

Golf Regular Season Rules 2022-2023

Section 1 Rules The United States Golf Association Rules shall govern all NJSIAA matches. All matches must play summer rules and enforce stroke and distance for all lost balls for all matches. Coaches are encouraged to teach your players the proper use of a provisional ball in order to keep play moving.

Note 1: Concerning playing the ball down – Under extreme course conditions Coaches and/or Club Pros may make the recommendation to lift clean and place one club length, no closer to the hole. This recommendation may not be used to speed up the pace of play. This modification must be noted on the entry form each match. See Appendix 1, USGA Rules of Golf.

Note 2: In the extreme case a host course will not let a team use USGA Rule 27 concerning stroke and distance for lost balls and balls hit out of bounds, teams are required to do the following:

1. Out of bounds – Players must add a 2 stroke penalty and drop within two club lengths from the point the ball crossed the boundary (white) stakes lining the course. Lost ball – 2 stroke penalty – Drop a ball the nearest point where the ball was thought to have been lost.

This provision is to be used on a course by course basis only and is not to be adopted by a conference as a whole.
