

Officials Fees for Best of 5 Volleyball Matches

To All Volleyball Schools Considering Best of 5 Matches

It has come to our attention that some assignors may be suggesting a fee of \$150 for schools that choose to play the best of 5 sets in volleyball. Please note that the State Officials Fee Committee has approved the rate of \$115 for these matches.

We are concerned that:

1. Schools may be told they must pay \$150 or risk having their game not covered.
2. Schools may decide against scheduling best of 5 matches due to this unapproved cost.

While schools are permitted to negotiate a regular season rate if they so choose, we want to stress that no \$150 rate has been approved by the committee.

For reference, the NJSIAA has set the officials' tournament rate at \$130 for sectional, semifinal, and final matches.
