

2024-2025 NJSIAA Girls Season/Individual Tournament Regulations

NJSIAA reserves the right to adjust, change or cancel dates, times, and locations for all NJSIAA State tournaments. Schools entering the tournament will not be granted a change of date/time due to any conflicts with school trips, proms, banquets, SATs, unless agreed upon by both schools. During the spring tournament season, we will make every effort to accommodate schools that have a conflict with their graduation.

Member schools will not be eligible to participate in any NJSIAA Tournaments if it has violated the NJSIAA Constitution, Bylaws, Rules, Regulations, Guidelines, Policies, or Procedures. Any student-athlete who transfers after the competition start date will not be eligible for this tournament (Bylaws, Article V, Section 4.K. 5).

Schools are to be reminded of the 3-team DQ rule for state tournament eligibility, which states “Any varsity team accumulating three or more player or coach disqualifications prior to the team’s participation in the state tournament will not be permitted to participate in the state tournament. The 3-team DQ rule is no longer applicable during participation in the state tournament.

The NJSIAA will follow the procedure below for schools that are disqualified from state tournament competition:

1. If a school is disqualified, either for the use of an ineligible player or violating the 3-team DQ rule, from state tournament competition after the tournament has been seeded but prior to the bracket being final, then the bracket will be reseeded and the next ranked school who entered the tournament will be included.
2. If a school is disqualified, either for the use of an ineligible player or violating the 3-team DQ rule, from state tournament competition after the tournament has been seeded and after the bracket is final, then the bracket will not be reseeded, and no additional school will be included.
3. If a school is disqualified from state tournament competition due to the use of an ineligible player during the state tournament, then the school will be removed from the tournament immediately and their last opponent will advance in their place.

Schools participating in any NJSIAA tournament are responsible for the actions and behaviors of their spectators. Schools are required to provide adequate staff security to ensure there is proper oversight of their spectators. In addition, schools are financially responsible for any damages to the property or premises caused by their student-athletes, staff, or spectators (spectators include, but are not limited to, cheerleaders, marching band participants, students, and other fans).

NJSIAA requires Certified Athletic Trainers at all its tournament events. The ATC must document all injuries on an injury report form. This form must be available to the NJSIAA upon request.

Member schools not willing or able to comply with these tournament regulations and any relevant procedures found in the Operating Procedures Handbook should not enter the tournament. Member schools are encouraged to review these tournament regulations with the school administration. Coaches must have a copy of these regulations as well as a copy of the Rule Modifications (if any) for this tournament available at all contests. Copies of these documents are available on the NJSIAA website.

2. All weigh-ins will begin 1.5 hours before the scheduled start match.
3. The lower seeded team will always step on the scale first.

5. No one will be allowed to weigh in early/late unless weather or unforeseen circumstances dictate, or the tournament director rules otherwise.
6. One (1) team point will be deducted for failure to have the Trackwrestling weigh-in sheet and/or descent plan at mat side.
7. This weigh-in form will be used for the admission of the wrestlers

Skin Check Procedure - If a doctor/athletic trainer does not do the skin checks then the official shall perform the skin check.

Entering data in Trackwrestling

1. All girls who plan to wrestle in boys' events must have their assessment data entered in both the girls season and boys season.
2. When entering a girl's event in the girls season create the event in only the girls season. In the Weights dropdown, use the default option of "NFHS Girls 12".
3. Enter the exact weight and results in the girls season.
4. There must be an event created in the girls season for every event at which the girl participates. If it is a boys event, the girl must be entered on the boys season weigh-in sheet as well.
5. When a boys event is created in the girls season, choose NHFS 14 Boys from the dropdown menu under WEIGHTS. Then, create a weigh-in sheet for the girls participating in the girls season.
6. Record the exact weight and result in both the girls season and the boys season.
7. The weight loss plan and the NJSIAA Season Record Form will be the official record for all girl wrestlers.

