NOTES

"NJSIAA Football History" was taken from the NJSIAA's first record book published in 1910.

The NJSIAA was founded in 1918, first to regulate football, then all high school sports.

In 1993, Non-Publics were diveded into 4 groups.

In 2012, a fifth public group was added.

Due to the COVID-19 pandemic, Football Championships were not held in 2020.

In 2021, Non-Publics were divided into two groups.

2022 was the last year for Regional Championships. A tournament crowning State Champions began in 2023.

The New Jersey State Interscholastic Athletic Association strives to make each sport's Championship History Book an accurate and comprehensive resource. If you have information you believe should be included in these records (additions, deletions or corrections), it may be submitted by e-mail to Dena Maggio at dmaggio@njsiaa.org. Please provide supporting data/documentation with your submission. Appropriate documentation shall include, but is not limited to, the following: copies of scorebooks or game/season statistical summaries, copies of yearbooks, and copies of newspaper clippings. All information must be complete for consideration. Submissions completed by a coach or school administrator are preferred. Before any mark is added to the record book, it must be independently verified by the NJSIAA staff. If the information cannot be independently verified, it will not be included.

NJSIAA Football History

The following was taken from the NJSIAA's first record book published in 1910. (Note: The NJSIAA was founded in 1918, first to regulate football, then all high school sports.)

Summarizing competition of high and prep. schools in 1919.

Summarizing the results of the interscholastic football competition of New Jersey in 1919, the high school championship of the State was awarded to Barringer, of Newark, and the prep school title to Peddie Institute, of Hightstown. In the latter case it is a noteworthy fact that this was the fourth successive time that Peddie triumphed in the prep school division, a remarkable achievement for the coach of the Gold and Blue, Earl C. MacArthur. Incidentally Peddie had the distiction last year of triumphing in football over its arch rival, Lawrenceville, for the first time in the history of the schools' athletic relationship. The Lawrenceville School won the State championship in 1912 '13 and '14. The following year, 1915, saw Blair Academy mounting the championship pedestal. Since 1916 Peddie has reigned supreme on the prep school gridiron, its champion teamas have been captained in turn by Jones, Riggan, Anderson and Ecker. The champion teams in 1919, as was the case the year before, were awarded handsome trophies donated by E.W. Siple, alumni secretary of Rensselaer Polytechnic Institute, who has shown interest in material form in the promotion of interscholastic competition in New Jersey.

Barringer and Peddie, as well as the schools judged sectional title winners, were officially awarded the State championship by decision of the executive board of the New Jersey State Interscholastic Athletic Association. In the high school division East Orange loomed up as a formidable contender for the State title up to the last game of the campaign.

The Red and Blue of East Orange had not only been undefeated up to that time, but its line had not been crossed by an opponent for a goal or touchdown. In the deciding game, however, East Orange had to lower its colors to Barringer, the score being 29 to 7 in favor of the Newark team. Barringer had previously lost a 7 to 0 game to Lawrenceville and was defeated, 21 to 0, by South Side, a game in which city league regulations deprived the losers of the services of four of their regular players, boys who were eligible in all other games. The season revealed two undefeated high schools teams-Rutherford and Brigeton-but none of those played schedule warranting a Class A championship rating. In the opinion of the executive board, empowered to pass judgment on the championship situation, Barringer was regarded best, of the high school teams and consequently awarded the State title.

Peddie clearly was master of the prep school division. The Hightstown team encountered one defeat, that by a 6 to 3 margin at the hands of Gullum Hall of West Point, but the MacArthur machine triumphed over Blair and Lawrenceville, besides winning over Pennington and Newark Junior College, and played scoreless ties against the Freshmen elevens of Princeton and the University of Pennsylvania. No other prep school team in the State equaled a record such as that. In the team rating Blair was graded second and Bordentown, third. The Military Institute team was placed a notch above Lawrenceville, having played through a difficult schedule and been scored upon by only one team. Easton defeated, Bordentown, 10 to 0. In the high school class East Orange was rated second and South Side of Newark third. The grading of the other schools, the first thirteen in the high school division Class A and B and the first eleven in the prep school class, is show in appended lists.

To give the "little fellows" a chance to shine and compete for championships in their respective classes, the schools were divided into Classes A, B and C, according to their male enrollment. In Class B, embracing schools with an enrollment between 100 and 300, Rutherford was awarded the championship of Northern New Jersey, Asbury Park in Central Jersey and Woodbury in South Jersey. Atlantic City and Camden were rated on a par for Class A supremacy in South Jersey. Only in South Jersey was there a Class C competition among schools holding membership in the State association. The title in that division was awarded to Wildwood.
