SECTIONAL CHAMPIONS	20

#### **NOTES**

Prior to 1946 only section titles were awarded by the NJSIAA Executive Committee.

Prior to 1969 there was only one division for the Non-Public.

From 1973-1975, a third Non-Public division was added (Non-Public C).

Due to the COVID-19 pandemic, Regional Championships were held in place of traditional State championships.

The New Jersey State Interscholastic Athletic Association strives to make each sport's Championship History Book an accurate and comprehensive resource. If you have information you believe should be included in these records (additions, deletions or corrections), it may be submitted by e-mail to Dena Maggio at dmaggio@njsiaa.org. Please provide supporting data/documentation with your submission. Appropriate documentation shall include, but is not limited to, the following: copies of scorebooks or game/season statistical summaries, copies of yearbooks, and copies of newspaper clippings. All information must be complete for consideration. Submissions completed by a coach or school administrator are preferred. Before any mark is added to the record book, it must be independently verified by the NJSIAA staff. If the information cannot be independently verified, it will not be included.