Weight Class Participation & Allowances

- a. A one-pound allowance will be granted on Monday during the regular season and Monday of the team tournament.
- b. Meets or tournaments postponed due to weather from Saturday to Monday will receive a two-pound allowance on Monday (one pound weather AND one pound Monday allowance. At no time can weight allowances exceed two pounds.
- c. Allowances granted for this year are as follows:
 - Two-pound growth allowance is January 1, 2025
 - A one-pound allowance will be granted for the following dates and other circumstances authorized by the NJSIAA - December 26 & January 2
- d. Wrestlers no longer must make scratch weight to be eligible for allowances, but wrestlers MUST follow their descent plan.
- e. The weigh-in sheet will reflect eligible weight classes as designated in that wrestler's descent plan. This ensures that descent plans are being followed.
- f. Wrestlers may never wrestle below their minimum weight classification
- g. Teams that wrestle out of state will compete at the out-of-state weight class provided wrestlers follow their descent plan.

Disqualified Wrestler

- a. A team cannot add a meet to give a disqualified wrestler the opportunity to satisfy the two (2) meet suspension rule before any regular or post-season meets.
- b. Flagrant Disqualification Clarification:
 - Dual meets count as one (1) meet/event
 - Tri meets count as two (2) meets/events

- Quad meets count as three (3) meets/events
- Dual tournaments count the number of dual meets that team wrestles in the tournament
- Individual tournament counts as one match/event regardless of how many bouts are guaranteed

Penalties and Procedures for Using an Ineligible Wrestler

All meets that the ineligible wrestler participated in must be reported in Trackwrestling as a disqualification. This will result in the following:

- A team cannot add a meet to give a disqualified wrestler the opportunity to satisfy the two (2) meet suspension rule before any regular or post-season meets
- Loss of individual points for any of the disqualified meets calculated by Trackwrestling for District/Region seeding
- Recalculation of the dual meet team score that reflects a six (6) team point loss of the disqualified team which will result in a six (6) point victory for the opponent
- If the ineligible wrestler participated in a tournament with a team score, then the score must be adjusted and any awards (trophies, medals, etc.) must be returned to the host school
- If a second offense occurs, then NJSIAA reserves the right to issue meet suspensions

NOTE 1: If a wrestler competes in more than the allotted 30 matches by the NJSIAA cutoff date, each match more than 30 will be deemed a disqualification (DQ) and that wrestler will incur a loss by DQ for each match over 30. If the opponent of the illegal participant incurred a loss, their record would change to reflect "winner by DQ." Team scores would be adjusted accordingly. The coach and/or school may incur a fine of \$500.00 and/or disciplinary action for this infraction.

NOTE 2: The offending school must notify all schools involved in the event so coaches can adjust their wrestler's record on Trackwrestling. The Region President of the teams involved must also be notified and will help implement the changes to records and meets.

NOTE 3: Once all have been notified and changes made, it is the school's responsibility to notify Colleen Maguire, NJSIAA Executive Director, that all requirements have been met.

Match Conduct for Coaches & Contestants

1. Individual Tournaments - Wrestling will not start until there is at least one (1) coach but not more than two (2) coaches or school representatives (including athletic trainers) in both corners.
2. Coaches Misconduct Will be strictly enforced as per NFHS Rule 5-5
3. Unsportsmanlike Conduct will be strictly enforced as per NFHS Rules 7-4-2, 7-5-3, 8-1-4
4. Flagrant Misconduct will be strictly enforced as per NFHS Rules 7-4-3, 7-5-5, 8-1-3, 8-1-6
5. Athletes and coaches must be seated on the team bench/chairs, behind the bench/chairs, or in the locker room during the opponent's warm-up. No athletes or coaches are permitted to stand on edge of mats. A 1-point team deduction will be imposed, and an unsportsmanlike consequence may also be imposed if a school is found to be in violation.
6. Appropriate music of any sort is permissible providing it is NOT played during each individual match. It can be played before the meet begins, during team warm-ups, and between individual matches. It CANNOT be played from the start of an individual match through the end of that individual match. This includes the Team Tournament and the entirety of the Individual Tournament.
7. It is highly recommended that when coaching at all events, especially during the Team Tournament, Districts, Regions, and Individual State Championships that the coaching staff dress in a professional manner. Please refrain from wearing work boots, sweatpants, shorts, jeans, t-shirts, and the like as they are not considered professional apparel.

