

New “AD Forum” is now live

Since this past summer, we have been working on a replacement for the current High School AD Network. The HSAD Network will be turned off as of **June 30, 2026**.

We are pleased to announce that the NJSIAA and our current website developer have completed the new platform. The new **“AD Forum”** is now live and available for you to test. You will find the AD Forum under the **AD menu**, and you must be logged in to access it.

Both the AD Forum and the HSAD Network will run simultaneously until June 30, at which point the HSAD Network will be permanently retired.

We encourage as many of you as possible to log in, explore the new system, and share any feedback or suggestions for improvements.

Thank you for your cooperation.
