

NJSIAA Football Score Reporting

As we approach the start of the high school football season, please remind your coaches that all final scores must be reported within 2 hours of the conclusion of each game to Gridiron New Jersey.

Final scores can be submitted via email (football@njsiaa.org) or via text to Jon Fass **(908) 872-4482**. Please be sure to include both team names and final score.

Failure to timely report final scores may be subject a school to a \$150 fine.
