2. Review of 2019 Post Season Minutes  
There was a discussion on alleys being eliminated and they were eliminated during this season
3. Review of the regular season (Positive / Negative)
4. Review of the post-season (Positive / Negative)  
The committee feels its time for us to have standards to qualify for the state meets.
5. Review of dates for next season (See Handout)  
Here are suggested dates for next year's winter track

**Relays** January 11,12, 13, 14, 15, 16

**Sectionals** February 3, 4 & 5

February 10, 11 & 12

**Groups** February 17 & 18

**MOC** February 24 & 25 at Toms River (if needed)

March 5 Ocean Breeze

6. Review of current regulations and any proposed changes for next season.  
Return back to top places get medals for the relays/states and top 8 for the MOC.  
Open pit for the long jump if we do the MOC there.  
There was discussion of lowering the pole vault opening heights to 8ft for boys and 6'6" for girls.

7. New Business

Beginning next season there will be standards to enter the events. Will be based on time and it will be the top 30 per event. We will base the standard on times using the last eight years times. Coaches will have the ability to appeal for an athlete to be entered into the event. The appeal can be based on history (prior year)

8. Old Business

- 
- 

9. Correspondence (See Attached)

None

10. Good of the order.

The Winter track committee would like to thank Ed Colona for all his efforts and hard work. He is stepping down as the tournament director and he will be sorely missed. The committee wishes him well in all that he does.
