April 1, 2021

Dear Friends,

On behalf of the State of New Jersey, I am pleased to extend greetings to all those participating in the New Jersey State Interscholastic Athletic Association – Spring 2021 Championship Season.

Since its inception, the NJSIAA has remained committed to fostering and encouraging athletic and academic excellence, health and safety, cooperation and fairness, and good citizenship amongst student athletes and the athletic community it serves. Participation in high school sports and athletic activities provide an opportunity for students to learn and implement skills that serve to positively impact their development and overall success.

As Governor, I commend the NJSIAA, student athletes, and supporters for their hard work, boundless efforts, and dedication to interscholastic athletic programs and competition.

Best wishes to all for an enjoyable and memorable championship season!

My very best,

Dear Parents, Coaches, Players and Fans:

Rothman Orthopaedics is proud to be the exclusive partner of NJSIAA Wrestling Championships. Supporting scholastic athletics within New Jersey communities is such an important part of the fabric that makes up our Orthopaedic practice. New Jersey has the reputation of producing some of the best student-athletes in the country and we, as an organization, couldn't be more proud of the association with NJSIAA Wrestling.

As we continue to serve the Philadelphia/New Jersey region, we have exciting developments occurring in New York in 2021. In addition to our current 15 NJ locations, which includes the opening of new locations in Bordentown and Hamilton, our North Jersey Headquarters opened on Rt. 4 in Paramus in September of 2020! We are also proud to announce the opening of our flagship New York office on 60th and Madison Ave in Manhattan that opened earlier this month.

Lastly, we are happy to announce our latest expansion down in Orlando, Florida. We are continuing to add physicians to the Rothman Florida team, who began seeing patients earlier this year.

We strive to provide the communities we serve with the highest quality, compassionate, and affordable musculoskeletal care that is grounded in evidence-based medicine, the results will exceed expectations. We are in-network with most major insurances and in Bergen County we offer online scheduling through RothmanNJ.com.

In addition to our partnership of NJSIAA High School Football & Wrestling, we are also the official team physicians of the Philadelphia Eagles, Phillies, Sixers, The Radio City Rockettes, Big East Conference, Trenton Thunder, Lakewood BlueClaws and over 40 regional high schools and colleges / universities.

On behalf of Rothman Orthopaedics we wish all players, coaches and parents the best of luck these championship weekends. Visit us at RothmanOrtho.com or RothmanNJ.com

**Welcome
To
Phillipsburg High School
And
The NJSIAA Boy's Individual State Wrestling Championships**

On behalf of the New Jersey State Interscholastic Athletic Association, I would like to welcome all participants, coaches, parents, members of the media and corporate sponsors to Phillipsburg High School for the 2021 New Jersey Boy's Individual Wrestling Championships.

I would like to start by thanking everyone responsible for making this season and the individual championship tournaments possible. There was considerable question and doubt that we would be able to hold the Individual tournaments, but thanks to the untiring efforts of Kim Cole and Colleen McGuire of the NJSIAA, their staff and many coaches, the tournaments have become a reality. This is Kim Cole's first season of being in charge of wrestling and Colleen's as Chief Operating Officer for the NJSIAA. I'm not sure they realized what they were getting into this year, but they took on the task and are doing a fantastic job. Thank you Colleen and Kim.

I'd be remiss if I didn't give thanks to the many people who work behind the scenes: my assistant Jack Kinner, the Staff at the NJSIAA, especially Jewel Sellers and Jen Yelle, the tournament staff, the trainers and the many coaches and officials who help to make this week-end and the season a memorable experience. The wrestlers and coaches have sacrificed a lot during this pandemic, and I salute them for their persistence and hard work. I would like to extend a special thank you to the Phillipsburg Board of Education and especially Tom Fisher, the Athletic Director, for stepping up and volunteering their facility and helping to organize the Girl's and Boy's State Championship tournaments. Also, many thanks go to all the school districts and their Athletic Directors as well as their Boards of Education who volunteered to hold the Regional Tournaments last week-end at Cherry Hill East, Hunterdon Central, Mt. Olive and Union and earlier the Girl's Regional tournaments at Williamstown High School and Union High School. Thank you.

Another year has gone by and again more exciting happenings in the world of wrestling in the State of New Jersey. This was the third year for Girl's wrestling. The two year pilot program ended last March and a new era has begun. CoVid has slowed us down a little this year, but hasn't stopped the dedication developing with the girls and their coaches. As you watch you will see the skills are improving and our girls are able to compete with all of the other States. I am confident that when we return to a normal season next year the Girl's sport of wrestling will continue to take off. Organizations and programs have been forming so that after the season the girls can continue to train and help in the development of their skills and understanding of the sport. College coaches are watching and are searching for the next NCAA Champion. If you have not formed an opinion about Girl's wrestling yet, just watch them when you get a chance and experience the enthusiasm, camaraderie and efforts displayed. It becomes contagious.

My hat goes off to the many Coaches who have toiled through this difficult time struggling and sacrificing to help get their athletes the opportunity to try and reach the ultimate goal all wrestlers strive toward, a New Jersey State Wrestling Championship. The wrestlers and coaches have sacrificed a lot during this pandemic, and I salute them for their persistence and hard work. There were many coaches pushing behind the scenes to make this tournament as good and successful as possible under the trying issues created by the pandemic. I am sure there are some athletes who are disappointed because they weren't able to participate in Districts or a conference tournament in this difficult year, but I commend the wrestlers for staying with it, still working hard and trying to make the best of a bad situation. Good luck to all and be proud that you wrestle in New Jersey.

On another note there is one area of needed improvement that the Coaches Association continues to stress and that is the dress code for coaches and wrestlers. The Wrestling Committee continues to recommend that coaches and wrestlers adhere to an appropriate dress code at both dual meets and tournaments. We hope that all school districts will enforce respectful attire which reflects well on New Jersey Wrestling. We are the best of the best and we want to be that in all aspects of the sport.

Lastly, I want to congratulate all wrestlers and coaches who are participating in this year's NJSIAA State Wrestling Championships. We are proud of our wrestlers who are able to compete in one of the premier state championships in the U.S.
