

2021-22 NJSIAA Boys Individual Wrestling Tournament

The NJSIAA reserves the right to adjust, change or cancel dates, times, and locations for all NJSIAA State tournaments. Schools entering the tournament will not be granted a change of date/time due to any conflicts with school trips, proms, banquets, SAT's, graduation, and the like. In addition, all schools competing in this tournament must adhere to the NJSIAA state tournament COVID-19 policy which can be found on our website under current resources or by following this link: <https://www.njsiaa.org/sites/default/files/documents/2021-11/njsiaa-state-tournament-policy.pdf>

Member schools not willing or able to comply with all tournament regulations should not enter the tournament. Member schools will not be eligible to participate in any NJSIAA Championship Tournament if it has violated the NJSIAA Constitution, Bylaws, Rules, Regulations, Guidelines, Policies, and Procedures.

In all tournaments conducted by the NJSIAA, each member school must compete in its own group and section classification, unless fewer than eight (8) schools qualify. In that case, the Executive Committee may combine one or more groups. When the committee eliminates sectional championships because of an insufficient number of schools qualifying, the State Group Championships will be conducted on a statewide quartile basis or State Championships may be conducted without regard to Groups or Division.

Coaches must have a copy of these regulations as well as a copy of rule Modifications (if any) for this tournament available at all contests. Copies of these documents are also available on the NJSIAA website.

The NFHS wrestling rules along with any NJSIAA wrestling rule modifications will govern this tournament.

District Tournament Rules & Information

1. The District Tournament will consist of a 3-round qualifying, tournament held at 32 locations.
2. The top 3 place winners in each weight class will advance to the regional championships.
3. A contestant shall weigh-in for only one weight class during the weigh-in period. The individual's descent plan must allow participation at the chosen weight class.
4. All weigh-ins will start 1.5 hours before the scheduled start time.
5. Only one wrestler per weight class will be given a pass for entry into the tournament.
6. Wrestlers receiving a forfeit must weigh-in and step on the mat for that round. Failure to do so eliminates a wrestler from the tournament and/or further competition.
7. All wrestlers will weigh-in in reverse seed order (10-9-8-7 etc.).
8. There is a two (2) scale minimum for weigh-ins. If weight checks are provided, the same scales must be used for both the weigh-ins and weight checks.
9. The actual weight of each contestant must be recorded by the weighmaster or designee on the District weigh-in sheet. Proper signatures must be recorded.
10. All schools entered in the individual tournament will be held responsible for the conduct of their coaching staff and all other school personnel. Member schools cannot expect the NJSIAA to assume responsibility for improper conduct at tournament events.

11. The site manager and/or the official, have the authority to address and correct any action of intimidation unethical, or unsportsmanlike conduct.
12. When severe weather conditions or other unforeseen circumstances necessitate postponement, the site manager will make the final decision and should have an outlined procedure to inform potential opponents, media, nj.com at hssupport@njadvancemedia.com, working personnel, assigned officials, the NJSIAA, and the tournament director.
13. All matches, except finals, will follow regular match order: 108 through 287. If the finals will be wrestled following a random draw the random draw will take place prior to the weigh-ins Saturday when all coaches and wrestlers are present at the designated weigh-in time (per NFHS Rule 5-21.1).
14. Team Scoring - To determine the team champion. Points are kept in accordance with procedures in the NFHS Rule book for tournament scoring, including points, byes, and advancement using a 16-man bracket.
 - a. No team points are awarded for:
 - Use of an ineligible wrestler - no team points for opponents that were defeated either.
 - Disqualified wrestler for flagrant misconduct.
 - b. All Districts are seeded using a sixteen (16) person bracket, therefore, Advancement Points will be awarded to all quarterfinalists (round of 8)
 - By rule, a bye can only happen in the first round (round of 16) of any tournament. A bye is not the same as a forfeit provided there are not enough wrestlers to complete the round of 8, then the top seed receives a forfeit victory if they weigh-in in proper uniform, ready to wrestle (forfeit will count as a win for that individual) and have their hand raised to receive all advancement and pin-points