Region Tournament Seeding Information

1. The seeding meeting will be conducted on the date listed above.
2. There will only be one seeding meeting.
3. The goal of the seeding committee is to:
 - a. To ensure that the criteria for seeding is correctly followed
 - b. Seed the best 8 wrestlers
 - c. Draw for position for the remainder
4. Seeding should reduce the possibility of having the two best wrestlers meet in the early rounds. Theoretically, they should meet in the final, after having the four best wrestlers meet in the semifinals. The quality of wrestling should improve as the tournament advances.
5. Highest ethics should prevail. Attempts to place an "unproven" wrestler in an advantageous position to gain additional team points, or to reduce a "stronger" team's chance of attaining more team points are looked upon as self-serving. Using the seeding meeting to determine where you are going to wrestle your student/athletes causing a re-seeding the day of the tournament is another practice that must be discouraged.
6. The seeding will be conducted by a "Seeding Committee"
 - a. The Committee will be composed of the Regional Tournament Director, or designated Seeding Chairperson (who will break any tie votes), and four appointed seeding committee representatives from each region.
 - b. The Committee will be using the past advancements in the previous state tournaments, Head-to-Head Completion, and Wild Card Discussions to seed the regions through the first 8 seeds. All results will be considered for seeding purposes (both boys and girls competition). All other placements will be drawn.
7. The top eight (8) wrestlers will be seeded. All other seeds will be drawn
8. Wrestle backs Procedure:
 - a. Wrestle backs will begin with the quarter finals

- b. Wrestlers will wrestle back to 3rd and 4th place in the regions.

Region Tournament Pre-Seeding Criteria

1. Own Merit in a Previous Tournament – this level or better
 - a. Higher replacement(s) or further advancements(s) in wrestle backs will earn the better pre-seed.
 - b. Greater number of appearances – with the most recent advancement receiving preference.
NOTE: All wrestlers get credit for being here, minimum advancement if out
2. Defeated a seeded wrestler(s) – in this weight class during this season
NOTE: The better the pre-seed the better the victory. Use other victories using this criterion, if needed.
Wins vs. multiple opponents with the same criteria is better than beating the same opponent twice
3. Defeated any state tournament participant(s) from a previous year during this season.
NOTE: The better the pre-seed the better the victory. Use other victories using this criterion, if needed.
Wins vs. multiple opponents with the same criteria is better than beating the same opponent twice.
4. Wild Card

Note: Prior years' 5th or 6th place will be considered as a 5/6 place for seeding purposes.

Region Tournament Final Seeding

1. Head-to-head competition this season.
 - a. First Step - eliminate round-robin set of losses between 3 or more wrestlers. Might have to use loss twice to satisfy multiple round robins. A>B>C>A or A>B>C>D>A.
 - b. Next start with the best pre-seed and work down. Discuss every head-to-head match, with the best challenge, heard first. Continue until all losses are satisfied and vote only with extenuating circumstances.
 - Majority of victories receives preference. Split decisions will be decided with the later win receiving preference
 - c. The vote will result in the challenger moving ahead of the higher, pre-seeded wrestler, moving the remaining wrestlers down, OR to remain in the pre-seed placement.
2. Wild Card
3. Unfair Seeds - Where it can be substantiated that an unfair seed has occurred, the tournament director must email the NJSIAA Tournament Director by 12:00 Noon, Thursday to have the matter presented to the State Tournament Committee of the seeding meeting with this committee's ruling final.
4. Replacement - Any wrestler named at the seeding meeting that cannot wrestle in that weight class, for any reason, can be replaced prior to the conclusion of that weight class's weigh-in by an "eligible" replacement. A re-seed must occur using the same initial region seeding procedure. If the replacement does not qualify for one of the top 8 seeds, they will be placed in the vacated position of the withdrawn wrestler.
5. Forfeiture - Occurs after the initial weigh-in period and a subsequent reseeding meeting is over. If a wrestler successfully weighs in and subsequently does not appear on the mat to wrestle, a forfeit will be declared. Any forfeiture for not appearing on the mat eliminates that wrestler from the tournament unless as provided for in NFHS Wrestling Rules Book. Failure to provide the Tournament Committee with an acceptable reason for default or forfeit could result in Executive Committee action.
