Schools that are disqualified from state tournament competition after the tournament has been seeded but prior to the bracket being final, then the bracket will be reseeded and the next ranked school who entered the tournament will be included. If a school is disqualified from state tournament competition after the tournament has been seeded and after the bracket is final, then the bracket will not be reseeded, and no additional school will be included. If a school is disqualified from state tournament competition during the state tournament, then the school will be removed from the tournament immediately and their last opponent will advance in their place.

Schools participating in any NJSIAA tournament are responsible for the actions and behaviors of their spectators. Schools are required to provide adequate staff security to ensure there is proper oversight of their spectators. In addition, schools are financially responsible for any damages to the property or premises caused by their student-athletes, staff, or spectators (spectators include, but are not limited to, cheerleaders, marching band participants, students, and other fans).