District Tournament Seeding Information

1. The site manager will serve or appoint a Seeding Chairperson, who is not an active high school coach, to run the meeting, and to only vote in the case of a tie.
2. The head wrestling coach and one designee may take part in the seeding discussions but only the head coach must vote. Every school must vote (no abstentions).
3. All districts must use the NJSIAA sponsored computerized program, trackwrestling.com, for the seeding meeting throughout the tournament.
4. All district seeding meetings must be held on the Thursday of district week. Coaches must be made aware of the time and location.
5. Wrestlers will be pre-seeded by trackwrestling based on their best twenty (20) matches based on the pre-seed chart for the district.
6. Trackwrestling will do all the calculations automatically when match results are recorded on trackwrestling, and a current listing of points will be available online as the season progresses.
7. The Pre-seed chart will be a combination of the following:
 - a. **Prestige Points** - Points a wrestler starts the season with, by virtue of the best past performance in a previous State Tournament. These points will be displayed on trackwrestling so possible caliber points can be determined by opponents.
 - Use same advancement criteria as stated in the state tournament criteria- i.e., replacement wrestler does not have to win in the tournament to get credit for seeding next year
 - Prestige points for the 2020/2021 COVID adjusted season will be assigned according to the chart that correlates 2020/2021 advancement in the regions and states to standard advancement in the state tournament. No prestige points for the 2020/2021 season will be assigned for district and region advancement.
 - Usual Advancement = 2020/2021 Advancement = Prestige Points

S1 = S1 = 62.5	S5 = S5 = 50	Swb4 = swb4 (1-2 at 2020 states) = 40
S2 = S2 = 57.5	S6 = S6 = 47.5	Swb3 = Swb3 (0-2 at 2020 states) = 37.5
S3 = S3 = 55	S7 = S7 45	Swb2 = 2020 R5/6 = 35
S4 = S4 = 52.5	S8 = S8 = 42.5	Swb1 = 2020 R7/8 = 32.5
Note: No advancement below Swb1 for 2021 COVID season		

- b. **Caliber Points** - Points for competition earned for wins and some close losses (by a decision) during the current season.
 - Points are calculated for the best twenty (20) matches.
 - The district pre-seed chart can be used for out-of-state competition.
 - A win will earn two (2) points regardless of state or caliber of varsity competition.
 - The individual match record will show how many points are earned or lost for each match throughout the year.

- A single pin-point will also be added when a match ends in a fall. (Not for md, tf, dq or ff).
 - A single point will be deducted for each loss to a non-regional competitor from a previous tournament.
 - Any forfeit win counts for 2 points but no extra pin-points
- Coaches MUST enter their wrestlers for the districts via the trackwrestling program by 8:00 PM on the Monday of District week. This will allow trackwrestling to calculate the Pre-Seeds, and head-to-head data per weight class. Coaches will not have to print a copy of all of their individual match summaries for all of the other coaches in the district.
 - The District Site Manager will receive an access code from trackwrestling and will be responsible for printing out a set of 14 sheets (each weight) for every team entered. This one (1) page per weight class print-out will be a list of wrestlers with their total Pre-Seed points listed (from highest to lowest) and will include the wrestler's record and grade and will list all head-to-head matches between any contestants in this weight class during this year and will be given out at the start of the seeding meeting. Any tie in the pre-seed points will be broken by (in order):
 - Head-to-head
 - Common opponents (Win vs Loss)
 - Three best win(s) on a vote of the head coaches
 - Pre-seed point Calculations: Prestige Points + Caliber Points = Pre-seeds (see chart below)

District Tournament Seeding Procedure

- Coaches must hand in a completed trackwrestling generated Individual Match Summary Form for all of their wrestlers participating in the tournament, at the start of the seeding meeting to the district site manager.
- All wrestlers will be seeded, and their names placed on a traditional 16-wrestler bracket with no wrestler seeded in more than one weight class.
- Only individual varsity matches wrestled this season count towards seeding, with the winning of any previous titles made known to all.
- An open or closed vote of all voting coaches is taken and is final and all discussions on that wrestler shall cease and shall not be reconsidered. Coach's late arrival is NOT grounds to re-seed.
- Wild Card Procedure - Prior to the start of seeding the first weight class, all coaches that are considering using the wild card designation for any wrestler(s) will be heard (2 minutes), discussed, and voted on, with

that vote final as no other wild cards will be entertained once the seeding starts. Collectively, coaches will decide what they believe is a proper use of the wild card designation for any wrestler that can include injury, academically ineligible, transfers or other unforeseen conditions AND coaches should be careful not to abuse the wildcard as it could lead to endless times consuming debates.

