the Director in the State Groups. The penalty for slow play will be enforced. LOST balls or out-of-bounds balls will be enforced as per USGA rules. Unfamiliarity with the rules will not be basis for appeal in case of disqualification.

For a summary of the 2021 USGA rule changes see the attached table. It is also recommended that all coaches visit the USGA site and view the video tutorial with their team.

Brief Summary by Expert golf : <https://www.youtube.com/watch?v=chPOtflUHC0>

The NJSIAA golf tournament committee has adopted the following tournament rules to be used in all high school competition.

**Note 1: DISTANCE MEASURING DEVICES** – For NJSIAA competition a player may obtain distance information by using a device that measures **Distance ONLY**. If during a stipulated round, a player uses a device designed to gauge or measure other conditions that might affect his/her play (e.g. gradient, slope, slope assist, windspeed, temperature, weather, etc.) the player is in breach of USGA Rule 14-3 for which the **penalty is disqualification, REGARDLESS** of whether any such additional function is actually used or turned off.

Cell phones, ipods, and palm pilots (multifunctional devices) are NOT ALLOWED to be used as a distance measuring device for this competition. Also, distance is public knowledge, and a distance measuring device is not part of a player's equipment, therefore the device may be shared during a round.  
**No DRONES Are allowed at any NJSIAA Championship event.**

Clubs: The USGA has listed on their website all non-conforming driving clubs which the NJSIAA will honor in competition. Their website is [www.usga.org](http://www.usga.org)

**Note 2: Maximum Score** – The NJSIAA Rules Committee recognizes that there is a wide range of skill among Teams throughout the state. **This local rule does not apply to sectional, group or T.O.C. play.**

Coaches may institute a **Maximum score** for players competing in a dual match as listed below:

1. **Prior to the start of a match** both coaches **MUST** agree to allow players to use a maximum score during the play of that round only.
2. A player's score is capped at **Double par +2 strokes per hole**. Upon reaching the capped score the player **must** pick up and notify their opponent they have reached the capped total for said hole. The player **cannot** pick up prior to reaching the capped number of strokes. If a player picks up prior to reaching the capped score and fails to correct this mistake, she is disqualified.
3. All capped scores will be noted on the score card with a double circle.
4. Individual rounds shot using the Maximum stroke rule are not eligible to be used as an individual qualifying round for sections.
5. Rounds containing capped scores can count towards a team's total to determine that day's "Match Winner".

**Note 3: Lost ball and Out of Bounds** – The committee has adopted USGA Model Local Rule E-5. **THIS WILL NOT BE USED DURING SECTIONAL OR STATE FINAL TOURNAMENTS.** Players are always allowed the option of stroke and distance for a lost ball or a ball hit out of bounds. Beginning in 2019 teams are no longer required to get a waiver for that option. This option allows the player to drop under the **PENALTY of 2 strokes** using rule E-5.

### **Model Local Rule E-5**

"When a player's ball has not been found or is *known or virtually certain* to be *out of bounds*, the player may proceed as follows rather than proceeding under *stroke and distance*.

For **two penalty strokes**, the player may take relief by *dropping* the original ball or another ball in this *relief area* (see Rule 14.3):

#### Two Estimated Reference Points:

a. **Ball Reference Point:** The point where the original ball is estimated to have:

- Come to rest on the *course*, or
- Last crossed the edge of the *course* boundary to go *out of bounds*.

b. **Fairway Reference Point:** The point of fairway of the hole being played that is nearest to the ball reference point, but is not nearer the *hole* than the ball reference point.

For purposes of this Local Rule, "fairway" means any area of grass in the *general area* that is cut to fairway height or less.

If a ball is estimated to be *lost* on the *course* or last crossed the edge of the *course* boundary short of the fairway, the fairway reference point may be a grass path or a teeing ground for the hole being played cut to fairway height or less.

