IMPORTANT FOLLOW UP STEP (PLEASE READ CAREFULLY)

For the wrestlers to appear to in the administrative section of the website, a wrestler must have a 'match' tied to the wrestler on the girl's side. If you have entered a result (1 or all), for each of the wrestlers entered, then you are done. If you have NOT entered a result for any of the wrestlers entered on the girls' side, you must complete the following steps!

1. Enter any competition results for at least one event that the girl competed in
2. If the girl has not wrestled in any events, then complete the following steps to create a match in the system.

Create a Test Event

1. Click on Add Event
2. Click on Individual Tournament/Individual Matches
3. Click on Varsity for Level
4. Call the Event 'Your School Name' Test
5. Enter the date you create this event for
6. Create it is a new event
7. Once the event is created, click on the button at the top that says 'Add Match'
8. Select the wrestler's post-season weight from the drop down
9. Select the girl's name
10. Select No Teams for Wrestler 2
11. Select your wrestler for Winner
12. Select BYE in the win type
13. Click Save
14. Complete for each girl that does not have a match

NJSIAA Application-for consideration: Application Deadline March 28, 2021 at noon.

NJSIAA Girls Wrestling Seeding Application: Coaches must click on the link below and complete the application for seeding consideration in the girls individual wrestling tournament. Please include any, and all information about the wrestler to assist the Seeding Committee in the Selection/Seeding process.

In the 2021 Accomplishment section you might consider adding the "best win" for this year either vs a male or female wrestler.

Reminder Coaches, you are submitting this application because you believe this wrestler is one of the top wrestlers in her weight class! The Girls Seeding Committee will be selecting/seeding 8 per weight class in the North Region and 8 per weight class in the South Region.
