

2021-22 NJSIAA GIRLS GOLF TOURNAMENT

The NJSIAA reserves the right to adjust, change or cancel dates, times, and locations for all NJSIAA State tournaments. Schools entering the tournament will not be granted a change of date/time due to any conflicts with school trips, proms, banquets, SAT's, graduation, and the like. In addition, all schools competing in this tournament must adhere to the NJSIAA state tournament COVID-19 policy which can be found on our website under current resources or by following this link: <https://www.njsiaa.org/sites/default/files/documents/2021-11/njsiaa-state-tournament-policy.pdf>

Member schools not willing or able to comply with all tournament regulations should not enter the tournament. Member schools will not be eligible to participate in any NJSIAA Championship Tournament if it has violated the NJSIAA Constitution, Bylaws, Rules, Regulations, Guidelines, Policies, and Procedures.

In all tournaments conducted by the NJSIAA, each member school must compete in its own group and section classification, unless fewer than eight (8) schools qualify. In that case, the Executive Committee may combine one or more groups. When the committee eliminates sectional championships because of an insufficient number of schools qualifying, the State Group Championships will be conducted on a statewide quartile basis or State Championships may be conducted without regard to Groups or Division.

Coaches must have a copy of these regulations as well as a copy of rule Modifications (if any) for this tournament available at all contests. Copies of these documents are also available on the NJSIAA website.

All current USGA golf rules along with any NJSIAA golf rule modifications will govern all tournament games.

Tournament Weather Interruption

If an 18-hole shotgun start cannot finish, use the following to settle the tournament Results. This is to be used if everyone in the tournament has completed a minimum of 10 holes and an alternative day to complete the tournament is not available.

1. Team Champion - A sum of the aggregate total "over par" (note bogey's = +1, birdies = -1, etc.) for the fewest total number of holes completed by all players in the tournament field.
 - a. Total holes used to calculate the "over par" will be the fewest number of holes completed by any player in the tournament field.
2. Team Tie Breaker - match of Cards. This is the aggregate team total over-par beginning with each team member's starting hole. If tied after starting hole, move to the next hole, and so on until a champion is determined. The team with the lowest total over-par is the winner.
 - b. If still a tie: Beginning with each player's starting hole, sum the over par total adding one hole's aggregate total over par to the next hole's aggregate total until a champion is determined. (i.e., 1st compare starting hole, if tied add players 2nd hole total over-par to first holes over par, continue adding one aggregate over-par hole at a time until a champion is determined)
3. Individual Champion - Sum of the aggregate total "over par" (note bogey's = +1, birdies = -1, etc.) only for the fewest total number of holes by all Players in the field. (Use on holes both players played).
 - a. Total holes used to calculate the "over par" will be the fewest holes completed by a player in the tournament field. The individual champion will be the individual having the lowest over/under par total.
4. Individual Tie Breaker
 - a. Sum the over-par total for the same holes played by all tied players. The Player that has the lowest over-par total for those holes played by both will be declared the champion.
 - b. If still tied beginning with the lowest handicap hole for tied players. Match the over-par score one hole at a time until a winner is determined. The player having the lowest score relative to par is the winner.
