

2021 NJSIAA Field Hockey Tournament

The NJSIAA reserves the right to adjust, change or cancel dates, times and locations for all NJSIAA State tournaments. Schools entering the tournament will not be granted a change of date/time due to any conflicts with school trips, proms, banquets, SAT's, graduation, and the like.

Member schools not willing or able to comply with all tournament regulations should not enter the tournament. Member schools will not be eligible to participate in any NJSIAA Championship Tournament if it has violated the NJSIAA Constitution, Bylaws, Rules, Regulations, Guidelines, Policies, and Procedures.

In all tournaments conducted by the NJSIAA, each member school must compete in its own group and section classification, unless fewer than eight (8) schools qualify. In that case, the Executive Committee may combine one or more groups. When the committee eliminates sectional championships because of an insufficient number of schools qualifying, the State Group Championships will be conducted on a statewide quartile basis or State Championships may be conducted without regard to Groups or Division.

Coaches must have a copy of these regulations as well as a copy of rule Modifications (if any) for this tournament available at all contests. Copies of these documents are also available on the NJSIAA website.

The NFHS Field Hockey Rules along with any NJSIAA field hockey rule modifications will govern this tournament.
