New for This Year's State Tournament

1. Because of COVID-19 and the uncertainty of the number of games that will be played, the qualification standards have been changed.
2. The NJSIAA power point system will be used and will be adjusted to better accommodate schools dealing with challenging game schedules.
3. Team entry form must be completed online via the NJSIAA website.

To Qualify for the Team Tournament

1. Teams must be competing on a varsity interscholastic basis and sixty percent (60%) of the games played on or before the cutoff date must be against New Jersey schools.
2. The NJSIAA power point system will be used for all qualifying purposes.
3. The power point procedure for tennis will be using the top 6 highest power point totals from opening day to the cutoff date regardless of how many games were played. The residual points earned from opponents will be calculated using the opponent's first 8 games played.
4. If there is a tie in power points for qualification, we will use the current NJSIAA tie breaking procedure.
5. Teams that play less than 6 games will still be eligible for the tournament based on their total power points achieved at the cutoff. Additional factors such as UTR ranking, record, winning percentage, strength of schedule may also be considered.
6. Games completed after the cutoff date will not count toward the NJSIAA power point calculation, even if the match was started before the cutoff date.
7. The 16 highest team power point totals from each section and each group will qualify into the tournament.
8. Teams not wishing to enter the tournament must notify the NJSIAA by using the NJSIAA online tournament opt-out procedure by the opt-out date listed above.
9. Any player with two (2) or more disqualifications in the current season, prior to the start of the tournament, will be unable to compete in the state tournament.
10. Any varsity team accumulating three (3) or more player or coach disqualifications prior to the start of the tournament will not be permitted to participate in the state tournament. Seeded teams will forfeit their right to compete if a disqualification limit is reached prior to the start of the tournament for the team.

Entry Procedure

1. All varsity schedules & rosters must be entered in njschoolsports.com by the start of the season.
2. All varsity scores must be reported to www.njschoolsports.com as soon as possible after each contest. If you encounter problems, please contact hssupport@njadvancemedia.com.
3. Power Points will be downloaded from the njschoolsports.com website on the date listed above at noon. The seeding committee will use this information to seed the tournament. Coaches are reminded that all team information must be totally up to date and checked for accuracy.
4. The team tournament entry form must be completed online by the entry due date above.
5. The challenge match form must be completed and given to the opposing coach before the start of each tournament match.

Tournament Seeding

1. The qualifying schools in each group and each section will be seeded using the NJSIAA power point system. If there is a tie in power points for seeding, we will use the current NJSIAA tie breaking procedure.

Any modification to the play dates must be agreed upon by both schools. The tournament may not start before the round (1) date. If the higher seeded team cannot secure a facility (indoors or outdoors) on the rain date and the lower seeded team can, then the location will be moved to the opponent's site.

If such forfeit(s) would have caused the school's failure to qualify for the tournament or if an ineligible player participates in a tournament game, said SCHOOL will be disqualified from the tournament immediately and their last opponent will advance in their place. Schools eliminated prior to the last opponent will not re-enter tournament competition.
12. Teams must be accompanied by a coach that has been approved by the school district. If a coach or coaches cannot attend, the school must send a chaperone approved by the school district. Coaches must supervise their players at all times and must be in attendance for the entire match.

Withdrawal of Player(s)

Sometimes, when a match has already been decided, a coach elects to withdraw his/her player(s) and forfeit the remaining match or matches; this counts as a loss on the individual player's record.

This is within the rules of the game, although it is not fair, from an ethical point of view, to the opponent. It is more acceptable in tournament play when a team must play another round later that day.

Facility restrictions, weather, darkness, travel time, sickness, injury, and mutual consent are examples of justifiable reasons for withdrawing players. To arbitrarily do so, is discourteous and should not be done.

7-Point Tiebreaker Rule:

Singles:

A serves first point from right court; **B** serves points 2 and 3 (left and right); **A** serves points 4 and 5 (left and right); **B** serves point 6 (left) and after they change ends, point 7 (right); **A** serves points 8 and 9 (left and right); **B** serves points 10 and 11 (left and right); and **A** serves point 12 (left). If points reach 6-all, players change ends and continue as before: **A** serves point 13 (right); **B** serves points 14 and 16 (left and right); etc., until one player establishes a margin of two points. (Changes of ends during a tiebreaker are to be made without any delay other than the 20 seconds allowed between points.) Players change ends for one game to start the next set, with Player **B** to serve first.

Doubles:

Doubles follow the same pattern, with partners preserving the sequence of their serving turns.

(Assuming **A** & **B** vs **C** & **D**) Player **A** serves first point (right); **C** serves points 2 and 3 (left and right); **B** serves points 4 and 5 (left and right); **D** serves point 6 (left) and after the teams change ends, point 7 (right) ...**A** serves points 8 and 9 (left and right); **C** serves points 10 and 11 (left and right); and **B** serves point 12 (left) ...If points reach 6-all, teams change ends and continue as before: **B** serves point 13 (right); **D** serves points 14 and 16 (left and right); etc., until one team establishes a margin of two points.

Teams change ends for one game to start the next set with team **C** & **D** to serve first.

The set shall be recorded as 7 games.