#### Size of Relief Area Based on Reference Points: Anywhere between:

- A line from the *hole* through the ball reference point (and within two *club-lengths* to the outside of that line), and
- A line from the *hole* through the fairway reference point (and within two *club-lengths* to the fairway side of that line).

**But** with these limits:

Limits on Location of Relief Area:

- Must be in the *general area*, and
- Must not be nearer the *hole* than the ball reference point.

Once the player puts a ball *in play* under this Local Rule:

- The original ball that was *lost* or *out of bounds* is no longer *in play* and must not be played.
- This is true even if the ball is found on the *course* before the end of the three-minute search time (see Rule 6.3b).

**But** the player may not use this option to take relief for the original ball when:

- That ball is *known or virtually certain* to have come to rest in a *penalty area*, or
- The player has played another ball provisionally under penalty of *stroke and distance* (see Rule 18.3).

A player may use this option to take relief for a provisional ball that has not been found or is known or virtually certain to be out of bounds.

**Penalty for Playing Ball from a Wrong Place in Breach of Local Rule: General Penalty Under Rule 14.7a.**

Video Explanation of E-5

**Note 4:** Players are allowed to use NON-motorized pull carts during high school competition. Players may not share pull carts at any time. The pull cart and all parts become part of the player's equipment as stated in the Rules of Golf. Pull carts must be kept out of all penalty areas, hazards, bunkers and off all greens.

**Note 5: Advice** – This rule has not changed. NO PLAYERS or Coaches may give advice during a match or tournament. It is the duty of all golfers to protect the field.

Section 2. Start of Practice. **Thursday, April 1, 2021**

Section 3. Start of Regular Schedule. – **Friday, April 9, 2021**

Section 4. End of Season. The end of the golf season will be up to and including - **June 20, 2021**

Section 5. Transfers on or after **April 23, 2021** not eligible for post-season play. (See Article V, Section 4.K (2).c)

Section 6. Team. A team shall consist of a minimum of four (4) players and a maximum of six (6) players.

Section 7. Match. An interscholastic match shall consist of nine (9) holes; if a match is not completed, the winner will be based upon those holes completed by all players of the teams. If less than five (5) holes have been completed by the teams, the match will be replayed.

*CL 1 The girls on a boys team will use the same tee as the boys in State Sectional, and Championship Tournaments. During the regular season, girls will use the next forward tee which includes all conference, county, etc. tournaments that take place during the regular season.*

Section 8. Scoring.

Article 1....Type of play – Medal (stroke) Play

Article 2....The winner of the match will be the team with the lowest total strokes for any 4 out of 6 players. In case of a tie each team will add their 5<sup>th</sup> lowest score to the team total; if still a tie, the 6<sup>th</sup> lowest score will be added to the team total. If both teams are tied after using 6 members, the team with the low medalist is the winner. If the low medalist is a tie, then the match is a tie.

Note: All conferences **MUST** play medal play to decide their teams' adjusted score.

**A. Team Sectional Date: May 10 and May 11, 2021 Check regulations for your location and time**

**Teams:**

**All coaches must report their team scores to Shawn Bennett at the following site: [sirbennett68@gmail.com](mailto:sirbennett68@gmail.com)  
This site will calculate the team's AVERAGE ADJUSTED SCORE for each match. These scores will be used to determine the 12 teams that will qualify for each of the Sectional Tournament Meets.**

Please see the instruction letter at the end of the regulations for more information.

**The 12 teams with the best adjusted team scoring average in each of the three sections – North, Central and South, will qualify for that Sectional Championship Tournament. Schools must play in at least 6 matches prior to the cut-off date. When more than 6 matches have been played then, the NJSIAA Girls Golf Committee will use the teams 6 best adjusted team scores prior to the cut-off date to determine which teams advance to the sectionals.**

A TEAM WILL NOT BE CONSIDERED FOR THE TOURNAMENT UNLESS IT HAS PLAYED A MINIMUM OF SIX (6) MATCHES BY THE CUT-OFF DATE. The top 3 teams in each of the 3 sectionals will advance to the state championship. Thus, there will be 9 teams in the state tournament along with a number of individual players. Regardless of reason, matches not completed by May 6, 2021 will not count.

