Fee: Free

Presenters: David Nash, Esq., LEGAL ONE Director

This session is brought to you in partnership with NJSIAA. In this session participants will learn about major changes to New Jersey's Anti-Bullying Bill of Rights and a new law addressing hazing that both became effective prior to the start of the 2022-23 school year. Participants will also learn about recent New Jersey cases involving bullying and athletics, including cases in which coaches, athletic directors, spectators and/or student athletes were alleged to have been involved. New legal requirements related to addressing hazing will also be reviewed, along with other related changes in state and federal law. The session will be highly interactive and include a review of real-world scenarios.
