To Qualify for the Tournament

1. Teams must be competing on a varsity interscholastic basis and sixty percent (60%) of the games played on or before the cutoff date must be against New Jersey schools.
2. The NJSIAA power point system will be used to qualify all teams for the tournament. Only NJSIAA full or federated member school games will count toward PowerPoints.
3. Games played after the cutoff date will not count toward the PowerPoint calculation even if they were started before the cutoff date.
4. The top 16 teams from each section and each group will qualify for this tournament using the PowerPoint system.
5. PowerPoint calculation for Baseball will be using the **16 best** power-pointed games from opening day to the cutoff date regardless of how many games were played.
6. Residual points earned from opponents will be calculated using the opponent's **first 16** games played.
7. If there is a tie in power points, the current NJSIAA tie-breaking procedure will break all ties.
8. Teams that play less than 16 games will still be eligible for the tournament based on their total power points achieved at the cutoff.
9. Any player with two (2) or more disqualifications in the current season, prior to the start of the tournament, will be unable to compete in the state tournament.
10. Any varsity team accumulating three (3) or more player or coach disqualifications prior to the start of the tournament will not be permitted to participate in the state tournament. Seeded teams will forfeit their right to compete if a disqualification limit is reached prior to the start of the tournament for the team.

Tournament Rules & Information

1. All current NFHS softball rules along with any NJSIAA softball rule modifications will govern all tournament games.
2. All game times for all rounds up to and including the state semifinals will be designated by the higher seeded (home) team. The recommended start time for school days is 4:00pm. For non-school days, times will be established by the home team.
3. All game times are pending the official's availability. Athletic Directors must communicate consistently through all rounds of the tournament regarding start times and field locations.
4. The NJSIAA may need to determine the start times if there is any disagreement between schools.

5. Game times for all state group championship games will be established by the NJSIAA.
6. Round one (1) game is a "play on" date. You may not play the game before that date. Round two (2) and three (3) games may be played earlier than the dates indicated if both schools agree. If schools cannot agree, the game must be played on the play-by date. Regular season/tournament games scheduled for these dates must be rescheduled.
7. The public & non-public sectional finals, and the public semifinals are "play on" dates. Host schools must get approval from the NJSIAA to play these games on a different day.
8. If any circumstance causes postponement, the game must be played on the next day. If the home team cannot get their field ready the next day, the home team has to either find a neutral site or move to the opponent's field if playable. If the next day is a Sunday, the game may be played if both schools are permitted to play on Sundays, otherwise, the game must be played on Monday. Non-NJSIAA regular season or tournament games must be moved.
9. After a second consecutive postponement of a game because of field conditions, and the home team cannot get their field ready, the NJSIAA director of baseball may designate an alternate site as the home field for the higher-seeded team which may include the opponent's field of the lower-seeded team.
10. Responsibility for postponing a game shall rest with the host school. It is recommended that the host school should notify their opponent before the departure of the visiting school's buses if possible.
11. The NJSIAA assignors must be notified of any postponement in a timely fashion.
12. A maximum of twenty-five (25) uniform players, four (4) uniformed coaches, three (3) support personnel, and a trainer will be permitted in the dugout. Dugouts may be extended away from home plate if needed.
13. After twenty-five (25) uniform players, to be identified and designated on the line-up card, are presented to the umpire at the beginning of the game, no additions to the card will be permitted.
14. The winning school must notify njschoolsports.com immediately after each game, which must include the pitch count information.
15. Sites will not be declared unsuitable merely because recommended minimum fence distances are not available, or field conditions are less than perfect unless Leagues or Conferences have ruled such sites unsuitable for League or Conference play. Fields should be lined in accordance with National Federation Rules.
16. The host school must provide an adequate amount of crowd control/security as needed based on the host school's facility.
17. The visiting school must provide at least one (1) staff member, not associated with the coaching staff, to be present at each tournament game to maintain control of visiting spectators.
18. Any member school withdrawing from competition after having officially entered the tournament may be fined or barred from participating in NJSIAA tournament the next school year unless truly extraordinary circumstances were present.
19. Participation by an ineligible player in any game during the regular season results in forfeiture of said game. If such forfeit(s) would have caused the school's failure to qualify for the tournament or if an ineligible player participates in a tournament game, said SCHOOL will be disqualified from the tournament immediately and their last opponent will advance in their place. Schools eliminated prior to the last opponent will not re-enter tournament competition.
20. Only baseballs meeting NFHS & NOCSAE specifications may be used in the tournament. The home team will provide the game balls. At the State Finals, all game balls will be provided by the NJSIAA. The Wilson A1010 baseballs will be the official ball for the State Finals.