**Reminder:** A team must play sixty percent (60%) of its matches against in-state teams by May 6, 2021.

**Attention:** The NJSIAA only recognizes nine (9) holes as an interscholastic match. *However, if playing in a match that consists of 18 holes, holes 1-9 and holes 10-18 must be entered as two separate scores.*

**NOTE:** In a tri-, quad-, or multiple meet, only holes one (1) through nine (9) will count (one (1) time on the same day) for individual qualification purposes.

**Sectional Play:** A team will consist of five (5) players with its four (4) best scores counting toward the Championship.

**2021 Team and Individual State Championships: May 18, 2021 – Time to be announced  
North Jersey Country Club, Wayne, New Jersey**

The top three teams in each section will qualify for the Team State Championship. Individuals who have qualified will advance automatically.

**B. Tournament of Champions Play:**A team will consist of five (5) players with its four (4) best scores counting toward the Championship.

**Individuals** There is no “sectional qualifying” for individuals for the State Championship. All qualified individuals compete in the State Championship.  
By using the course slope and course rating to achieve an adjusted score for each match played, the top fifty (50) rated girls who have played at least 6 matches will qualify as individuals. If a competitor plays more than 10 matches, her best 10 scores will be used.  
***All scores for individuals must be turned in to the “state 2021 google document” within 24 hours of the match being played.***

A regulation course is defined as a course that has no more than 3 par 3's per nine holes and is USGA rated. Only those matches played up to and including May 6, 2021, can be counted and must be attested to by the Course Professional, Athletic Director, or the school's coach.

### **INDIVIDUAL COMPETITORS NOT ON TEAMS**

Schools entering individuals and not presently competing on an interscholastic basis are advised to read carefully the Procedures - "Coaches Appointed to Accompany Teams or Individuals to NJSIAA Championships" in the NJSIAA Handbook. Tournament Directors will disqualify any contestant who is accompanied by someone in a coaching capacity who is not properly certified and appointed by the Board of Education. A properly appointed coach will thereafter be subject to the Rules and Regulations, Rule 2, Section 11 - Out-of-Season Practice. ### **TEE-OFF TIMES, PAIRINGS**

All information relative to tee-off times and pairings will be e-mailed to participating schools on or before the Wednesday before the State Championships. ### **ADVANCEMENT/TIE BREAKING PROCEDURE/AWARDS**

#### **TEAMS**

If two (2) or more teams are tied for the Sectional Championships or Runners-up, a sudden death tie-breaker play-off will take place to determine the Sectional Champion or qualifier. In a playoff, the low four (4) players in the completed round must be used. Ties for four (4) on the team shall be decided at the discretion of the coach. If a tie is not broken on the first hole, the tied teams remaining will move on to the second hole, and so on until the Team Champion, Runner-up or qualifiers are determined.

Any member of the team may compete on the day of the State Group or T of C (Substitute rule).

### **INDIVIDUAL AND TEAM CHAMPIONS**

1. **Individual** – "Sudden Death" playoff for all ties for 1<sup>st</sup> place. No playoffs for any other position. ALL OTHER TIES will be determined by a match of cards according to appendix I (Stroke Play, Section C in the USGA rules of golf). The best score for the last nine (9) holes, (holes 10 through 18) will determine the winner. If the tying players have the same score for the last nine, determine the winner on the basis of the last six (6) holes (13-18), last three (3) holes (16-18) and finally the 18<sup>th</sup> hole. If still tied, go to the same format using holes 1-9.

