

## 2022-23 Gymnastics Tournament

The NJSIAA reserves the right to adjust, change or cancel dates, times, and locations for all NJSIAA State tournaments. Schools entering the tournament will not be granted a change of date/time due to any conflicts with school trips, proms, banquets, SATs, graduation, and the like. In addition, all schools competing in this tournament must adhere to the NJSIAA state tournament COVID-19 policy which can be found on our website under current resources or by following this link: <https://www.njsiaa.org/sites/default/files/documents/2021-11/njsiaa-state-tournament-policy.pdf>

Member schools not willing or able to comply with all tournament regulations should not enter the tournament. Member schools will not be eligible to participate in any NJSIAA Championship Tournament if it has violated the NJSIAA Constitution, Bylaws, Rules, Regulations, Guidelines, Policies, and Procedures.

In all tournaments conducted by the NJSIAA, each member school must compete in its own group and section classification, unless fewer than eight (8) schools qualify. In that case, the Executive Committee may combine one or more groups. When the committee eliminates sectional championships because of an insufficient number of schools qualifying, the State Group Championships will be conducted on a statewide quartile basis or State Championships may be conducted without regard to Groups or Division.

Coaches must have a copy of these regulations as well as a copy of rule Modifications (if any) for this tournament available at all contests. Copies of these documents are also available on the NJSIAA website.

The National Federation Girls Gymnastics Rules along with any NJSIAA gymnastics rule modifications will govern this tournament.

### **To Qualify for The Tournament**

1. Teams must be competing on a varsity interscholastic basis and sixty percent (60%) of the matches that take place on or before the cutoff date must be against New Jersey schools.
2. Matches completed after the cutoff date will not count toward qualification, even if the match was started before the cutoff date.
3. Member schools must have competed as a team, on an interscholastic basis in at least six (6) meets to be eligible for a team championship.
4. Teams must be sponsored by their Board of Education, or non-public school equivalent.
5. Any gymnast with two (2) or more disqualifications in the current season, prior to the start of the tournament, will be unable to compete in the state tournament.
6. Any varsity team accumulating three (3) or more player or coach disqualifications prior to the start of the tournament will not be permitted to participate in the state tournament. Seeded teams will forfeit their right to compete if a disqualification limit is reached prior to the start of the tournament for the team.

### **Teams can qualify in only one of two ways:**

- A. **Traditional Route:** Top six (6) Teams per Section: Having one of the six (6) highest total scores based on any three (3) meets (i.e., dual meets, tri-meets, tournaments). (Tri-meets and tournaments are considered one qualifying score for team and individual entries.)
  - All qualifiers are eligible for team scoring.
  - The top 3 scores in each event count toward the team score.
  - If a team has more than 4 qualifiers on an event and wishes to add non-qualifier(s) in that event, the non-qualifier's score must count toward the team score but may not medal in that event or All-Around.
  - An All-Around qualifier must qualify in all four events.
- B. **Alternate Route:** Having at least three (3) competitors attain individual qualifying scores in all four events in at least two interscholastic meets, i.e., dual meets, tri-meets, tournaments. Competitors do not have to compete in the all-around. (Tri-meets and tournaments are considered one qualifying score for team and individual entries.). Participation in at least six (6) meets is required.
  - Tournament scores submitted will be considered only when team awards are given.
  - Coaches must be present and must remain in the gym throughout the competition. Schools will be notified by phone or email if their team will be one of the teams competing for a sectional team championship.

### **Individual Entry Qualifications:**

A contestant who is a member of a high school gymnastics team or an independent gymnast, must achieve, in meets up to and including the cutoff date, the following NJSIAA optional qualifying scores in at least two (2) interscholastic meets. Appeals will not be heard. A contestant must achieve the minimum score.

VAULT	BARS	BEAM	FLOOR
8.60	7.80	8.20	8.50

### **Independent Entry Qualifications:**

An independent contestant who is enrolled in an NJSIAA member school which does not sponsor an interscholastic gymnastics program may enter provided the school:

1. Submits the online entry form and the online independent competition entry form for the Sectional Championships by the date listed. Independent qualifiers must also be entered online on the same date to corresponding sectional directors. Please email the signed official score sheets (completed in ink) to the Sectional Director.
2. Provides verification that contestant has achieved NJSIAA optional qualifying scores listed above in two (2) interscholastic meets; master score sheets must be signed by a superior judge and both coaches and attached to the entry form.
3. Due to the additional time required to judge gymnasts from schools not sponsoring a gymnastic program when attempting to qualify for NJSIAA competition, the independent/independent's school district must pay the official(s). Such participants will be expected to reimburse the official(s) a fee of \$15.00 per official for each independent. The independent must carry a verification letter from the Board of Education for the independent and the board-approved coach.
4. The school represented by an independent gymnast must schedule with the host school, and then notify the other competing school(s). Scheduling must be done in advance, with permission of the home coach, so that all schools are aware that independents will be competing.
5. No more than three (3) independents may participate in any dual/tri-meet. Once qualifying scores have been achieved, Independents may only compete in one dual/tri meet a week after achieving the qualifying scores. Independents shall be allowed to compete in Invitationals, Conference, and/or County meets as well as State Sectional and Final meets.
6. Accepts the responsibility that the contestant will be accompanied at all meets by a coach or a certified faculty member approved by their Board of Education. The coach must remain with the athlete throughout each meet.

NOTE: A member school may enter all student-athletes who meet the qualifying criteria.

### **Attention Athletic Directors / Coaches of Independents:**

Schools entering independents and not presently competing on an interscholastic basis are advised to carefully read the Procedures - "Coaches" Appointed to Accompany Teams or Independents to NJSIAA Championships in the NJSIAA Handbook. Tournament Directors will disqualify any contestant who is accompanied by someone in a coaching/spotting capacity who is not properly certified and appointed by the Board of Education. A properly appointed coach will thereafter be subject to the Rules and Regulations, Rule 2, Section 11 - Out-of-Season Practice. If a substitute coach is used, written authority from the school's Principal must be presented.
