NOTES

The first NJSIAA Girls Soccer State Tournament was held in 1980. The two Sectional Champions would go head-to-head (North vs South) to determine the State Champion.

Beginning in 1985, 8 sectional champions would be crowned- (four groups in each of the two sections- North and South).

Beginning in 1989, four sections were created (North 1, North 2, Central, and South). 16 Sectional Champions would be crowned.

Beginning in 1999, Parochial A and B groups were added. A sectional champion would be crowned in both groups for a North section and South section (4 total sectional champions).

Due to the COVID-19 pandemic, Regional Championships were held in place of traditional State Championships in 2020.

The New Jersey State Interscholastic Athletic Association strives to make each sport's Championship History Book an accurate and comprehensive resource. If you have information you believe should be included in these records (additions, deletions or corrections), it may be submitted by e-mail to Dena Maggio at dmaggio@njsiaa.org. Please provide supporting data/documentation with your submission. Appropriate documentation shall include, but is not limited to, the following: copies of scorebooks or game/season statistical summaries, copies of yearbooks, and copies of newspaper clippings. All information must be complete for consideration. Submissions completed by a coach or school administrator are preferred. Before any mark is added to the record book, it must be independently verified by the NJSIAA staff. If the information cannot be independently verified, it will not be included.