2. **Team** – "Sudden Death" for 1<sup>st</sup> place. All ties, exclusive of 1<sup>st</sup> place, will be determined by a match of cards using the 1<sup>st</sup> hole on the course on an aggregate basis

**In the event an individual qualifies as part of a team, and also as an individual, the individual playoff will be decided first, and then the team playoffs will start.**

**Throughout the entire season, scores must be reported following each match, to [www.njschoolsports.com](http://www.njschoolsports.com). If you do not know your school code, or encounter problems, please contact [HSSupport@njadvancemedia.com](mailto:HSSupport@njadvancemedia.com).**

***You must also report your team score for each match within 24 hours to Shawn Bennett at [sirbennett68@gmail.com](mailto:sirbennett68@gmail.com). Failure to complete this step will result in your team not being considered for entry into the Sectional Tournaments.***

***Individual scores will be automatically extracted from the team scores.***

# **MEMORANDUM**

DATE: March 1, 2021  
FROM: NJSIAA  
TO: NEW JERSEY HIGH SCHOOL Girls GOLF COACHES  
RE: Qualifying System for Individuals Girls State Tournament

The 2017 girls golf season was the first year in which we used adjusted scores as the basis of determining the top 50 individual girls in the state who would then qualify for the State Championship. By all accounts it was well received. We have recognized that the problem with the previous system of posting 5 rounds of 7 over par or better, does not account for either the varying difficulty of courses, nor provide a way to adjust scores for those girls who are competing on co-ed teams and are therefore playing from a different set of tees than those used in girls team matches.

The system of course and slope ratings, which the USGA adopted as a way for amateur handicaps to comparably travel from course-to-course, provides the solution we require to properly adjust scores posted on different courses and from different tee boxes.

Using the course and slope ratings on which matches are played throughout the state, all of which are already entered in our data bank, the top fifty rated girls, statewide, who have played at least 6 matches, will qualify as individuals. For those individual golfers who play more than 10 matches, only the top 10 scores will used to determine the 50 individuals for the TOC. Last year we had a problem of coaches not reporting the scores in a timely manner. This played havoc with players who are the bubble as the season nears the cutoff point. **It will be each coach's responsibility to post All their scores within 24 hours of the match.**

Well prior to the golf season, we encourage all coaches to become familiar with this reporting and statewide ranking system. You can do so by simply emailing Shawn Bennett at [sirbennett68@gmail.com](mailto:sirbennett68@gmail.com). Shawn has prepared an easy to follow tutorial that provides a very thorough step-by-step score posting process. By investing just a few minutes playing with the program, you will get a feel for the full advantages of this system and why we have adopted it as the fairest way to qualify individuals for the girls' state tournament.

Please find below a brief summary of the benefits of this adjusted score reporting and ranking system:

- fair consideration of scores posted from different courses and tees of varying difficulty
- reporting of all scores for the complete season
- ease of score reporting from any online device
- convenient access to online results
- ability of coaches to view and verify posted scores for all players in league
- ability of players to view rankings throughout the season

Dick Bennett  
Tournament Director, Girl's State Championship

\*\*\*\* Addendum for GIRLS GOLF ONLY\*\*\*\*

Beginning with the 2021 season we will be applying the same formula to adjusted team scores based on course rating and course slope as we currently apply to individual qualifying scores.

All schools that have a varsity girl participating will be entering their information on the same Google Sheet. Each school will have their own team page. If you are a Co-Ed team, your page will not add up a team score, it will just have spots for 4 individuals. If you are a varsity girls' team, you will have spaces for 12 varsity players. You will not have to add up your scores to produce a team score; it will be done automatically- you just have to enter the scores for each player on that date. We will have two different sheets that will produce information. One is the State Rankings. This will rank all of the girls, varsity team players and co-ed players. The other sheet will be Team Rankings, ranking the varsity teams. If you are a co-ed school, you will not have any information on the Team Rankings page.

*Coaches are still also required to enter the results of each match on NJ.com as they have done in the past.*