- a. Mandatory wild cards simply mean that coaches must talk about why these situations have happened and a vote will be taken as to where these wrestlers should be seeded. Seeding points are not mandatory for these situations.
 - Example 1: Moving two or more weight classes over a wrestler's lowest weight class.
 - Example 2: Someone moving to another weight class AFTER the seeding meeting.
6. Movement after the Pre-seed will only be by Head-to-Head results.
7. Final seeding for the districts:
 - a. Head to head competition this season.
 - b. First Step - eliminate round-robin set of losses between 3 or more wrestlers. Might have to use loss twice to satisfy multiple round robins. A>B>C>A or A>B>C>D>A.
 - c. Next start with the best pre-seed and work down. Discuss every head-to-head match, with the best challenge, heard first. Continue until all losses are satisfied and vote only with extenuating circumstances.
 - Majority of victories receives preference. Split decisions will be decided with the later win receiving preference
 - d. The vote will result in the challenger moving ahead of the higher, pre-seeded wrestler, moving the remaining wrestlers down, OR to remain in the pre-seed placement.
8. Unfair Seeds - Where it can be substantiated that an unfair seed has occurred, the tournament director must email the NJSIAA Tournament Director by 12:00 Noon, Friday to have the matter presented to the State Tournament Committee of the seeding meeting with this committee's ruling final.
9. Replacement- Any wrestler named at the seeding meeting that cannot wrestle in that weight class for any reason can be replaced prior to the conclusion of that weight class's weigh-in by an "eligible" replacement or alternate and a re-seed must occur.
10. Forfeiture- Occurs after the initial weigh-in period and a subsequent reseeding meeting is over. If a wrestler successfully weighs in and subsequently does not appear on the mat to wrestle, a forfeit will be declared. Any forfeiture for not appearing on the mat eliminates that wrestler from the tournament unless as provided for in NFHS Wrestling Rules Book. Failure to provide the Tournament Committee with an acceptable reason for default or forfeit could result in Executive Committee action.
11. Re-seeding – Any Replacement will necessitate a re-seed using the same initial district seed procedure. This re-seeding must occur prior to the start of the first session.

State Individual Championship Final Seeding

1. Head to head competition this season.
 - a. First Step - eliminate round-robin set of losses between 3 or more wrestlers. Might have to use loss twice to satisfy multiple round robins. A>B>C>A or A>B>C>D>A.
 - b. Next start with the best pre-seed and work down. Discuss every head-to-head match, with the best challenge, heard first. Continue until all losses are satisfied and vote only with extenuating circumstances.
 - Majority of victories receives preference. Split decisions will be decided with the later win receiving preference
 - c. The vote will result in the challenger moving ahead of the higher, pre-seeded wrestler, moving the remaining wrestlers down, OR to remain in the pre-seed placement.
2. Replacement - The replacement must have competed in the finals or consolations in the Regions unless injured. Only someone placing 1st through 6th may be a replacement for the State Finals in Atlantic City. The coach of the withdrawn or possibly withdrawn wrestler must notify the coach of the 5th or 6th place (if needed) finisher so that wrestler may be the fourth representative from that Region.
3. Forfeiture - Occurs after the initial weigh-in period and a subsequent reseeding meeting is over. If a wrestler successfully weighs in and subsequently does not appear on the mat to wrestle, a forfeit will be declared. Any forfeiture for not appearing on the mat eliminates that wrestler from the tournament unless as provided for in NFHS Wrestling Rules Book. Failure to provide the Tournament Committee with an acceptable reason for default or forfeit could result in Executive Committee action.
4. Re-seeding - All appeals must be made by 12:00 Noon Wednesday. A re-seed/re-draw of wrestlers will occur before this time.
 - a. If a wrestler is out of the tournament for any reason prior to 8:00 pm Wednesday, a reseed will occur.
 - b. Any replacement will necessitate that Region to treat their four (4) remaining wrestlers as 1st (best remaining) 2nd (next best remaining) 3rd and 4th best remaining for reseeding purposes.
 - c. If the 5th or 6th place Region finisher cannot replace an injured/withdrawn wrestler, then a walkover (forfeit) in that spot will occur.
5. Failure to make weight in Atlantic City
 - a. A re-seed WILL NOT occur after the initial weigh-in.
 - b. If there is a legal replacement from that Region the replacement will occupy the spot(s) of the withdrawn wrestler(s).
 - c. If no replacement, then a walkover (forfeit) will occur in the first round.
