4. Review of the post-season (Positive / Negative)
  - i. Realignment: Any changes needed for 2022? Divide the schools by northing numbers and split into 4 divisions- Officials feel its would be a welcome change for four sections due to the shortage in officials.
  - ii. Numbers of teams, individuals, and independents per section? Four sectional champs plus next four highest scoring teams for the championship.- So it will be four sections with the state championships being the four sectional winners and then the next 4 highest scoring teams in the state. Only 8 would qualify for the team tournament.
  - iii. any changes that should be made and the cut-off dates and tournament dates for the 2022-2023 school year. Any projected changes in sectional directors?- The four sectional hosts will be Ridgewood, Hillsborough, Manalapan, and Seneca. Entries should be due October 26
  - iv. Need New State Assignor, Rules Interpreter, State Meet Director- Probably will be selected in January. All fall Assignors, Rules Interpreters, and State Meet Directors for the fall are posted.
5. Host site concerns
  - i. Recommendations from the NJ Girls Gymnastics Coaches Association (from the coach's association liaison, Cathy Pierson- Some judges were too lenient early in the season and that hurt those athletes latter in the year. Also we will all make an effort to recruit more officials.

ii. Change in pay structure for judges? Ticket takers/sellers? Student helpers?- Derryk Sellers stated that he would take their concerns to Colleen Maguire.

6. Review of dates for next season (See Handout)- All dates reviewed and confirmed

7. Review of current regulations and any proposed changes for next season.

- We will go with 4 sections for 2022 season

8. New Business

- Club coaches – Discussion – Any problems- Concern that some of the coaches are coaching their own athletes out of season at the local gymnastic clubs.
- Discussion of changing the pay for the officials to \$100 for Sectional and states. Currently they get paid more for sectionals than the state tournament.
- Also would like to create a position for website coordinator/computer scorer \$200 pay.

9. Old Business- Intent form- We need to add the coaches information. All Coaches /ad/s should let opponents know if other teams will be participating in the meet.

10. Correspondence

11. Good of the order.
