

Eligibility Waivers and Co-op application deadlines

Athletic Directors,

Any Eligibility Waiver Requests for AGE, SEMESTERS, or CREDITS submissions must be completed via the webform in Home Campus by **Monday, September 22nd**. These waiver requests will be processed by the Eligibility Committee on October 1st. Go to Home Campus, select Eligibility Waiver Requests, and complete the form. This is a good time to complete age and semester waivers for students who won't be eligible for winter sports.

The deadline for spring sports co-op applications is **Friday, September 19th**. Please submit applications via the link below - you must be logged into the NJSIAA website in order to access the application:

<https://www.njsiaa.org/webform/co-op-application>

Lastly, a current list of all cooperative programs with expiration dates can be found via the following link - please review the status of your existing co-op program before you submit an application:

<https://www.njsiaa.org/schools/cooperative-sports-programs>

Thank you!
