2. Review of 2022 Post Season – Post season went well. Championships games were well attended. Old Bridge won the championship.
3. Review of the regular season (Positive / Negative)- Regular season issues were busing and officials.
4. Review of the post-season (Positive / Negative)
 - .500 record to qualify for the state tournament- This will be handled with the new power point system
5. Review of dates for next season- committee would like to play all four state championship games on June 10th at South Brunswick 10, 11:30, 1, 2:30
6. Review of current regulations and any proposed changes for next season.
 - Power Points_ Tony Maselli came in to explain that Boys Volleyball would be going to a power point system beginning next year. The tournament regulations will mirror the girls volleyball. More likely there will be 16 team brackets.
 - Playing 3 games- which would lead us to playing best of five 2023-24 it was presented to the committee to begin next season playing 3 games no matter what. Committee sided busing, legal ramifications, and gym space as major reason why. Clearly were told that this playing 3 games would lead to playing the best of five the following year. Derryk Sellers will research other states to see how they manage playing best of five. New Jersey is the only state in the country that doesn't play best of 5.
7. New Business
 - Classifications (see attachment)- Rough draft of what the classifications would look like. Would give us the chance to play down to four group champions with the Non Publics included.
 - Volleyball Clinic- Scott Atkinson volunteered to help set up a volleyball clinic
 - Volleyball Coaches Association
8. Old Business
9. Good of the order- Thanks to the committee for a great year. Have a great summer
